TIMELY CONFESSION

Condemned Negro, Rufus Johnson, Reprieved.

SMALL'S WIFE FORCED HIM TO TELL

Governor Stokes Grants Stay of Thirty Days Owing to Statement of Fellow Prisoner—Execution Was to Be Tomorrow.

TRENTON, N. J., Feb. 22.—Governor Stokes has granted a reprieve for thirty days to Rufus Johnson, colored, who was sentenced to be hanged in Mount Holly tomorrow for the murder of Miss Florence Allison at Moorestown on Jan. 15.

Mr. Atkinson, the prosecutor in the case, had certified to the governor by wire that he would come to Trenton and make the application, and Supreme Court Judge Hendrickson advised the governor that the reprieve should be granted in view of the confession of George Small that it was he and not Johnson who killed the woman.

The reprieve is for the purpose of giving the Burlington county officials time to make a further investigation. Mr. Atkinson will not give out a copy of Small's confession, but he says Small struck the first blow with a cherry club and does not absolve Johnson from all blame. Small was taken to Johnson's cell and, shaking hands, said: "Oh, Rufus, this is too bad. I am awful sorry."

"So am I," retorted Johnson. "I have always told the truth about this matter, but they thought I was lying."

The confession made by Small was in the presence of Prosecutor Atkinson and Griffith W. Lewis. The first intimation that a confession was coming from Small was apparent when Detective Lore took Mrs. Small to the cell of her husband, to whom she said:

"George, they know it all. I was not at home on Jan. 15, and I am not going to be any more. This broke down the defense of Small, and he at once weakened."

Mrs. Small, wife of the second accused man, was arrested and committed to jail, where she is held as a witness against her husband. Of course she cannot testify against him, but from her the authorities can secure much valuable information. She had made some admissions, but it cannot be learned whether they relate to the murder or some robbery.

Mrs. Small has always maintained that she was home on Jan. 15 from 10 a. m. to 4 p. m., the time Small was absent from the Dugan farm, and that her husband was home with her during those hours, but a detective has ascertained that Mrs. Small was then in West Philadelphia, working under an assumed name.

The murder of Miss Allison, a young Englishwoman, who was strangled to death in a barn on the Clothier estate, stirred this section of the country, and, after the arrest of Johnson, time and again it was feared that the jail here would be attacked by angry men and the negro taken out and hanged.

There was never any question in the minds of the prosecution that Johnson was guilty. It was proved beyond doubt that he was on the Clothier place about the time Miss Allison was strangled and struck on the head with a milking stool. But in spite of this evidence the condemned negro has declared that he was innocent.

"It didn't do it," Johnson declared. "George Small did it. He was with me. I robbed the house, but I never touched the white lady."

A Possible Solution by Germany. BERLIN, Feb. 22.—The Cologne Gazette expresses the opinion that a possible solution of the Moroccan police question lies in the appointment of French and Spanish officers over a native force, the officers themselves to be under an inspector belonging to some neutral power, but in the Moroccan service. This newspaper's well known relations with the foreign office gives this suggestion significance as probably reflecting the final effort of Germany to satisfy France's wishes.

Postman Has the Finest Auto. NEW YORK, Feb. 22.—G. W. Postman, former vice president of the New York Life Insurance company and partner of J. Pierpont Morgan, is the possessor of the finest private automobile in the world. Every morning and evening he is carried to and from his country home in Riverdale, N. Y., in a machine which cost him \$23,000 in cold cash and is surrounded by every convenience and luxury which money can make possible.

Battle Monument at Salem Church. TRENTON, N. J., Feb. 22.—The senate after a long discussion passed the house bill appropriating \$5,000 for the erection of a battle monument to the Twenty-third New Jersey regiment at Salem Church, Va. It developed that the purpose is to erect a monument upon a piece of ground bought by General E. Burd Grubb, who was the colonel of the Twenty-third regiment, and which was donated by him to the regiment.

A Cheap Trip to the Coast. CHICAGO, Feb. 22.—Announcement is made that the Harriman lines will make a round trip rate of \$75 from Chicago to Portland, San Francisco and Los Angeles from June 1 to Sept. 15. Steeperv privileges, going and returning, will be allowed at Denver, Salt Lake City and other cities.

ROOSEVELT'S LETTER

Justice Humphrey Says President Does Unnecessary Things.

CHICAGO, Feb. 22.—After long fight, in which the government prosecutor declared that President Roosevelt had no power to speak for the attorney general's office, a letter written by Mr. Roosevelt was admitted in evidence in the best packers' immunity case here. This was the letter to Attorney General Moody saying the bureau of corporations and the department of justice were working together in the beef trust cases.

Commissioner of Corporations Garfield afterward went on the stand and denied he had promised immunity to

JUDGE J. OTIS HUMPHREY. (Who says the president does unnecessary things.)

the packers in return for information about their business. He declared he had not used confidential information against them.

A copy of the president's letter, which had been authenticated by Mr. Moody when he was on the stand, was offered in evidence by John S. Miller, counsel for the packers. The district attorney objected. "This letter is immaterial," declared Mr. Morris. "It is written by no person who could bind the government. The president cannot bind the government, more than any one else. He is the highest officer of the government, but still he is only an officer."

"I know of no law giving the president power to begin a suit like this, and there is no evidence here that he had anything to do with the starting of the suit. That is the duty of the attorney general."

Our Army in Orient Must Be Ready. WASHINGTON, Feb. 22.—Chairman Hull of the military affairs committee in presenting the army appropriation bill to the house urged the necessity of complete preparedness as to our army and navy for trouble in the orient.

He declared that any nation not prepared to defend its position in China might as well haul down its flag and quit the Pacific. Incidentally Mr. Hull pronounced Minister Rockhill at Peking guilty of indiscretion in indicating to Chinese officials that the United States intended returning the \$20,000,000 Boxer indemnity. Statements of this kind, he said, would be taken by the Chinese as an indication that the United States was afraid rather than liberal.

Stepped Off Train to Death. KNOXVILLE, Tenn., Feb. 22.—The mangled bodies of three white men were found beneath an eighty foot trestle of the Louisville and Nashville railroad, near the railroad bridge across the Tennessee river. They were William Duganway, William Turpin and James Gamble. All were unmarried and residents of this vicinity.

Duganway and Turpin were thirty years of age and Gamble only sixteen. They were farmers and had probably stepped from the train immediately after the station name had been called while the train was standing on the trestle.

Negro Farmers' Congress. TULSA, Okla., Feb. 22.—Negro farmers from every southern state met here for the fifth annual convention of the Tuskegee negro conference. Teachers and representatives from most of the negro educational institutions in the south and from thirty states and the District of Columbia were present. President Booker T. Washington, who presided, congratulated the race on its progress and emphasized the principles of industrial education for the negro.

No Reprieve For Hoch. CHICAGO, Feb. 22.—"Bluebeard" Hoch has been denied a reprieve by the board of pardons. He was confident that he would be granted either a pardon or a new trial, and the news that a reprieve had been denied him came as a great surprise. He winced perceptibly when it was told him, but recovered his composure immediately and remarked quietly, "All right, I have nothing to say about it."

Congressman Blackburn Indicted. ARREVILLE, N. C., Feb. 22.—Two indictments were returned by the federal grand jury against E. Spencer Blackburn, Republican representative in congress from the Eighth North Carolina district, charging him with practicing before the departments of the government and with accepting fees for the service after his selection to the house of representatives. He denies the charges.

Roosevelt to Intervene at Algeciras. PARIS, Feb. 22.—An official dispatch which bears strong marks of inspiration suggests the possibility of intervention by President Roosevelt, as in the case of Russia and Japan, to reconcile the diametrically opposite views of France and Germany "in the general hope that an entente may be reached."

WAS HER OWN FAULT

President Replies to Dr. Morris' Complaint.

WHITE HOUSE OFFICERS NOT TO BLAME

Secretary Loeb's Note Says That No More Force Was Used Against Mrs. Morris Than Was Warranted by Her Actions.

WASHINGTON, Feb. 22.—Dr. Minor Morris, whose wife some weeks ago was ejected from the White House, where she had gone to present alleged grievances to the president, gave out for publication the correspondence which recently passed between himself and the president regarding the case. Dr. Morris' letter is as follows:

"To the President—Having waited patiently a number of weeks that you might have ample time to ascertain all the circumstances connected with the lawsuit recently offered my wife at the White House and that you might make some expression of deprecation which would naturally be expected, it is now incumbent upon me as husband and citizen to demand a public apology for this outrage on womanhood and common decency.

"It is unthinkable that such brutality would be tolerated anywhere in this country, but, above all, in the White House.

"That my wife has been confined to her bed six weeks from the shock and injuries of this damnable treatment is bad enough, but I can say to you in all candor that had the original orders from the White House been carried out as to her longer incarceration her life would have been sacrificed.

"It is therefore incumbent upon me to repeat my urgent request that you take action at once suitable to the circumstances, which have shocked the entire nation."

To this letter Secretary Loeb replied: "In reply to your letter of the 16th inst., the president directs me to state to you that he had the superintendent of police of the District of Columbia, Major Sylvester, make a careful investigation of the circumstances connected with the arrest of Mrs. Morris for disorderly conduct at the executive office, and the superintendent submitted to the president all the affidavits of the persons whom he had examined. The president carefully went over Major Sylvester's report and the affidavits and also personally saw Major Sylvester and some of the persons making the affidavits. He came to the conclusion that the arrest was justified and that the force used in making the arrest was caused by the resistance offered by Mrs. Morris to the officers in the discharge of their duty and was no greater than was necessary to make the arrest effective.

"Under these circumstances the president does not consider that the officers are properly subject to blame. He was also satisfied that the kindest thing that could be done to Mrs. Morris and her kindred was to refrain from giving any additional publicity to the circumstances surrounding the case."

Shaw Denies Charge. CLEVELAND, O., Feb. 22.—City Clerk Peter Witt recently wrote a letter to President Roosevelt in which he charged that Secretary of the Treasury Leslie M. Shaw had supported John B. Walsh of Chicago, the financier and quarry owner, in the contest for the presidency of the city of Cleveland. A response from Secretary Shaw says: "Your letter has been handed me by the president, and the statement is wholly false. Your authority must have known it was false. I did not even know that Mr. Walsh was interested in the quarries."

Art Treasures Found at Venice. VENICE, Feb. 22.—While workmen were engaged in renovating the Church of Santa Maria Gloriosa del Frari, built in the year 1388, some ancient frescoes were disclosed behind the monument of Doge Mocino Tron. One of the frescoes represents a canopy with the coat-of-arms of Doge Tron, and another consists of two heroic bands with figures of the evangelists in medallions. The discovery is regarded as of the highest artistic importance.

Pelice After Station Agent McCabe. ST. ALBANS, Vt., Feb. 22.—The departure from this city of Patrick F. McCabe, station agent at Bolton, on the Central Vermont railroad, who is regarded as an important witness in the investigation by the state railroad commissioners of the wreck of the New England States Limited at Bolton, led the authorities to order all points between here and the Canadian line watched for traces of the missing man.

Missing American Met Foot Play. NEW YORK, Feb. 22.—That Albert M. Bard, a nephew of former United States Senator Bard of California, has dropped completely out of sight in Brussels, Belgium, and that he is believed to have met his death through foul play was the statement made here by Detective John J. Fogarty.

Insanity to Be Haugh's Plea. DAYTON, O., Feb. 22.—The trial of Dr. Oliver Haugh, charged with the murder of his mother, father and brother, has opened here before Judge O. B. Brown. The prisoner is still doggedly silent, as he has been ever since his arrest. The defense will be that the accused is insane.

Rockefeller Expected at Tampa. TAMPA, Fla., Feb. 22.—John D. Rockefeller, whose whereabouts have caused considerable speculation, is expected here. A considerable amount of mail addressed to him already has accumulated at the local postoffice.

BOSTON BENCH SHOW.

Prince Hal Won in Alredale Terrier Class Over Montreal Exhibit.

BOSTON, Feb. 22.—The victory of a local Alredale terrier dog, Prince Hal, over Coline Master Royal of Montreal, a recent importation from England, was the noteworthy event of the New England Kennel club's bench show at Mehanic's hall.

Prince Hal, which is owned by Arthur Merritt of Milton, met the Canadian dog, owned by J. A. Laurin, in both the open and winner's classes and won in both events. Laurin had the satisfaction, however, of defeating with Coline Mistress Royal Merritt's Lady Tampest in the open and winner's classes for bitches.

The judges were successful in disposing of the bloodhounds, mastiffs, St. Bernards and great Danes, and with the big dogs of the show out of the way a good start was made in the long list of classes for bull terriers, Alredales, beagles, dachshunds and other small breeds.

Dr. C. A. Louget of this city swept the classes in both the bloodhound and mastiff breeds. The competition in the Willowmere farin kennels of Round Beach, Conn., took the championship for dogs, and T. E. Kemp of this city won in the winner's class for bitches. There was a good contest in the Great Danes, Howe Totten of Washington winning a championship for dogs with Tristan II, while Edward Bringham of Wilmington, Del., took the winner's prize for bitches with Guide of Bronghton.

The Grand Challenge trophy for great Danes went to Romulus Gloris of the Dalmore kennels of Port Alleghe, Pa.

Swimming Record Broken. NEW YORK, Feb. 22.—Expert amateur swimmers took part in the initial session of the Amateur Athletic union's indoor swimming and water polo championships, which took place in the natatorium of the New York Athletic club last night. One world's record and several American records were smashed, but this was expected, as the best aquatic performers, from the Pacific to the Atlantic, were among the contestants. San Francisco, St. Louis, Chicago, Boston, Cleveland and Philadelphia had representatives, but the honors of the night went to C. M. Daniels of the New York Athletic club, who lowered the world's record of 32 1/5 seconds for sixty yards, indoor, held by Cecil Healy of Australia. The local expert covered the distance in 31 1/5 seconds, doing it in an extra spurt after having won the fifty yards' swim in 25 2/5, a new American record.

Lawn Tennis at New York. NEW YORK, Feb. 22.—Play was continued here in the indoor lawn tennis tournament for the national championship in singles and doubles on the courts of the Seventh regiment armory. T. R. Pell won his place in the semifinal round of the singles by defeating M. S. Clark after a keenly contested three set match. I. C. Wright, a younger brother of the national champion, E. C. Wright of Boston, displayed brilliant work and won his first contest in straight sets from K. Smith. R. T. Bryan, one of the best of the local indoor players, defeated E. E. Allen of Pennsylvania also in straight sets.

Harvard Defeated in Rough Game. CAMBRIDGE, Mass., Feb. 22.—Columbia won second place in the intercollegiate basketball league by defeating Harvard in a rough game in the Hemenway gymnasium by a score of 17 to 13. From fifteen fouls called on Harvard, Moore of Columbia threw nine baskets, which was more than sufficient to win the game. Hurley played well for the visitors, while for Harvard the work of Amburg and Griffiths was a feature.

Radtke Got the Honors. HOT SPRING, Ark., Feb. 22.—With fine weather the attendance at Oklahoma was the best since the opening day. Radtke again carried off the honors in the saddle, winning with four of his five mounts. A. J. Poindexter registered a horse as the Rake, but it was decided that the horse was a ringler, and the association took charge of the horse and will brand him.

Handicap For Jake Sanders. SAN FRANCISCO, Feb. 22.—The Stonehouse handicap, valued at \$1,000, resulted in a stirring contest at Oakland. After a fighting finish Jake Sanders, the favorite, barely won from Bob Ragon. Medlicott showed some of his old time form and captured the first race at 9 to 1.

Two Favorites Won. NEW ORLEANS, Feb. 22.—Shenanagh and Balahead were the winning favorites at the Fair grounds. The third and fourth races were the class of the card, and in each Sewell and Jack Martin fought it out to the end. Sewell's mounts winning in both cases.

Ingolthrift at City Park Track. NEW ORLEANS, Feb. 22.—Three of the seven races on the City park card went to Corrigan horses, two of them, Creel and Goldie, being favorites. Ingolthrift, thoroughly at home in the heavy going, was the only other successful favorite.

PASS PURE FOOD BILL

Senate, After Fifteen Years, Adopts Measure.

LAW GOES THROUGH BY 63 TO 4.

Now a Misdemeanor to Manufacture or Sell Adulterated or Misbranded Foods, Drugs, Medicines or Liquors.

WASHINGTON, Feb. 22.—After fifteen years of more or less serious consideration of the subject the senate has passed a pure food bill by the decisive vote of 63 to 4. The vote was taken after a long debate of a desultory character on the measure. Several efforts were made to amend the bill, and the committee accepted a number of suggestions, but only those thus accepted were incorporated in the bill as passed.

The bill makes it a misdemeanor to manufacture or sell adulterated or misbranded foods, drugs, medicines or liquors in the District of Columbia, the territories and the insular possessions of the United States, and prohibits the shipment of such goods from one state to another or to a foreign country. It also prohibits the receipt of such goods. Punishment by a fine of \$500 or by imprisonment for one year, or both, is prescribed. In the case of corporations, officials in charge are made responsible.

The bill also defines foods, drugs, medicines and liquors and also defines the standards for them. There is an exemption for dealers who furnish guarantees against adulteration and misbranding.

Divorce Congress. Washington Assembly Is For Open Hearings in All Court Proceedings.

WASHINGTON, Feb. 22.—The congress on uniform divorce laws for the several states and territories expressed itself in favor of all hearings and trials in divorce cases in open court.

It was declared that such public hearings would have a tendency to do away with collisions between parties to the suit for divorce and that publicity would tend to decrease applications for divorce by people who would shun such publicity. The resolution follows:

"Hearings and trials should always be before the court and not before any delegated representative of it, and in all uncontested divorce cases and in any other divorce case where the court may deem it necessary or proper a disinterested attorney should be assigned by the court."

The resolution was finally adopted, though considerably modified from the form as originally presented by the resolutions committee.

Other resolutions adopted follow: "If conviction of a crime be made a cause for divorce it should be required that such conviction should be followed by two years' continuous imprisonment. A decree should not be granted a vinculo for insanity arising after marriage. Desertion should not be a cause for divorce unless persisted in for at least two years. A divorce should not be granted unless the defendant has been given full and fair opportunity by notice brought home to him to have his day in court, when his residence is known or can be ascertained."

"Any one named as respondent should in all cases be given an opportunity to intervene."

President and the Hepburn Bill. WASHINGTON, Feb. 22.—When the senate committee on Interstate commerce meets tomorrow to vote on a railroad rate bill the announcement will be made authoritatively that the president will not attempt to prevent amendment of the Hepburn bill, that he will leave the committee free to exercise its best judgment and if possible compromise its differences and that if a bill is reported which does not meet his approval and in that form is passed by congress he will content himself to exercise his veto power.

J. E. Mars Defended a Woman. BOSTON, Feb. 22.—Expressing conviction that the victim not only provoked a disturbance, but threatened the defendant with bodily violence, Judge Burke of the municipal court discharged James E. Mars, who had been held for manslaughter in causing the death of Caesar Daigle here. Mars admitted assaulting Daigle, but claimed that Daigle had insulted a woman with whom Mars was in company at the time.
