ATHENS BOROUGH DADDIES MEET

Old Council Met Yesterday Afternoon, Followed by a Meeting of the New Body in the Evening

The 1905 borough council met in city hall yesterday afternoon at 2 o'clock to close the year's business. Burgess Macafee and Councilmen Tripp, Clark, Keefe, Sutton, Weiss and Weller were present. The question of a title to the lot in fourth ward was discussed and Borough Attorney Mills stated that he had some conversation with Mr. Beaman, the attorney for the contestants, and that it was proposed to leave the matter with a referee to be chosen mutually by the parties with the stipulation that his decision shall be final. Collector A. E. Bressler presented a list of tax exonerations amounting to \$98 85, which was approved.

A resolution was passed to the effect that there shall be no more alterations in No. 3 hose house without the approval of the council. Councilman Weiss stated that as a decision had been made against the borough in the Nicholson case that it should be settled at once. Borough Attorney Mills asked that this action be postponed on account of reasons which he would give the council, and his request was complied with.

After passing upon the bills presented the council adjourned.

Meeting of the New Council
The new council met at 8 o'clock and were called to order by Burgess Kinney, who, after being duly qualified, took up the business of the session Messrs. Tripp, Weller, Keefe, Clark, Sutton, Weiss, Stevens and Nevins were present.

On motion C. W. Tidd was re-elected secretary at a salary of \$100 for the year. N. V. Weller was elected president; Vine Crandall, treasurer, with no salary; C. E. Mills, borough attorney, salary \$50 per year; R. J. Mulligan, chief of police, \$50 per month; D. M. O'Brien, night police, \$50 a month; R. J. Mulligan, street commissioner, \$10 a month.

The following special police were appointed: Abe Groat, first ward; H. B. Bressler, second ward; Al Corby, third ward; E. H. Crayton, fourth ward. It was also voted to pay the janitor of the third ward hose house \$7 a month for the two months, March and April, 1906. President Weller reserved the appointing of committees to a future time, the names to be published in the papers.

Mr. Reynolds petition for the extension of Pennsylvania avenue was presented by Tripp and on motion of Stevens it was referred to the street committee with the request that they report at the next council meeting.

Mr. Tripp called attention to the report of the chief engineer of the fire department that hose and lanterns were needed. Referred to fire and safety committee.

On motion the borough treasurer was asked to give bonds to the amount of \$5,000.

On motion the board of health was requested to report on last year's business and to recommend three names from which to supply vacancies that may occur.

Councilman Stevens called attention to the condition of Chestnut and North streets at the point where they terminate at the guard bank at the river; that there was need of guard rails to prevent possible accidents. Referred to street committee.

Mr. Stevens next mentioned the fact that by the terms of the franchise to W. S. & A. trolley company, they should have commenced paying taxes in June, 1905, and requested that such action should be taken as to meet this requirement. Borough Attorney Mills then drew up a resolution that the council should levy and collect a tax of 50c on four cars, amounting to \$200 for the year commencing June, 1905, and ending June, 1906, which resolution was passed.

Councilman Clark mentioned that there continued to be complaints in the vicinity of the gas works of the stench from the refuse material flowing into the sewer. A committee composed of Clark, Stevens and Nevins, was appointed to see Mr. Gillette in relation to the matter and to have the nuisance abated.
