INSURANCE MEN HELD Three Heads of Mutual Reserve Under Arrest.

LARCENY AND FORGERY THE CHARGE F. A. Burnham, President, G. D. Burnham, Counsel, and G. Eldridge, Vice President of Great Company, Accused by Former Officer.

NEW YORK, March 9.—Frederick A. Burnham, president; George D. Burnham, counsel; and George Eldridge, vice president of the Mutual Reserve Life Insurance company, were arrested by Detective Sergeant Farley and taken before Judge O'Sullivan here and held in \$12,500 bail each to answer indictments charging grand larceny and forgery.

THE COMPLAINT in the case is James D. Wells, a former employee of the company. The charges of grand larceny and forgery in the third degree, upon which the indictments were brought, grew out of transactions covering a period of more than ten years, during which Frederick A. Burnham has been president of the Mutual Reserve, his brother George has been carried on the roll as counsel and George D. Eldridge has been vice president.

THE COURT then named next Thursday as the day for pleading. The question of bail was brought up by District Attorney Jerome, who asked \$3,000 bond for each indictment, \$15,000 each. "Oh, that is certainly excessive," said Mr. Rand.

THE JUDGE made the bail \$2,500 on each count, or \$12,500 for the five. When the formality of fixing bail had been finished Mr. Rand said: "I want at this time to make a request of the court. The grand jury has asked for instructions as to the law relative to a number of questions that they are to decide as to the insurance charges. This request is in no way connected with the present defendants.

THESE QUESTIONS are of far-reaching import, and I would ask that when you make answer to the grand jurors that you permit me to be present or that you will permit me to file a brief. "I have no objection to that," said the district attorney, "provided Mr. Rand will say whom he represents."

JUDGE O'SULLIVAN agreed with Mr. Jerome that the name of Mr. Rand's clients should be revealed, but Mr. Rand said that, rather than tell whom he represented he would withdraw his request.

THE COST OF ARMS. LONDON, March 9.—In introducing the army estimates, amounting to nearly \$180,000,000, in the house of commons War Secretary Haldane announced that the Liberals did not desire to destroy the army, but required greater efficiency at less expenditure.

AUTO KILLED A PRINCESS. Queen of Italy Brings Friend's Body to Home in Her Motor Car.

ROME, March 9.—The Marchioness of Corsini, formerly Princess Barbellini, was killed last night by the overturning of an automobile in which she was riding with her husband, who is King Victor Emmanuel's master of horse. The marchioness, who was sixty-two years of age, was driving the automobile, her husband, aged sixty-nine years, sitting beside her.

WHILE CROSSING a bridge in the suburbs, seeing a cart approaching, the marchioness essayed to turn out to give the cart safe roadway, but ran the automobile into the parapet of the bridge with such violence that the parapet gave way, and the automobile was thrown from the bridge into the ditch, fifteen feet below, turning completely over as it fell. The marchioness and the chauffeur escaped without a scratch, but the marchioness was crushed to death.

THE NEWS of the accident was telephoned to Rome, where it came to the ears of Queen Helena. Her majesty immediately ordered her own automobile and hastened to the scene of the tragedy, where she found the marchioness and the dead body of the marchioness lying on her own automobile and carried them to the Quirinal, where they still remain. The funeral of the marchioness will take place from the palace.

HIS FOUR WIDOWS CLAIM IT. Late Gilbert F. Roche Apparently a Much Married Man.

WESTERLY, R. I., March 9.—The pension bureau at Washington has received information that four women claim to be widows of Gilbert F. Roche, a veteran of the civil war, who died in this city. Special Pension Examiner C. B. McSooly of Providence came here and began an investigation to determine who was entitled to a pension which Roche received.

TWO MONTHS after the death of Roche the name of his widow here, Mrs. Rhoda Roche, was placed on the pension rolls. Several months later the department received an application from Mrs. Gilbert F. Roche of Taunton, Mass., and recently a third claimant appeared in a Mrs. Roche of Albany, N. Y. Within the past few days it developed that there is a fourth Mrs. Roche living in another part of New York state.

SO FAR as the pension examiner can learn, the women living outside of Rhode Island have never been granted a divorce. Wheeler Memorial Gathering. ATLANTA, Ga., March 9.—The report made by Colonel Thompson H. Jones, chairman of the committee having in charge the arrangements for the memorial to General Joseph Wheeler, which will be held in Atlanta March 27, indicated a widespread and general interest in the event in all parts of the country. The occasion already promises to be one of the most representative of the war.

INDIAN BILL CARRIES \$7,785,528. WASHINGTON, March 9.—The house passed the Indian appropriation bill, carrying \$7,785,528. It then proceeded to tangle itself up over the bill to abolish the grade of lieutenant general in the army. The result was an adjournment for lack of a quorum after members had been locked in the hall for half an hour and the assistant sergeant at arms had been searching the various hotels in search of members. The vote to consider the bill showed an overwhelming sentiment in its favor.

SENT "BLACK HAND" LETTERS. HONOLULU, Pa., March 9.—Julius Moll, a tailor and a local leader of Socialists, was arrested by Deputy United States marshals charged with sending "Black Hand" blackmailing letters to business men and women demanding money. He was suspected of being the guilty party and was detected by marked postage stamps sold him at the Honolululu postoffice. He was taken to Casper and held under \$5,000 bail, which he was unable to furnish. He is about thirty-five years of age.

FOR KONGO REFORM Boston Maf's Meeting Would Blot Out Reprach.

PLEA TO ROOSEVELT AND CONGRESS United States, Being First Power to Recognize King of Free State, Should Be Foremost to Aid Helpless Inhabitants.

BOSTON, March 9.—With a view to stirring up American sentiment against the reported conditions in the Kongo Free State, of which King Leopold of Belgium is the nominal ruler, a public meeting was held in Tremont temple last night under the auspices of the Kongo Reform association.

THE MEETING adopted resolutions calling upon the president and congress to deal with the situation in that country. President G. Stanley Hall of Clark university presided. The speakers included Rev. John H. Harris, for many years a missionary in the Kongo Free State; Rev. Herbert S. Johnson and Rev. Everett D. Burr, D. D., pastors of Boston churches.

THE SPEAKERS outlined the deplorable conditions said to exist in the African state and appealed to the meeting for support of any action which might be had expedient by the United States government. In connection with a discussion on the powers of the American government in the matter the following telegraphic correspondence to Elihu Root, secretary of state, and signed by a representative of the Kongo Reform association, was read.

"AM I RIGHT in saying that your position is that our government does not share supervisory powers of Berlin signatories and is not competent to make investigation, but that you do not wish to be understood as holding that the case is closed or as declining to consider further information as to facts or suggestions of action along other lines? Meeting tonight. Will use above unless corrected by you."

THE FOLLOWING reply of Secretary Root was read: "Your understanding stated in your telegram is quite correct. I am much obliged to you."

"RESOLVED, That as the United States was the first power to recognize the flag of the independent Kongo Free State it is fitting that it should be foremost in efforts to ameliorate the terrible lot of its helpless native inhabitants.

"RESOLVED, That we respectfully urge upon the president and upon congress to take all possible steps, either by remonstrances, by diplomatic correspondence or otherwise, to end conditions which are a reproach to the civilization of the twentieth century and repugnant alike to religion, justice and humanity."

PINEHURST, N. C., March 9.—There were thirty starters in the third annual club championship tournament open only to season members, which has opened here with a thirty-six hole qualification round. A pretty contest for the gold medal offered was the feature of the day. Charles B. Fowner, Jr., of the Oakmont club, Pittsburgh, won by a single stroke, with a grand total of 173. John M. Ward of Montclair, N. J., and Allan Lard of Columbia scored second in 174. William C. Freeman third in 181. W. C. Fowner of Oakmont and C. J. Becker of Woodland tied for fourth at 182 and J. D. EXPEDIT WON GOING AWAY. SAN FRANCISCO, March 9.—The long distance events at Oakland, the third and the fourth races, were won by favorites, Expedient and Preservator. Expedient was last at the half mile pole in the third race, but when Graham urged him he passed the field one by one and captured the event going away. Major Tenny made a strong effort in the fourth event, but Jockey Williams easily passed him on Preservator.

A FAMOUS JOCKEY REINTEGRATED. NEW YORK, March 9.—The stewards of the Jockey club last night reinstated Jockey Eugene Hildebrand, whose license was revoked last year because of alleged unsatisfactory work in the saddle. A license was ordered granted to Hildebrand, and W. A. DeVrees, who had raced on outlaw tracks, was also reinstated.

ONLY TWO FAVORITE BEATEN. NEW ORLEANS, March 9.—Favorites were in much better form at the Fair grounds, and only two were beaten. Schroeder's Midway and Lady Henrietta. Irene Brady delayed the start in the second race by unseating her rider at the post.

THREE FIRST CHOICES WON. HOT SPRINGS, Ark., March 9.—At Oaklawn Staud Pat, Tres Joli and George Vivian were the winning favorites. Mordella broke down when she had the fourth race at her mercy.

A SOCIETY ENGAGEMENT. RICHMOND, Va., March 9.—It is announced here by one of her family that Mrs. Robert Shaw, nee Langhorne, sister of Mrs. Charles Dana Gibson, is engaged to be married to William Waldorf Astor, son of William Waldorf Astor of London. Nannie Langhorne Shaw, as she has signed her name since she divorced Robert Gould Shaw 2d three years ago, is about twenty-eight years old, beautiful, witty and a type of the American outdoor woman of society. One of her sisters is married to Reginald Brooks, another to Charles Dana Gibson and still another to Monroe Perkins of Richmond, Va. She is said to be the original Gibson girl of Dana's pictures and has had a multitude of suitors. She has been reported as engaged to Robert Goetz, whose fortune is estimated at \$40,000,000, and to Lord Revelstoke.

EDITOR MURDERED AT COLFAX, La. SHREVEPORT, La., March 9.—L. Stuckey, editor of the People's Demands, was shot and killed at Colfax, La., by M. Goodwin, editor of the Colfax Chronicle. The cause of the tragedy was the publication of an article by Stuckey which, it is alleged, was a reflection on the character of Goodwin. The shooting occurred on the depot platform. Goodwin fired three shots, all of which took effect, killing Stuckey almost instantly.

HELD FOR OLEOMARGARINE FRAUD. DETROIT, Mich., March 9.—Another arrest has been made by federal officers here in connection with the extensive colored oleomargarine frauds unearthed in this city. William C. Ten Eycke, a grocer, was arraigned before United States Commissioner Davidson on the charge of manufacturing colored oleomargarine.

GREEN NOT GUILTY Ex-State Senator Acquitted of Fraud at Washington.

WAS CHARGED WITH EMBEZZLEMENT Indicted in Connection With Sale of Time Recorders to Postal Department, For Which Beavers is in Prison.

WASHINGTON, March 9.—The jury in the case of ex-State Senator George E. Green of Binghamton, N. Y., on trial for conspiracy to defraud the government in the sale of time recording clocks to the postoffice department, brought in a verdict of not guilty. When the verdict was announced there was a great demonstration in the courtroom which was promptly suppressed. After the jury had been discharged the court, on motion of Mr. Green's counsel, reduced his bail in the other cases to \$5,000.

SEVERAL MEMBERS of the jury approached Mr. Green and congratulated him. Mr. Green said that the thought uppermost in his mind was to greet his wife and give her the glad news. The members of the jury refused to discuss what had occurred in the jury room or how many ballots had been taken.

MR. GREEN was charged with having entered into a conspiracy with George W. Beavers, superintendent of the division of salaries and allowances in the postoffice department, to defraud the government, the indictment alleging that Green agreed with Beavers, in behalf of the concern of which he was president, that upon every time recording device ordered from his company through the procurement and influence of Beavers the company would pay Beavers a commission of 10 per cent of the purchase price.

GREEN was brought to trial on two indictments in connection with the sale of time recorders to the postoffice department. One charged a conspiracy to defraud the government and another charged a conspiracy to commit a crime. At the conclusion of the submission of testimony the government elected to go to the jury on the indictment charging conspiracy to defraud the government.

M. POINCARE FOR PREMIER. STRONG REACTION IN FAVOR OF M. ROUVIER AT PARIS. PARIS, March 9.—President Falliere's efforts to induce one or other of the several statesmen with whom he conferred to undertake the task of forming a cabinet have not yet borne results. M. Sarrien has declined either the premiership or a portfolio. It is understood M. Poincare will be called to the Elysee today, and the indications are that a cabinet under his leadership will be acceptable to the advanced Republican groups.

A STRONG REACTION has set in in favor of M. Rouvier. The newspapers severely criticize the action of the chamber of deputies in defeating him when he was performing a patriotic duty which promised to produce the most notable diplomatic success of recent years. It has now become quite evident that France will not waver in her policy in the conference at Algiers.

A. O. U. W. IN CONVENTION. ATLANTIC CITY, N. J., March 9.—The state Ancient Order of United Workmen in convention here considered a resolution last night to create an emergency fund by assessing members over fifty years of age \$1 per month who now carry a \$2,000 insurance; also a fifty cent assessment on members under fifty years of age who carry \$2,000, while those under fifty years carrying \$1,000 policies will be taxed 25 cents per month. The organization hopes to raise \$60,000 by this means.

NAUNCHANG RIOTERS CONFESS. SHANGHAI, March 9.—The Protestant missionaries at Suchau, province of Kiangsi, have been escorted to Kiangsi. The Catholic missionaries at Suchau refused to leave the place, and the governor is sending another escort for them. The Chinese concerned in the recent rioting at Nanchang, province of Kiangsi, have confessed their guilt, but maintain that they were justified in attacking the Catholics, as the latter had stabbed the magistrate.
