OLD MAID'S CONVENTION

Athens—Athens is justly renowned for their pretty girls and charming society that the thought never occurs to us that there are also demure old maids with all of the vain spinster ideas of that despised order of humanity. But, nevertheless, there are many of the latter class in this vicinity, and the Universalist society have hunted them up and they will hold a regular old maid's convention at the church on North street, tomorrow, Wednesday evening, March 14. The trouble will begin at 8 o'clock and everybody is invited to come and enjoy a hearty laugh. Sew on the buttons good and strong before you come, for your mirth will be uncontrollable when you witness their drollery. You may never have another opportunity to attend a real old maid's convention, so come early to the Universalist church tomorrow evening.
