ALL BUT ONE

Waverly—After many attempts to get a full ticket in the field for the coming election, the Union party have succeeded in filling all but one vacancy. At the caucus L. F. Lord, Michael Curry and Simon Zausmer were nominated for trustees. Mr. Lord and Mr. Curry withdrew. Mr. Lord was selected by the Union party committee to appear on the ticket but he again filed a declination. At the meeting yesterday afternoon Fred W. Genung was selected to fill one of the vacancies and this morning he announced that he would stay on the ticket.

FAILED TO INDICT

Waverly—The grand jury failed to indict either William Dunham or Arthur Floyd, who were arrested some time ago on a charge of breaking into a barn at North Barton and taking a shingle mill. Mr. Dunham claimed that he had sold the mill under an agreement that permitted him to take it at any time if there was default in payment. The grand jury decided that he had committed no crime.

Waverly—The members of Division No. 2 A. O. H., will entertain their friends Monday evening, March 19, in the K. of C. hall in honor of St. Patrick's day. Good speaking and music will be provided, and a merry time is assured.

MONEY STILL MISSING

The local officials of the United States Express company are as much in the dark as ever concerning the loss of the package of money on Monday morning. The investigation which was conducted yesterday failed to throw any light on the matter and the chances are that the money will probably never be found.

KAISER'S FRIENDLY ACT.

German Miners Recover Bodies From Wrecked Courrières Pit.
PARIS, March 14.—Unexpected success crowned the work of the life saving corps from the Westphalian mines, who arrived at the scene of the colliery disaster in the Courrières district. They are said to have been sent in accordance with the express wish of the German emperor. They descended into the wrecked pit No. 2, and as a result of their work 100 bodies were brought up to the pit's mouth.

Experts describe the work of the Westphalians as wonderful. They are rapidly clearing the galleries of the mine.
Ambassador McCormick presided at a hurriedly called meeting of the American chamber of commerce and made a brief appeal on behalf of the sufferers from the disaster. The sum of \$1,000 was subscribed in the room.

Three Villages Destroyed by Lava.
HONOLULU, March 14.—The eruption of the volcano on the island of Savali of the Samoan group continues on a large scale. Three villages have been completely destroyed, including Malaeola, where was located the finest cocoa plantation on the island. The residences of A. King and G. Bartley have been reduced to ruins and are a total loss. The lava from the volcano is flowing into the ocean in a stream three-quarters of a mile wide and twenty feet deep at the rate of twenty feet an hour. At night a solid wall of molten lava five miles long can be seen reaching far out into the sea. For some distance ahead the sea water is boiling and the surf breaking over the fiery stream.
