**ATHENS.**

District Attorney Mills was in Towanda today.

John Sherwood, the Smithfield barber, was in Athens today.

George H. Davidson of Elmira was visiting his Athens friends yesterday.

Constable A. C. McGovern took John Flynn to Towanda this morning and Mrs. Flynn accompanied them.

The Misses Clarissa and Grace Bird, and Miss Edna Voorhis of Smithfield, were visiting Athens friends yesterday and returned home this morning.

When the workmen arrived at the oil well this morning they found a tank bursted by freezing; work will be delayed a few days until they procure another.

Miss Fannie Drake, daughter of Sheriff Drake of Canton, was visiting the Bonney girls at the Campbell house yesterday, returning home last evening.

Mrs. Jennie Wykoff received news last evening that her father, Charles Alexander, was dangerously ill at his home in Towanda, and she with her husband, R. M. Wykoff, went to Towanda this morning.

Rural Amity lodge No. 70, R. A. M., had another delightful meeting last evening. There were about 150 present, one half of them being visiting brethren from other lodges. The third degree was worked and an elegant banquet was served.

The ladies of the Presbyterian missionary society held their annual meeting this afternoon at the church parlors. They are receiving many new members, and the meeting was very enjoyable. Supper was served at the conclusion of the business session.

James Watson returned from New York last evening and brought with him Mr. F. Goutofski and Ernest Rosenfeldt, two skillful workmen who will be employed by him hereafter. Mr. Watson has had such an increase in business that he was obliged to get the extra men in order to accommodate his customers.

Rev. A. F. von Tobel of Camden, N. J., was in town yesterday making arrangements to move his family, as he is to become pastor of the Presbyterian church, April 1. He will occupy the pulpit Sunday, April 1, commencing his pastorate at that time. He was the guest of Mr. and Mrs. W. G. Jordan last evening, returning to Camden this morning.

**LADIES LIBRARY CLUB**

The meeting of the Ladies Library club yesterday afternoon was unusually interesting and very largely attended. Mrs. Andrew H. Sawtelle was chairman and Mrs. Dr. C. H. Ott presided. The musical part was taken largely from the compositions of Verdi.

The opening number was a piano duet by the Misses Corbin and Jordan, the "Triumphal March from Aida." Mrs. Hayden followed with a reading, "An Afternoon with Verdi." Mrs. Dr. Rinebold sang a solo from Trovatore, then Misses Corbin and Jordan gave a piano duet from Mozart and Mrs. Murray gave a talk on Wagner's operas. Mrs. Philip Hessel of Wilkes-Barre sang a beautiful solo, "May Morning," by Darzo; Mr. C. E. Loetzer of Sayre gave a very excellent address on Sanitary Regulations. This subject is now receiving so much attention from the people in the valley that the address was of absorbing interest. The scientific investigation of municipal and health authorities has had such a divergent tone as to awaken a more determined research along the line of practical methods. Mr. Loetzer advises that there be a system of sanitary inspection, conducted by persons having the requisite qualifications and that the board of health should demand that the work be done in a thorough manner.

**MRS. ANN HENRY**

Mrs. Ann Henry died at her home in Ridgebury yesterday forenoon at 10 o'clock, aged 75 years. She was a daughter of James McAssey and had lived in Ridgebury all of her life. She leaves several brothers and sisters and among them is Mrs. D. O'Brien of Athens. She also leaves five sons and one daughter. The youngest son, Ed Flynn, lived on the farm where they resided. Arrangements have not yet been made for the funeral.

**DRILLING SUSPENDED**

The drilling at the oil well has been suspended for a few days for lack of funds. Secretary Hosmer has been collecting the money in and Joseph McKinney subscribed and paid for \$100 worth of stock yesterday which got them out of their difficulty and now the work has commenced and will be continued until the well is finished.
