CELEBRATED HIS 86TH BIRTHDAY

His Friends Fairly Took Him Prisoner at His Home in New Albany

Athens—Arunah Ladd is one of our soldier veterans that has a large circle of friends in Athens and they will be interested to know that he was taken prisoner by his friends at his home in New Albany on the anniversary of his 86th birthday, which occurred last Wednesday, March 14th. Comrade Ladd served in the Fifty-Sixth Pennsylvania Volunteers in Kearney's division, Sickles' corps, and he is proud of the red diamond badge he wears. The war is a memory now but it is fruited with heroic incidents that are fresh to him, even in his ripe old age.

About 20 guests, of the best people in the locality, were present. Among those present were Daniel Haverly and Mrs. Covey, each aged 82 years, the former having driven from Overton that morning. Many tokens of regard were conferred upon Mr. Ladd on this occasion.

TRADE CONDITIONS.

R. G. Dan & Co.'s Weekly Review of Business.

NEW YORK, March 17.—Wholesale conditions are maintained in commercial channels, the tenor of most reports being favorable, and comparatively little anxiety is felt regarding the labor situation. New projects are constantly appearing, calling for much capital and giving employment to many wage earners. Several scales have been signed that provide for higher wages after this month, and the general prosperity of the winter is believed to assure a very large retail trade in spring wearing apparel. Jobbing houses have been enabled to make shipments with unusual promptness owing to the ample railway facilities and few freight blockades that resulted from an exceptionally mild winter.

Commercial failures this week in the United States are 229, against 221 last week, 226 the preceding week and 250 the corresponding week last year. Failures in Canada number 34 against 34 last week, 41 the preceding week and 28 last year. Failures this week in the United States 72 were in the east, 65 in the south, 65 in the west and 27 in the Pacific states, and 73 report liabilities of \$8,000 or more. Liabilities of commercial failures reported for March to date are \$4,255,960 against \$4,381,950 last year.

TWENTY-ONE FEET OF SNOW.

Great Floods Threaten Garfield Vineyard Regions of California.

FRESNO, Cal., March 17.—A storm of unprecedented severity has been raging for sixty hours, and the region between the San Joaquin and Kings rivers is threatened with the greatest flood in years. The fall of snow in the mountain exceeds all records. Advances from Pine Ridge, which is at an altitude of 5,000 feet, say twelve feet of snow has fallen, and at the summit of the mountains the depth is twenty-one feet. The residents of the Garfield vineyard region worked all night in a blinding rain building levees, but their work went for nothing when a huge overflow wave went sweeping through that region yesterday morning. Fancher creek, flowing south of Fresno into canals of the Fresno Irrigation Canal company, is beyond control and is laying waste vineyards. Already miles of land are covered with five feet of water.

After a night of terror the 600 people of Laton, on Kings river, have moved in a body to the grade of the Santa Fe railway. The levees about Laton are six feet high, but they are overflowing. Numerous bridges are washing out in the northern colonies. Both the Santa Fe and the Southern Pacific report numerous washouts and train service demoralized.

Sacred Stone of Mecca. The caaba, or sacred stone of Mecca, is re-covered every year with damask sent by the sultan or khedive. A single covering has, on occasion, cost \$15,000.
