## SHOPS CLOSED FEARING STRIKE

Notices Posted at Hornellsville, Dunmore and Meadville Suspending All Work

Consternation was spread broadcast in the Erie shops at Hornellsville yesterday when notices were posted saying that all shops would be closed until further notice on account of the pending coal strike. The men had been given no intimation that the shops would be closed and the announcement came like a thunderbolt. The notice came from headquarters at New York and the shops affected are both for car and engine repair and construction, a total of 450 men being turned out of employment by the shut-down. Similar notices were also posted at the Erie shops in Dunmore and Meadville.

The news of the Erie shops shutting down has led to the inquiry: "Will the Lehigh follow suit?" So far as could be learned today, the officials of the Lehigh have no intentions of closing the shops located at this place. Within the past week, however, there has been several rumors that something of an unusual character was to occur in connection with the shops. It has been frequently asserted that there was to be a big lay-off on April 1, but this notice cannot be officially confirmed. This morning the rumor was given new impetus and there are some of the opinion that there is to be at least a large number of the men laid off on the first of the coming month. Whether this will prove to be the case time only will tell. The men employed in the shops do not look upon the rumor as being anything to cause uneasiness.

### PERSONAL MENTION

Judge E. M. Dunham will spend Sunday with his family at LaPorte.

Dr. D. C. Taylor will leave for Dover, Del., this afternoon to be absent for several days.

H. H. Mercereau, Esq., and Fred Welliver will go to Ithaca this evening on a business trip.

L. L. Vanduyne went to Ovid this morning to spend Sunday with his parents in that place.

Misses Anna and Myra Druckemiller went to Lehighton today to spend a few days with friends and relatives in that place.

Mrs. William Bentley of Horseheads, who has been the guest of her sister, Mrs. J. R. Kasper for several days, returned to her home this morning.

Attorney Paul Maynard and I. F. Stetler, principal of the Sayre borough schools, are in Towanda today attending a truancy case which is being heard before Judge Fanning.

D. K. Hamilton, formerly a chief clerk in the master mechanic's office of the Lehigh in this place, but who recently has been connected with the Bethlehem Steel company, stopped in Sayre for a short time last night and greeted old friends. He was on his way to Rochester, N. Y., to visit his brother, J. S. Hamilton.

### SPRING ARBOR DAYS

Governor Pennypacker has designated April 6 and April 20 as Spring Arbor days. When the custom was inaugurated the idea was to have the practice of tree planting become universal on those days. For a few years there was some enthusiasm in carrying it out, but of late years there has been little interest. Occasionally a few school children plant a tree or two, but so far as the general public is concerned the day is almost totally disregarded.

## MR. BONFOEY'S COMMISSION HERE

Document Which Makes Him Postmaster of Sayre Arrives Here Today Noon

George D. Bonfoey has received his commission as postmaster of Sayre. The document arrived here today noon. It is signed by President Theodore Roosevelt and George B. Cortelyou, postmaster general, and recites that beginning the ninth day of March, 1906, Mr. Bonfoey shall be the postmaster at this place for a term of four years. Mr. Bonfoey will not assume the duties of the office, however, until April 1. In connection with the receipt of the commission Postmaster Bonfoey announces that he has appointed J. Henry Price as deputy postmaster. Mr. Price has been the deputy postmaster for several years during which time he has given excellent satisfaction, and the announcement that he is to remain will be received with general satisfaction. The remainder of the clerical force will be retained, with the exception of the deputy postmaster all of them coming under the civil service regulations.

Postmaster Bonfoey, who has been chief clerk in the division freight office of the Lehigh for some time, has tendered his resignation to take effect on April 1. It is quite probable that Harry Spencer, way bill clerk in the local freight office, will be appointed to fill the vacancy caused by the resignation of Mr. Bonfoey.

## LACKAWANNA MEN GET INCREASED PAY

Result of Conference Recently Held at Scranton is Highly Satisfactory to the Employees of That Road.

As a result of the conference held in Scranton last week between the Brotherhood of Railroad Conductors and officials of the Lackawanna railroad, there will be an increase of wages in all branches of the service on that road. The increase in wages will go into effect on the first of the coming month and puts the Lackawanna far ahead of any other road in the east. Passenger conductors are to receive \$3.60 for the first 100 miles and four tenths of a cent for each additional mile. Baggage men are to receive \$2.10 for the first 100 miles and one fourth of a cent for each additional mile. On local freights the conductors are to receive \$2.30 per 100 miles. On main runs the men are to receive an increase 40 cents per day. The rate has been fixed as \$2.30 per 100 miles, on 11 hour basis, with one hour allowed for dinner. At present all is pleasant between the men and the officials of the Road of Anthracite, and the news of the increase of wages has been received with great rejoicing among the railroad men.

### FUNERAL TOMORROW

The funeral of Julius Hoyt Smith will occur from his late home, No. 104 Allison street, tomorrow afternoon at 12:30 o'clock. The obsequies will be in charge of the Brotherhood of Railroad Trainmen, and the Rev. E. C. Petrie, pastor of the Presbyterian church, will officiate. The remains will be taken to Owego for interment. It is quite likely that a special Lehigh Valley train will be secured to convey the funeral party to that place.

### CHURCH OF THE REDEEMER

## STEPS TAKEN TO PROTECT GAME

Game Commission Will Cause the Laws to be Printed in Foreign Languages

Much trouble has been experienced by the game protectors in the state in keeping foreigners, chiefly Italians, in check. In this and other sections of the state Italians in the spring time will shoot robins. In some instances they have been apprehended and made to pay the extreme penalty. Some of the foreigners are acquainted with the game laws while others are not. Game Commissioner Kolbfus has hit upon an excellent idea to prevent the foreigners breaking the law. This idea is to have copies of the game laws and large posters printed in the Italian and other foreign languages, and to have them posted at all places where the men reside, so that they can be read by them. These posters will be posted in every county along the various railroads and their branches, and will doubtless have a beneficial effect. It is hoped by this means that the foreigners will become acquainted with laws protecting game and will profit thereby.

A grand and gorgeous minstrel first part setting will be followed by ten big vaudeville acts. Among those who will appear in these acts are Ford Schutt, monologist; George Montgomery Swartwood, in his original rube monologue; Stanley Stark, the boy wonder, a buck and wing dancer of rare ability; Sullivan and Peters, in marvelous feats on the double trapeze, and Navarro, the boneless wonder in unequalled feats of contortion. The whole company will introduce "The Dixie Guard," a one act farce. The proceeds of the entertainment will go to the Hook & Ladder Company No. 2, and a large house is promised.
