Miss Genevieve Rymell has accepted a position in the big store as milliner.

Go to the Loomis this evening and witness a first class dramatic performance.

Miss Agnes Boyle has accepted a position as bookkeeper in P. H. O'Shea's office.

100 pairs of boys patent leather shoes, Easter special, \$1.25 per pair. H. A. Kaufman.

Now that the Lenten season has closed, dances, socials and all sorts of amusements will be resumed.

J. J. Cummings announces that he will open his spring dancing class in Sayre in Eighmcy's hall on April 19. 285 f

One of the big trolley cars was derailed at the corner of Elmer avenue and Chemung street this morning. Traffic was not delayed for any appreciable length of time.

The Easter services held in the various Sayre churches yesterday were well attended and of an inspiring nature. The musical programs were finely rendered and appropriate to the occasion.

## PASSENGER ENGINE RAN INTO BIG ROCK

Lehigh Train No. 3 Had Narrow Escape from Serious Calamity Sunday Morning.

The fact that Lehigh passenger train No. 3 was drawn by one of the heavy class of engines probably saved the train from a horrible calamity near Penn Haven on Sunday morning. The train was drawn by engine No. 2220, James Martin of Sayre, engineer, and was speeding along about three miles this side of Penn Haven, when the pilot struck a rock, weighing in the neighborhood of six tons which had rolled from the mountainside on to the westbound track. The rain was descending in torrents and as it was exceedingly dark engineer Martin was able to see only a short distance ahead of his engine. The rock lay almost squarely across the rail on the mountain side of the track, and when first seen by the engineer the train was only a few feet from it. The pilot of the engine crashed into the rock with terrific force, but the resistance of the rock was not equal to that of the ponderous locomotive and instead of the latter leaving the rails it pushed the rock to one side of the track. In the meantime the engineer had applied the emergency brakes but before he could stop the train the projecting side of the rock had torn the journals from four of the coaches and otherwise damaged the trucks.

It was decidedly a narrow escape from what might have proven a horrible disaster. At the point where the rocks fell upon the track there is a steep mountain on the east side while on the west side there is an abrupt precipice below which runs the Lehigh river. Had the engine left the rails it doubtless would have been precipitated into the river. The passenger train was delayed for nearly four hours and in the meantime the passengers were transferred to No. 5.

### FALSE ALARM

An alarm of fire was sounded last night between 10 and 11 o'clock but upon investigation by the firemen who responded it proved to be a false alarm. The fire was said to have been located in Hayden street and the alarm is thought to have been sent in by some person or persons who take delight in seeing the firemen run. Individuals, however, who give false alarms of fire will be strenuously dealt with if they are apprehended, as the penalty therefor is heavy.

### SAYRE PEOPLE INVITED

The ladies of the Sayre Presbyterian church are cordially invited to attend the missionary meeting at the Waverly Presbyterian church on Tuesday, April 17, at 10:30 a. m. Mrs. Bool of New York will address the meeting. Dr. Switzer, a returned missionary from China, will address the conference in the afternoon. All are invited to partake of the luncheon to be served at noon at the church parlors.

### FUNERAL TOMORROW

The funeral of Coe M. Brink, whose sudden death occurred on Saturday forenoon, will be held from his late home on South Lehigh avenue tomorrow afternoon. The railroad men will attend in a body, and the remains will be taken to the Forest Home cemetery, Waverly, for interment.

### QUAIL LIBERATED

Several members of the Owego Rod and Gun club on Saturday last placed in favorable localities 60 live quail that on the previous evening had been received from Kansas. The quail arrived in excellent condition. This is the first attempt that the club has made to import birds, although it has done good work in the fish line.

## CEMETERY TO HAVE A NEW FENCE

Contract for the Erecting of the Same Has Been Let to an Athens Man

D. J. Macafee, of Athens, has the contract for the erection of the iron fence around Tioga Point cemetery. The fence is five feet high and will reach all around the cemetery, and when finished will add greatly to the beauty of the place. The posts for the entrance gates will weigh about six tons each and they will be set in granite with concrete foundations.

N. F. Walker, commenced surveying for the foundations Saturday, and the iron is all on the grounds ready to be set and Mr. Macafee commenced the work today. The fence is of elegant design and will cost about \$7,000 when finished. The main entrance gate will be at First street and the contract for this material has been awarded to Haywood & Baldwin of Owego.

### LOCAL MENTION

There is no nook or corner in the valley where The Record does not circulate.

A small sized blizzard struck Sayre early this morning and for a time it looked as if winter might "set in" again.

Wear Hartz, Shaffer and Marks Clothing. For sale by H. A. Kaufman, old postoffice building, Desmond street, Sayre.

On account of the accident to No. 3 on Saturday morning the Philadelphia papers did not arrive here until late in the afternoon.

The Rev. Mr. Hirkey, a missionary from China, will speak at the home of Wm. Palmer, Tuesday evening, April 17, at 7:30. All are welcome.

The snake season has opened. Down in Berks county a man killed 18 reptiles in three days. Berks county beats the world in raising almost any kind of a crop.

The recent heavy rains have made railroading decidedly hazardous especially where the line runs close to the mountain sides. Landslides frequently occur and the section men are kept busy removing them from the tracks.

The time for the annual spring house cleaning has arrived. Carpets are being unmercifully assaulted in the backyards and the head of the house in many instances is taking his meals out, and will continue to do so until the rush is over.

Despite the fact that the weather was of a gloomy nature, and rain threatened nearly all day, the Easter parade of headgear was up to the standard; the styles this year are decidedly fetching and the bills for the same are also of a high character.

The Cook-Church repertoire company begin a week's engagement at the Loomis this evening. The opening bill is entitled "A Game of Hearts," a western melodrama of a highly interesting nature. The engagement promises to be a most successful one.

Trainmen's hall has been very handsomely decorated by A. K. Gore of Waverly, and it will be the scene of a festive occasion this evening. The ladies' auxiliary of the O. R. C. and B. of R. R. T., will serve supper to those who attend the dance given by the two orders in the Movanho club rooms.

### NOTICE

All members of the L. S. to B. of L. F. are requested to meet at the home of Fred Hartman, 602 S. Elmer avenue, Tuesday afternoon at 1 o'clock, to attend the funeral of Brother Coe Brink. By order of Secretary.

## LEHIGH VALLEY TO LAY NEW RAILS

Eastbound Track Between Wysox and Wyalusing to Be Replaced by Heavier Iron

In the Lehigh Valley storehouse at the upper station in Towanda there are at present nearly 600 kegs of railroad spikes and cords or Weber patent tie plates. When the rails are received these will be used in laying a new rail on the Lehigh on the eastbound track from Wysox bridge to the bridge at Wyalusing. Thirty-foot rails weighing 90 pounds to the yard will replace the present 33-foot rails. One reason given for making the change to a shorter rail is that the contraction and expansion of the length is less than in the longer rail and enables the trackmen to keep a better surface.

An old trackman is authority for the statement that the expansion of the rails during exceedingly hot weather will reach as high as eight inches.

### ACCEPTS FINE SITUATION

Martin Garey, of No. 420 South Desmond street, who for the past seven years has been foreman of the car inspectors for the Lehigh at this place, has resigned his situation to accept a lucrative place with the Lehigh & Hudson River Railroad at Warwick, N. Y. Mr. Garey will be foreman of the company shops at that place, and leaves tonight for his new home. His departure will be regretted by a large number of friends of which he has acquired during his residence in Sayre. Recently Mr. Garey was elected noble grand of the local order of Odd Fellows, in which organization he has always taken an active interest. His family will probably remove to his new location later.

### TROUT SEASON OPEN

The trout season opens today. The law prohibits the taking of trout measuring less than six inches in length. Last year many fishermen in various parts of the country were heavily fined for having in their possession trout under legal length. The penalty is \$10 for each trout taken. The opening of the season this year is not particularly favorable for fishermen. The streams where the speckled beauties abound are still swollen and it is not likely that the fishing will be good until the weather has cleared up and the streams have fallen.

### BALL THIS EVENING

The first annual ball of the O. R. C. and B. of R. R. T. will be held this evening in the Movanho club rooms this evening. The Union Lyceum orchestra will furnish the music, and a large crowd is expected to be in attendance as already there has been a big sale of tickets. The committees are making effort to give one of the finest hops ever held in Sayre.

### WHEELS CUT FINGER OFF

Edward Crowley, a young man who resides at Myersburg, fell while getting off a Lehigh Valley freight train near Wysox yesterday afternoon. One hand fell across the rail and before he could withdraw it the wheels cut one of the fingers off. A Wysox physician attended to the injury.

### HOSPITAL NOTES

Mrs. John Park of Montrose was admitted today.

Mrs. Frank Gibson underwent an operation this morning.

A heavy pair of tongs fell upon Thomas Walsh's left thumb this forenoon at the shops and caused a severe contusion.

Mrs. J. W. Bishop went to New York this morning for a brief visit with friends and relatives.
