Manager Lewis shook his bead. Mad-

dened men fought their way toward

him with handfuls of meney, offering

it all just for the sending of one word

and one in reply that they might know

Mr. Lewis compressed his twitching

ips and waved the money away. Women cried and sobbed, imploring him

to send some word for them. One old

gray haired woman crouched voiceless

at his feet, her lips moving in silent

appeal. Manager Lewis gritted his

A PEN PICTURE AT NEW YORK.

Operator at Oakland Describes Di

NEW YORK, April 19.-With a tele-

graph instrument in the New York ofice of the Western Union company

connected directly with another instru-

at looking across the harbor at San

Francisco, a vivid description of the

appearance of the California metropo-

is, burning rapidly and with its build-

ings now and then tossed into the air

by dynamite charges, was received by

the operator in New York. The tele-

graph instrument operated by the New

York man frequently vibrated from the

earthquake shocks which were at that

moment occurring on the other side of

"The roar of dynamite from the oth-

side of the harbor is almost deafen-

ing at times," ticked the Oakland op-

erator. "They are attempting to blast

out pathways in the city blocks wher-

ever the fire threatens in order to

check its spread. San Francisco is at

buildings and occasionally the timbers

flying from a dynamite explosion. Al-

most all activity except that of dyna-

miting appears to have ceased. The

ferryboats have entirely stopped run-

ning between Oskland and San Fran-

cisco, and no one is allowed to enter

"The shocks here are continuous

some of them being quite severe. They

whenever the earth trembles almost

every one who is under a roof rushes

out of doors. Many of the buildings in

San Francisco were so badly damaged

tinuance of the earthquake shocks."

sale portion of the city, has been swept clean by the fire; also the district inded by Market, Eighth and Folsom streets has been devastated. In of the city's finest and most substantial buildings. The area covered by the fiames up to the present time is about eight square miles, or several hundred ocks. Very little if any water is available, and the blowing up of buildmite is the only means of checking the flames. Most of the buildings untouched by the flames have been greatly damaged by the earthquaks shocks.

The fire is still burning and not un der control, though they now have wa ter for fire purposes.

According to a dispatch fust received by the Western Union, the whole city of Ban Francisco is about gone, espe cially that portion south of Market

The Western Union has telegraphed to General Funston, in charge of the department of the Pacific, asking him so lasue passports for their employees in order to facilitate their reaching the wires in San Francisco. Martial law has so far made it impossible for any one to go from here to the burning

The Western Union Telegraph company says that there is no communication with San Francisco by any route. That company has its chief California office at Oakland, and all messages directed to General Function are being sent to Oakland and will be sent to the general at the earliest possible moent. The dispatch stated that no boats are running.

At Napa many buildings were shattered, and the loss will amount to

Supervisor Fred Horner of Oakland. who has returned from San Jose in his automobile, states that the Agnews asylum, near that city, is a total wreck; that many of the inmates were killed and that the remainder are run ming around loose, terrorizing the com

The superintendent of the institu tion and his wife were both killed. Many buildings have been demolished. Much loss of life is feared.

Two terrible earthquakes have occurred at Salinas, Cal.; loss, \$1,000,000. Reports from cities near here show that the destruction was general. Santa Ross, sixty miles north, is in flames, and the damage is over \$1,000,000. The loss of life is not known.

At Valleto the damage was slight in comparison with that suffered in other cities. The less will be about \$10,000.

CRAZY FOR NEWS.

Mist at the Los Angeles Telegraph

LOS ANGELES, Cal., April 19.-No private messages were sent over the one wire open to San Francisco a part of the day on the Postal Telegraph pany an excited crowd of men and we men surged back and forth, all implor ing the officials to send a message for m to San Francisco and to bring back some word from relatives in perti

Manager Lewis said that there was only one wire in operation and that he had required imperative orders that it
