**PASTOR'S RETURN IS GRATIFYING**

Athens—Our people are very much gratified that Rev. Dr. W. G. Simpson has been returned to the Athens Methodist church. He is a man of superior mental attainments, and is not only eloquent but he has the earnest christian character that draws people to him and gives him a power for good. We learn from the report of conference that the Athens church has been the most prosperous for the last year than it has ever been, and that both financially and spiritually it has attained a high standard that is both commendable and flattering. This, in a large measure, is due to the efforts of Dr. Simpson and his estimable wife, and we feel that their labors are appreciated, not only by the church, which unanimously petitioned for his return, but also by the conference that so readily acceded to the wishes of its people. Usually the church has been behind in its finances, but this year there was a balance in the treasury. They have also contributed \$587 for benevolent objects, and this has been done by the personal appeal of Dr. Simpson without taking collections in the church. He is a good and faithful servant.

Mrs. J. H. Brown, 103 Ferry street, has a fine line of samples of tailor made dress and suit materials which she would like to show the ladies of Athens and vicinity, from the Syracuse Garment Co. Phone No. 133d. 290 m

**MUSICAL ENTERTAINMENT**

Athens—A very fine musical entertainment will be given at High School hall Tuesday evening May 1, in which the pupils of the different grades will take part. The beautiful cantata, "Cinderella in Flowerland," will be given. Miss Gray, the musical instructor of the schools, has been drilling the scholars for this entertainment for some time and they have it perfected so that they will present it in its most attractive form. This is an entertainment in which delightful harmony, beautiful scenery and the charms of childhood, are so blended as to fill every heart with pleasure. We have the full program but have not the space to publish it, and so can only refer to it in a general way. It commences with a chorus of woodland voices from the three schools, making the air resound with weird harmonies, with a refrain from Bye-lo-land. Miss Margaret Stiles will play a violin solo in the opening part. Cinderella, Godmother, Butterflies, Robin Red and Prince Sunshine are all to be represented. It will be an evening of delight to all who attend.

**MISSIONARY CONVENTION**

Athens—A missionary convention will be held in the Methodist church on Saturday afternoon and evening. Miss Cushman, a returned missionary from China, will be present and address the meeting. A fine musical and literary program has been prepared and every body will be cordially welcomed.

The ladies of the Methodist Womens' Foreign Missionary society of the Owego district will hold a convention at the Methodist church tomorrow afternoon and evening. Miss Cushman, a Missionary from China, will make an address at both sessions. In the evening it will be a young people's rally. Large delegations will be present from Wyalusing and other places in the Owego district.
