Irish Emigrants.

Since the census of 1900 was taken nearly 200,000 Irish emigrants have settled in the United States, the year ending with July, 1905, showing a larger number than any year since 1895. A new impetus has been given to Irish immigration within the last two years, a turn which is quite per plexing to those native Irish societies which have been unsuccessfully at tempting to stop the great national leak for so many years.
