## WILL ASK AID FROM THE STATE

Borough Council Decides to Ask Assistance for Road Improvement in Sayre

The borough council held a special meeting last night to take action on a proposition relative to improving certain streets. On May 1 last an act was passed by the legislature providing for the improving of highways in townships and boroughs, the state paying one-fourth the cost thereof, and the borough or township in which such improvement is made liquidating the remainder. The law practically relates to townships only, but section 617 provides that when a township road is completed to a point where it joins a borough line the borough authorities may ask to have such improvement extended through the borough.

Recently the state highway commission granted an application for a state road from Greens Landing to the Athens borough line, but the road is not yet constructed. The Athens borough council met on Tuesday evening for the purpose of asking the commission to extend the improvement through the borough, but the matter, after much discussion, was referred to the council's attorney, practically killing it.

Last night the Sayre borough council met for the same purpose. Attorney Yocum, counsel for the borough, was present and advised that at the present time the commissioner of highways was not in position to grant the request, should it be asked, as the road improvement asked for from Greens Landing to the Athens borough line had not been completed, and until such time as it was, the commissioner had no power to act.

Mr. Yocum also insisted that as the borough of Athens had not yet decided to ask for state aid, that there was a missing link which would in itself preclude the state authorities from taking action.

The matter was given considerable discussion and a resolution was finally passed unanimously to ask the state highway commissioner to give the aid asked for. The road which the borough seeks to improve will commence at the borough line on the south on Keystone avenue, and follow the street car line to the borough line on the north.

According to the provisions of the law, in the event of the request being granted the state will pay three-fourths of the cost, while the borough will pay the remaining fourth. As the street car company under their charter are compelled to pave between the tracks and 18 inches each side of the rails, the cost to the borough for the improvement would be small.

Councilmen West, Hassler and Samuels were appointed a committee to confer with the Athens borough council, with a view to getting that body to rescind their action.

## TOMORROW'S PARADE

The parade will start from the bank corner at 2:30 o'clock sharp and proceed at once to the battle ground. Residents are requested to remain in doors while the parade is passing.

## WELL KNOWN COUPLE MARRIED LAST NIGHT

Thomas Maroney and Miss Kathryn Jordan United in Holy Bonds of Matrimony

At six o'clock last evening at the Church of the Epiphany, the Rev. J. L. Shanley officiating, Miss Kathryn Jordan, daughter of Mr. and Mrs. Thomas Jordan, of 103 Stedman street, and Thomas Maroney, Sayre's well known young business man, were united in the holy bonds of matrimony in the presence of a large number of friends and acquaintances of both the contracting parties.

The bride was attended by Miss Nellie Clark, of Honesdale, while the bridesmaids were Miss Fannie Gartland and Miss Clara Fitzmartin, of Elmira. William Vaill was the best man and the ushers were William Fitzmartin and James Forn, of Elmira; Charles Birch, of Waverly, and Thomas Jordan, a brother of the bride, of this place.

The bride wore a dress of white chiffon over taffeta silk, with veil and carried a bouquet of lilies of the valley.

Following the ceremony a wedding reception was given at the home of the bride's parents. Later in the evening Mr. and Mrs. Maroney left on a wedding trip which will include New York, Philadelphia and Washington. The bride is one of Sayre's most highly respected young ladies, while the groom is the proprietor of a well appointed grocery store on Leckhart street, and is a young business man of excellent character. They will reside in Sayre upon their return from their wedding trip.

## INJUNCTION CASE AGAINST LEHIGH

Wysox Township Commissioners Want to Prevent Company Building a Grade Crossing Near East Towanda.

A preliminary injunction was issued last night by Judge A. C. Fanning restraining the Lehigh Valley Railroad Company, or any of its employees, from laying a track or making a grade crossing over the highway known as the fair ground road, at a point near the East Towanda crossing watch shanty. The petitioners for the injunction are the commissioners of Wysox township.

The notice of the injunction was served on Superintendent Kinney of the Pennsylvania division of the Lehigh Valley this morning by Sheriff Job Griffin. A time will be fixed for a hearing to determine whether it will be made permanent or dismissed. Lilley & Wilson appear for the plaintiffs in the proceedings.

The effect of the injunction will be to temporarily stop all work of improvement at Towanda.

## BENEFIT BALL GAME TO-MORROW

Big Crowd Expected and the Contest Will be a Hot One

The ball game to be played tomorrow afternoon between the druggists and dentists and doctors and lawyers will be attended by a large crowd. Burgess Cross has called upon the business men to close their stores while the game is in progress, and it is quite likely that the request will be generally complied with. The players on both sides are practicing for the event and both sides are confident of winning. Last night the doctors and lawyers held a joint conference and decided upon a plan of action. After the conference, which lasted until nearly midnight and was of a secret nature, it was given out that there would be no doubt of their winning the game. It is intimated from the other side of the game that the doctors, when everything else fails, will probably try to chloroform their adversaries and then have a walk over.

The following is the manner in which the teams will line up:

Doctors and Dentists—McDonald, 1st b; Fish, 2d b; Weeks, s s; Lewis, c; Reese, p; Williams, c f; Carling, 1 f; Rinebold, r f; Murray, 3d b

Substitutes—Everetts, Haines, Kline, Ott, Denison, Andrews, Hunter, LaPlant

Lawyers and Druggists—Winlock, 1st b; Reynolds, 2d b; Driggs, s s; Gillespie, 3d b; Maynard, c; LaPlant, p; Laws, c f; Mercereau, r f; Davis, 1 f.

Substitutes—Evans, Yocum, Cary, Dunham, Newell, Gay.

Umpire—Burgess Cross.

## "SI STEBBINS"

"Si Stebbins" combination, with Dan Darleigh as the lead horse in the team, littered up the boards at the opera house with hay seed and whittings, packed in new jokes and good old fashioned farm talk. The house was full (of solids-not liquids) and all went home satisfied with the portrayal of home life, "way down-east" in the good old times, when people paid their store bills and the doctors and printers never had to send out any duns—and nobody with a two dollar bill tried to trot in a ten dollar race.—Fulton Patriot.
