India's Army Rifle.
The staff of workmen at the Indian government rifle factory at Ishapur has been largely augmented, as it is desired to increase the output of rifles for the army. The army in India is being equipped with the new short rifle, which has been adopted despite the protests against it, but it will be some little time before the distribution can be completed and the necessary reserve of the weapons turned out.

The German Language.
Altogether German is nowadays spoken by about 75,000,000 people. German thus ranks third in number among the four leading languages of Europe, the first being English, the second Russian and the fourth French. These figures do not include the Dutch language. For although Dutch, from a linguistic point of view, represents the low German branch of the Franco-Germanic dialect, it has developed a literary language of its own.

Very Different.

NUPTIAL EVENT

Athens—The following wedding notice taken from the Elmira Advertiser of yesterday will interest the friends of the bride who reside here:

"A very pretty wedding occurred yesterday at 9:30 a. m., at St. Patrick's church, when the Rev. J. J. Bloomer in a nuptial mass united Miss Julia Agnes Hurley and William H. Norton. Miss Josephine Hurley, a sister of the bride, acted as bridesmaid, the groom being assisted by John C. Allen. The bride wore cream lansdowne and carried a white prayer book, the bridesmaid being dressed in white organdie. After the ceremony a wedding breakfast was served to a few friends at their neatly furnished home, in West Second street, only the immediate family being present. The happy couple started at 6 p. m. on their wedding trip to Philadelphia where a sister of the groom resides."

We are greatly pleased at the care given by the authorities to have Main street cleaned and slicked up last Saturday night. The appearance Sunday was a decided improvement over the past conditions, and we hope the same spirit of cleanliness will prevail for time to come.
