Political Announcement

To the Republican Voters of Bradford County: I am formally announcing my candidacy for re-election to the office of Representative in the legislature from Bradford county, I recognize the right of my constituents to know my attitude, both past and future, on those questions which are of such vital importance to the country at large.

I therefore desire to state, that if re-elected, I shall favor the following legislation, and will introduce and work for the enactment of these subjects, viz: The amendment to the Constitution whereby the basis of the representation in the law-making body shall be citizenship and not an indiscriminate population of foreigners centered in the large cities to the prejudice and exclusion of the agricultural districts.

The revision of the tax laws so that all kinds of property and franchises shall pay the same millage on the dollar of valuation. The limiting of all franchises to a reasonable length of time.

The granting to trolley roads of all privileges enjoyed by steam railroads, including the right of eminent domain and the right to carry freight.

The retention of all license fees and personal property tax by the county. The increase of the state aid in the township road law from 15% to 50%.

The granting to the people at large more power to decide some of the more important questions, such as the granting of franchises, municipal ownership of public service corporations and matters of a local character.

The repeal of the iniquitous sheriff's fee bill. The final disposition of petty misdemeanors before a justice of the peace and a jury of six, whereby a large portion of the expense of maintaining the criminal courts will be eliminated.

The enactment of legislation providing for equality of rates charged by transportation companies, both freight and passenger, and a maximum passenger rate of two cents per mile.

The repeal of the present muzzler law by the enactment of a just and equitable libel law.

I respectfully solicit the support of all voters who are in favor of the enactment of this legislation and pledge myself, if re-elected, to use every effort on my part to secure the enactment of the same. Respectfully, L. T. HOYT.
