SUBMARINE RAMMED ESCORT.

Government Boat Had to Be Beached to Avoid Sinking.

NEWPORT, R. I., May 3.—The government tug Mins was rammed by the submarine torpedo boat Porpoise during maneuvers in Coddington cove, and the tug was forced to run full speed for the shore to escape sinking.

The submarine Porpoise (Lieutenant Knowlton) and Shark (Lieutenant Sharpley) were making a number of tests in Coddington cove, with the Mins acting as escort. The Porpoise in coming to the surface at a good speed struck the Mins on the starboard bow below the water line and stove a small hole a few feet from the bow.

The forward compartment filled with water, but Chief Boatswain Sullivan, who was commanding the tug, swung her around and headed for the shore, at the same time ringing for full speed. The tug's bow was well down when she grounded on the sandy beach. The Porpoise was not injured.

Chicago to Have Unique Theater.

It will be called the New theater, and Steinway hall, which is situated in the hotel and theater quarter, will be re-modeled at an expenditure of \$50,000. Victor Mapes, the director, will make a great effort to give artistic and correct productions. There will be a smoking room and a buffet for both men and women, where teas, candies, coffee and chocolate can be had during all performances, and tea will also be served at matinees after the manner of the better class of houses in Paris.

Tiffany Robbed by Old Employee.

NEW YORK, May 3.—On his own confession that he had robbed Tiffany & Co. of \$5,000 by padding payrolls and suspected also of the theft of the three pear shaped diamonds valued at \$25,000, which disappeared in April of last year, John B. Brouseau, for thirty-five years a trusted employee of the firm, was arrested here. The theft was revealed by an expert examination of the books, and it is expected that the total will greatly exceed the sum of \$5,000 charged in the complaint against Brouseau.

AUTO WRECKED FARMER'S BUGGY

Waverly—James Morris, a well known farmer who resides at Williama, had a collision with an automobile last Wednesday afternoon, in which his buggy was badly wrecked, his horse thrown down and he himself badly bruised. Mr. Morris, who is a man over 70 years of age, had been to Waverly and was on his way home. He had a spirited young horse and was driving along through the narrow roads of Williama, where the road is only wide enough for two wagons to pass when he saw a large automobile approaching it at a high rate of speed. He motioned to the occupants of the car to stop but they paid no attention. The horse became badly frightened and the machine struck the horse, knocking him down, and smashing the wagon. Mr. Morris was thrown to the ground and received some bad bruises and cuts. The occupants of the machine were badly frightened and wanted to settle on the spot. They handed \$25 to the injured man, who was dazed, and sped on their way. The \$25 will not cover the damage suffered. Mr. Morris did not know the parties, who seemed to be strangers in this locality.
