### A NOTICE TO ICE CONSUMERS

Inasmuch as Waverly ice men have misrepresented matters by saying that I am not going to engage in the ice business this year, I will state that I will be at the service of my patrons as usual, except below Frederick street, for which I have arranged to supply. We will pardon their statements as they are due to their inability. Am filling orders at present at any point in the city. As soon as the weather man furnishes the required temperature the establishment of my previous routes will be made, then I will endeavor to render prompt service. Therefore I solicit the patronage of my many patrons.

Respectfully, F. J. Tillman.
