**CLOTHING ON CREDIT**

**EVERY GARMENT IS STYLISH HIGH GRADE AND LOW PRICED**

Not to be seasonably and stylishly clothed these days excites suspicion and invites sympathy. Now neither is wanted, but the sure way to avoid both is to "keep up." This is all very well with those who have plenty to spare but to those who do not our plan of dignified accommodation credit appeals with especial force. By paying a small amount at purchase time you can get your clothes at once and then pay a little every week.

By taking advantage of our plan the problem of "keeping up" becomes an easy matter and does not attack the purse so vigorously as does the payment of the cash in one lump. For quality, workmanship and style our stock of Spring garments leaves nothing to be desired.

We are anxious to serve you, therefore we suggest you call without delay.

**Outfitters for Men, Women and Children**

**Very Nobby Men's Suits \$7 TO \$25** | **Attractive Ladies' Suits \$8 TO \$30**

The garments for the men are very desirable and worthy. Being made by union workmen purchasers are assured of clothing which have no lurking germs which often come in suits and overcoats made in the sweat shops. The fabrics, the attractive prices, the quality of the materials are notable features of our stock.

The style and general character of our clothing at once show to the purchasers that they are buying suits of quality and therefore are receiving splendid values.

Our spring overcoats at \$10, \$15 and \$19 are equally good values and embody all the details of stylish garments.

Stylishly stunning suits in novel effects and artistic designs. There are so many shades in vogue that even the most particular and those who want something different will have no difficulty making a selection. Our showing is such that we can meet all demands.

The Eton Jacket with its "soft fluffiness and feminine frills" is very popular. Nothing is smarter or more jaunty than the waist line jacket. We have every other model and style and an inspection of our offerings will at once command your attention and give you pleasure.

Select your garment and pay a little every week.
