SHOT FROM AMBUSH

American Vice Consul at Batum Victim of Assassins.

STOESSEL AND NEBOGATOFF TO DIE

mander at Port Arthur and Defented Admiral-Douma Quiet tfter the Corm.

ST. PE Las LG, May 22-A special dispatch from Batum says that William H. Stuart, the American vice

Mr. Stuart, having dined at the house of a friend, was returning to his piles from Batum, when he was fired on twice from a clump of trees half a

Novo Rossilsk, who was a guest at Mr. Stuart's house, hearing the shooting, purried out, with the servants, and ound Mr. Stuart lying on the ground, deeding from his wounds. He was till conscious, but said he would not e able to recognize his assassin owing

GENERAL STOESSEL

the darkness. Mr. Stuart was conreyed to a military barracks in the viinity, where he expired two hours later. The body was transported to the consulate at Batum.

Aside from the troubles during the revolutionary disturbances last fall Mr. Stuart had had no friction with the native population. He was so generally respected that he was on several ecasions called upon to act as inter rediary during the racial war between the Tartars and the Armenians, saving the lives of several of the latter during

of age, had spent the greater part of n Batum. Besides his official connecions he had extensive business rela dons throughout the entire Caucasus. He spoke several native dialects and was considered an authority on laud. The police have no trace of the mur-

ne of the largest ship brokers and exporters of Batum. During the revoluwas many times threatened by longshoremen, and at Christmas a deputaion visited Mr. Stuart's office and practically compelled him to give them \$1,500 under the guise of a holiday

It is said that the military court which has been investigating the surrender of Port Arthur and the battle of the sea of Japan has condemned to death Lieupanded the Russian forces at Port Arthur, and Rear Admiral Nebogatoff, who commanded one of Admiral Roestvensky's squadrons and who surrendered during the naval battle to the

Japanese. Count Solsky, president of the upper louse of parliament, has been notified terms identical with the reply to President Muromtseff of the lower ouse that the address of the upper ouse should be presented to the emperor through Baron Fredericks, the inister of the imperial house.

The storm which threatened to break ut over the refusal of the emperor formally to receive the deputation appointed by the lower house of parliadress of the house in reply to the speech from the throne has happily een averted. The moderate leaders of the Constitutional Democrats, after laboring with the hotheads until the early morning hours, succeeded in convincing them that it would be a fatal blunder to precipitate a conflict upon a false issue, and a resolution was prepared pointing out that the importance the address consisted in its contents and not in the manner in which it is

BOMB FOR COUNT KELLER.

transmitted to the emperor

Russian Colonel Wounded in Thirty

KALISZ, Russian Poland, May 22second attempt on the life of Count Keller, a colonel of dragoons and nephew of Lieutenant General Count Keler, who was killed July 29, 1904, during the war with Japan, was made by tributor to Methodist periodicals, is omb at the colonel while he was rid- wich, sged eighty-three years.

Colonel Keller, though receiving more than thirty wounds from splinters of the bomb, was saved from instant death by the too good alm of his assallant, the bomb exploding directly horse, which received the major por i tention to withdraw.

The explosion shattered the windows in all the adjacent houses and ruptured ed to escape, but became entangled in a hedge and was arrested by pursuing soldiers, who were forced to use their sabers before they could subdue him He was severely wounded. Colonel Keller's activity in suppress ing disturbances here and in this vicinity had made him many enemies.

Stoessel's Doom Sealed. COLUMBUS, O., May 22.-David Boonsul here, was shot and killed at his Balkan campaign, sald regarding the school, concluded his course with an
