IN POLICE CIRCLES

Waverly—Michael Conovan, who hails from Dushore, acquired a jag last night, and started to run VanNostran's saloon. He started in at the wrong place however, and was thrown out. He was then arrested and locked up over night. This morning he admitted being drunk, and said that so far as he could remember the proceedings he was rather "a bad actor." He was fined \$5 which he cheerfully paid and was allowed to go.

Ed. Green, a hard looking citizen from Elmira, was also placed in durance vile and run out of town this morning.

DISORDERLY HOUSE RAIDED BY POLICE

Two Women Sent to County Jail for Four Months Each, While Male Visitors Pay Five Dollar Fines

Waverly—Chief Brooks and Officers Gridley and Corcoran went to 115 Providence street at about 2 o'clock this morning and arrested two men and two women. The woman who rents the house, and whose name is Barton, was charged with keeping a disorderly house, and the other three with aiding and abetting the same.

The men put in a plea of guilty and were each fined \$5, which they paid. The women each put in a plea of guilty and were brought before the justice this morning and each given a sentence of 4 months in the county jail.

The circumstance that made the offense particularly aggravating was the fact that the Barton woman has four children living in the house whose ages range from 4 to 13 years.

The father of the children has been located near VanEtten, and Supervisor F. L. Howard went there this morning to see him and have him take care of the children.

TREE FELL, BROKE LUMBERMAN'S LEG

Ricketts' Laborer Met with a Serious Mishap Yesterday

Edward Garrity, a lumberman employed near Ricketts, was brought to the hospital last night suffering from a compound fracture of the bone in the lower third of the left leg. Garrity was assisting in felling a tree and when the tree struck the ground it jarred another one so much that the latter also fell, striking Garrity with such force as to crush him to the ground, breaking his leg as above stated.

CONDITIONS IMPROVED

County Commissioner M. J. McNulty was in Sayre this morning to investigate the conditions at the home of Reed Martin on Thomas avenue. Mrs. Martin is in a serious condition, the result of St. Vitus dance, and some time ago proceedings were instituted against her husband, the neighborhood alleging that he had failed to give her proper care. His case came up before Judge Fanning but was withdrawn and an order of relief was granted. This morning when Commissioner McNulty visited the Martin home he found conditions greatly improved. A woman has been employed to care for Mrs. Martin and the probabilities are that unless she gets much worse there will be no cause for further assistance on the part of the commissioners.

WANTS HIGHER AWNINGS

A tall man—one of the tallest in Sayre—remarked to a Record representative the other day that he would insist upon an ordinance being passed prohibiting awnings being less than seven feet from the ground. The tall man had just picked his hat from the dust, it having been knocked from his head by one of the low hung sun protectors. As a matter of fact there are many awnings hung too low, and a man of the average height can not walk under them without doubling up like a kangaroo. Wouldn't it be wise to look into the matter and follow up the suggestions of the tall man.

Political Announcements

I hereby announce myself as a candidate for Jury Commissioner on the Republican ticket, subject to the rules governing the Republican primaries to be held June 18th next. S. A. BLISH. Sayre, Pa., May 15, 1906.

To Bradford County Republicans:

I herewith present my name as a candidate for Representative in the Pennsylvania Legislature, subject to the rules of laws giving a straight, uniform two cent fare on all railroad lines. That trolley roads shall have the vested right to transport freights. A revision of our tax laws to the end that corporations shall contribute to relief of local taxation and be compelled to bear their share of the burden of tax. The same to be used for free schools or such other purpose as our people may desire. All laws to be drawn plain, clear and distinct so there shall be no doubt as to intention and purpose.
Edmund M. Tuton,
Bentley Creek, Pa.

To the Voters of Bradford County:

I hereby announce myself a candidate for Representative subject to Republican rules. I have always stood for clean politics, a fair ballot and an honest count, and I believe in "a square deal for all." If elected I will vote and work for such laws as will further these ends. I favor the passage of laws making passenger rates two cents a mile, also for more liberal appropriations for schools to the end that equalize taxation and compel corporations to bear their proper share of the burden, the granting of freight privileges to trolley companies, and a libel law that is just and equitable. Pledging myself to the interests of the people, I respectfully solicit their support at the coming primaries.

I favor the enactment of a law permitting trolley lines to carry freight; also law to enforce the provisions of the Constitution relating to railroads and other carrying companies (see Art.
