ATHENS. Eben Brown went to Laceyville today where he is working. Elmer Gregory and Bert Campbell went to Towanda today. Miss Esther Macafee of Sheshequin was calling upon her Athens friends today. J. W. Beaman, Esq., went to Troy this morning, where he will remain over Sunday. Miss Myrtle Taylor went to Towanda this morning to visit relatives for a few days. Mr. and Mrs. J. T. Stalford spent the day in Owego as guests of Mrs. Stalford's parents. Miss Ellen Leary of Bentley Creek has been visiting her friend, Miss Hannah Leary, and returned home today. Mrs. Leslie Mings and children have been the guests of friends in Athens the past week and returned to Burlington today. The ladies of the high school will hold a candy sale at Sanford's drug store Saturday afternoon and evening. The sale is given by the freshmen for the benefit of the juniors. A valuable English setter dog belonging to A. W. Corby was killed by the street cars at corner of Spruce and Main street yesterday afternoon. Warren Harper and wife, Mrs. Victor Howe and two sons, and John Swartwood and family went to Wysox this morning to attend the burial service of Victor Howe. Frank Burney had another fit yesterday afternoon while near the Chemung river at the old dam, foot of Harris street, and Chief Mulligan and Officer O'Brien were summoned to take him home. They found him insensible and were obliged to get a conveyance to get him home.

Mrs. Charles Edwards of Poulton, Vt., has been the guest of her sister, Mrs. Dr. McClarty, and today she went to Buffalo where she will meet her husband and from there they go on a western trip. The Misses Bessie Snyder and Mattie King of Sheshequin were the guests of Athens friends a short time today and then went to Sayre to take teachers' examinations. A very interesting meeting of the N. P. A., was held in Grand Army hall last evening and ten new members were received. C. J. Dun of Williamsport, National secretary, was present and addressed the meeting and Manning Elsbree, Miss May Carmon and Miss Bourse gave recitations. There was a bunch of young men advertisers of the National Biscuit company unloaded themselves from the train this morning each with a suit case in hand and they marched around town looking for four leaf clovers in the Herrick meadow. They created considerable curiosity until it was found what they were after. The Ladies' Aid society will hold a birthday party at the Presbyterian church parlors this evening. Their invitations are accompanied by a dainty silk bag in which it is requested that the person shall place as many pieces of money as they are years old. The ladies promise secrecy and state that they will not reveal the age of any in attendance.

BENEFICENT EFFECT Athens—The ladies of the village, through their committee, Mrs. E. M. Cowell and Mrs. H. F. Maynard, have been making an effort to keep the streets free from garbage and to improve the sanitary condition of the town. This has already had a beneficial effect as the grocers no longer leave their waste material on the streets. E. B. Carner has placed a large tin garbage can in front of his store, into which all refuse matter is thrown. Let others follow in this good work.
