The violin is dated 1671, and is marked by the name of Josef Guanairis, one of the famous old violin makers. Mr. Smith has a complete record of the instrument for the past 190 years. It is sound in every way, and has never received the slightest injury so far as can be seen.

DECORATION DAY SERVICES ARRANGED

Graves to be Decorated, Parade in the Afternoon, Close Observance Urged

Waverly—The members of the local camp of the S. of V. will meet at the hall on Memorial Day and will be assigned to details to decorate the graves in the three cemeteries.

The parade will start at 1 p. m. and all Veterans and Sons of Veterans are invited to take part in the services whether they are members of the local camp or not.

It is urgently requested that all Sons of Veterans will be present and assist in the observance of the day. The old veterans are rapidly diminishing in numbers, their ranks grow thinner every year, and it is only a matter of a short time before the S. of V. will be called to take up the work that they have so nobly begun.

Decoration Day has come to be considered a day for sport and pleasure. This should be changed and it should be observed by all as one of homage and respect for those who gave their lives for the preservation of the union.

Political Announcements

I hereby announce myself as a candidate for Jury Commissioner on the Republican ticket, subject to the rules governing the Republican primaries to be held June 18th next. S. A. BLISH, Sayre, Pa., May 15, 1906.

To Bradford County Republicans: I herewith present my name as a candidate for Representative in the Pennsylvania Legislature, subject to Republican rules. I stand for the enactment of laws giving a straight, uniform two-cent fare on all railroad lines. That trolley roads shall have the vested right to transport freights. A revision of our tax laws to the end that corporations shall contribute to relief of local taxation and be compelled to bear their just share of the burden of tax. The same to be used for free schools or such other purpose as our people may desire. All laws to be drawn plain, clear and distinct so there shall be no doubt as to intention and purpose. Edmund M. Tuton, Bentley Creek, Pa. 14-1d

To the Voters of Bradford County: I hereby announce myself a candidate for Representative subject to Republican rules. I have always stood for clean politics, a fair ballot and an honest count, and I believe in "a square deal for all." If elected I will vote and work for such laws as will further their purpose. I favor the passage of laws making passenger rates two cents a mile, also for more liberal appropriations for schools to the end that local taxation for that purpose may be reduced to the lowest possible limit and for such additional aid for road building and maintenance as the best interests of the people demand. I particularly favor the enactment of laws that will equalize taxation and compel corporations to bear their proper share of the burden, the granting of freight privileges to trolley companies, and a libel law that is just and equitable. Pledging myself to the interests of the people, I respectfully solicit their support at the coming primaries. GILES M. COONS, Canton, Pa., May 10, 1906.

The undersigned announces himself a candidate for the nomination of Jury Commissioner, subject to the rules of Democratic party of Bradford County. J. E. GRAHAM, Towanda, Pa., March 30, 1906.

To the Republican voters of Bradford County: I hereby announce myself a candidate for Representative, subject to Republican rules. I am in favor of reform legislation, to the end that corporations shall bear their just share of taxation. I favor the enactment of a law permitting trolley lines to carry freight; also law to enforce the provisions of the Constitution relating to railroads and other carrying companies (see Art. XVII of Constitution). I am also in favor of two-cent fares on railroads. George Moscrip, 288

I hereby announce myself a candidate for Jury Commissioner, subject to the rules of the Republican party. CHARLES SCOTT, Liberty Corners, Monroe Twp., 4-jun16

To the Republican Voters of Bradford County: I hereby announce myself as a candidate for Representative in the Pennsylvania Legislature from Bradford county, subject to the rules of the Republican party. If elected I will work for and vote for the enactment of laws allowing trolley roads to carry freight, establishing two cents a mile fare on steam roads, compelling corporations to bear their proper share of taxation, providing for the entire expense of the public schools from the state funds, and for such other measures as may be demanded by the people of this county.
