A large crowd from Sayre attended the circus at Waverly this afternoon. The show was first-class in every respect. The indications are that another large crowd will be in attendance this evening.

An exchange says: "The Cuban Giants will leave Owego." "If they don't take more Owegoans with them," says the Record, "than attended the game on Tuesday, they will leave about all of Owego at home."

FREIGHT CAR BURNED AT COXTON

Car Was Loaded With Steers Which Were Released, But Were Badly Burned

A stock car attached to an east-bound extra freight train on the Lehigh Valley caught fire near Coxton yesterday afternoon about 5 o'clock, and as the train's crew had no means of fighting the flames the car was burned to the ground. The fire was discovered by the engineer who stopped the train as quickly as possible. The car on fire was loaded with western steers, 13 in number, and these were all taken out alive, although some of the animals were badly burned. The burning car was cut loose from the remainder of the train thereby saving an expensive conflagration. The origin of the fire is not known but it is presumed to have been started from a spark from the engine which landed in the hay which the car contained.

Information received since the above was written is to the effect that all but one of the steers were so badly burned that they either died of their injuries, or else were shot to relieve them of their suffering.

BUSINESS MEN WANT NEW GUTTER

Condition Along Desmond Street Warrants Residents in Circulating Petition to Council

A petition is being circulated by the business men on Desmond street for a concrete gutter to be constructed along the west side of that thoroughfare. The petition is signed by nearly every person residing on the street and it will be presented to the council at the next meeting of that body. Yesterday the gutter was cleaned by Street Commissioner Fields, and the odor which arose from the mass of filth and refuse which collects in the low places in the present gutter is not only decidedly offensive to the smell but is also unhealthful. A concrete gutter would be much easier cleaned and the street would thereby present a much more pleasing appearance.

DR. MAGEE'S PICTURE

Chief Walsh has received from Chief Cassidy of Elmira a picture of the notorious Dr. Magee, the clairvoyant and fakir who escaped from the Chemung jail during the fore part of the week. The picture shows the "doctor" to be a man past the half century mark and his face might be mistaken as one belonging to a prosperous business man or a minister of the gospel. Since taking leave of the Elmira jail no trace of the man has been found. It is exceedingly doubtful if he is ever apprehended.

THE ORGAN RECITAL

The organ recital at the Church of the Redeemer last night was well attended, the entire seating capacity of the large auditorium being filled. The recital was probably the finest ever listened to in Sayre. Organist Shepherd of Wilkes-Barre, rendered several selections of a high order of merit. The new organ is without doubt the finest in this section. It cost in the neighborhood of \$3,000 and is up to date in every respect.

OPEN AIR MEETING

Another open air meeting was held on the east side last night at the corner of East Lockhart and River streets. The meeting was attended by a large audience composed principally of people residing in the neighborhood.

FINE SHOW AT WAVERLY TODAY

Col. Cummins' Wild West Circus Gave a Fine Parade and an Excellent Exhibition

Colonel Cummins' Wild West show arrived in Waverly this morning early and immediately took possession of the Howard street grounds where acres of canvas were soon put up, and at 10 o'clock everything was in readiness for the big parade which traversed the principal streets of the town, eliciting applause from thousands of human beings which literally packed the main thoroughfares. A special feature of the parade was the newness of the equipment. Everything is brand new, and the parade was without doubt the longest and best ever witnessed in Waverly. Walter L. Main, the world's famous showman, known from one end of the country to the other, has recently assumed management of Col. Cummins' Wild West, and his experience of years has been devoted to making it the best on the road. In a word he has succeeded in his undertaking and today Waverly has witnessed one of the best and cleanest exhibitions of its kind that has ever visited this section.

The show this afternoon was attended by a large crowd, the huge tents being packed to the doors. There are numerous startling and entertaining acts, showing the skill of the horseman, the acrobat, and in fact feats of an entirely new nature. The great fire and flame spectacle was alone worth the price of admission and those who saw it declare that it was the most thrilling scene their vision had ever beheld. Another performance will be given this evening, and every act will be produced the same as this afternoon.
