We Can Make You A Suit to Order NOW IN A REASONABLE TIME.

Our merchant tailoring department was so unusually rushed with orders up to this week that we could not promise suits before at least a month after measures were taken. In some instances we were compelled to disappoint several—to those we wish to apologize. Now that every measure is in work, we can promise suits from one to two weeks. The men who voluntarily held back their orders are asked to call and select their favorite suitings and we will immediately turn them out in the same snappy, stylish and satisfactory way as all our made to order suits are characterized. We wish to state that while our business in the "made-to-order suit" department was greater this season than ever before, we still show a large and varied variety of woolens which are recent arrivals from the woolen looms. The patterns are new and sedate.

SUITS TO ORDER \$20.00 UP.
