FOR CHARITY'S SAKE ONLY

Scheme for Corraling Her Husband's Loose Change Worked by Wife.

A West Philadelphia man who determined a few days ago to abstain totally from strong drink for a period was persuaded by his wife into a financial arrangement which threatened to work disastrously, relates the Philadelphia Record.

The agreement was that every time the man refused an invitation to take a drink he was to put the money which he would probably have spent in returning the compliment into a pocket reserved for the purpose and give the contents of the pocket to his wife every night. She was to use this money for charity, and for fear the husband might not have always the exact change to put in the pocket she provided him with a number of beans to be used as counters, valued at five cents each, and to save bookkeeping and memorizing.

The first evening the man got home he found 45 cents in cash in his pocket and 23 beans. This marked a very exceptional day, the man declared, but the next evening he found his pocket carried one dime and 33 beans. Then he alleged that he would probably have refused some of the invitations which he had counted even if he had not been on the water wagon, whereupon his wife confessed that she had made arrangements with her father, her brother and her sister's husband to go to the abstinence every day as often as possible with an invitation to drink.

Since it all went to charity the husband took the joke, but now, though the arrangement is still on, the wife's receipts from the pocket have materially lessened.

Few Exceptions.

It is stated by the attorney for Mrs. Clarence Evans, who was indicted for bigamy last Monday that she has a very good defense to the crime charged. There is a very strong doubt as to any real guilt on her part, and all who are acquainted with the facts of the case hope to see her released.

STORE BURGLARIZED AT NORTH WAVERLY

Property Taken Valued at Twenty-Five Dollars—No Clue to Guilty Parties

Waverly—The store of J. N. Hoyt at North Waverly was burglarized some time last night or early this morning. The thieves gained entrance by prying open a shutter, then breaking the window pane, unfastening the catch of the window and pushing it up. The value of the property taken amounted to about \$25 and consisted of tobacco, cigars, a box of pipes, and some brown stockings. No clue as to whom the criminals might be has as yet been obtained. Suspicion pointed to a band of Gypsies that passed through Waverly yesterday, but it is thought by the authorities that some others were the guilty parties.

NEW STORE OPENS

Ackley and will open with a full line of gent's furnishings on Saturday next. A large consignment of goods arrived yesterday and this morning Mr. Spero and his assistants were busily engaged in arranging them on the shelves.

A band of gypsies passed through Waverly this morning, and they were certainly a hard looking lot. They were in Elmira a few days ago and were run out by Chief of Police Cassada.

SAVED HIS GIRL BUT HIS BOY DROWNED

Sad Accident Occurred Near Green's Landing Last Night

A drowning accident occurred near Green's Landing last night about 12 o'clock. A man named White, accompanied by his two children—a small boy and girl, were driving across a bridge that spans the creek which runs down Wolcott Hollow. The creek was swollen to many times its normal size. Mr. White drove over the bridge in safety but when he reached the end the horse stumbled into a hole six feet deep that had been washed away near the approach of the bridge. The occupants of the wagon were thrown out. White managed to grab hold of his little girl in time to save her from falling into the stream, but the little boy, about six years old, was precipitated into the creek and drowned. His dead body was found near Sheriff Job Griffin's place this morning.

Political Announcements
I hereby announce myself as a candidate for Jury Commissioner on the Republican ticket, subject to the rules governing the Republican primaries to be held June 18th next. S. A. BLISE, Sayre, Pa., May 16, 1906.

To Bradford County Republicans:
I herewith present my name as a candidate for Representative in the Pennsylvania Legislature, subject to Republican rules. I stand for the enactment of laws giving a straight, uniform two cent fare on all railroad lines. That trolley roads shall have the vested right to transport freight. A revision of our tax laws to the end that corporations shall contribute to relief of local taxation and be compelled to bear their just share of the burden of tax. The same to be used for free schools or such other purpose as our people may desire. All laws to be drawn plain, clear and distinct so there shall be no doubt as to intention and purpose. Edmund M. Tuton, Bentley Creek, Pa. 14-1d

To the Voters of Bradford County:
I herewith present my name as a candidate for Representative subject to Republican rules. I have always stood for clean politics, a fair ballot and an honest count, and I believe in "a square deal for all." If elected I will vote and work for such laws as will further these ends. I favor the passage of laws making passenger rates two cents a mile, also for more liberal appropriations for schools to the end that local taxation for that purpose may be reduced to the lowest possible limit, and for such additional aid for road building and maintenance as the best interests of the people demand. I particularly favor the enactment of laws that will equalize taxation and compel corporations to bear their proper share of the burden, the granting of freight privileges to trolley companies, and a libel law that is just and equitable. Pledging myself to the interests of the people, I respectfully solicit their support at the coming election. GILES M. COONS, Canton, Pa., May 10, 1906.

The undersigned announces himself a candidate for the nomination of Jury Commissioner, subject to the rules of Democratic party of Bradford county. J. E. GRABAM, Towanda, Pa., March 30, 1906.

To the Republican voters of Bradford County:
I hereby announce myself a candidate for Representative, subject to Republican rules. I am in favor of reform legislation, to the end that corporations shall bear their just share of taxation. I favor the enactment of a law permitting trolley lines to carry freight; also law to enforce the provisions of the Constitution relating to railroads and other carrying companies (see Art. XVII of Constitution). I am also in favor of two cent fares on railroads. 288 George Moscrop.
