He was taken to the you would like to enjoy a pleasant should be levied for this purpose hospital for treatment. evening go over and attend the and then turn around and do the

by Special Officer Wilson and Fined One Dollar Each and

Special Officer George Wilson Shepard's creek near the old the first time that any of the lads were ever/under arrest, and the offense with which they were charged a trivial one, The Record forbears to give their names. The lads, whose ages range from 12 to 17 years of age, were brought before lollar each and the costs making three dollars each in all. Friends of the young men raised the money and they were released.

There is an ordinance prohibiting wimming in the borough limits without tights or covering for the person, and the lads were taken in custody by the special officer under the provisions of this ordinance.

All the boys are employed by on Park place. the Lehigh Valley in the shops and two of them assigned their time to get money with which to cuse this afternoon for a few days liquidate their fines. One little tellow who declared that he earned only 80 cents a day, and that he supported his mother out of this amount, refused to pay the fine and costs, and he was released.

PLEASED BIG AUDIENCE

and replete with sensational situations, pleased one of the largest audiences of the season at the park theatre was taken and the audience. judging from the frequent applause, creditably presented and each member of the cast was admirably suited to his or her part. It will be repeated this evening. Last night "The Great Train Robbery" machine. This is one of the best pictures in the business and never fails to please. This will also be repeated this evening.

ODD FELLOWS MET

The local order of Odd Fellows William Fisher, an engineer em. held a meeting last night and conployed by the Lehigh Valley, was ferred the initiatory degree upon overcome by the heat yesterday three candidates. TOWN HALL PLANS

It is expected that the preliminary plans for the new town hall will of proportion to the amount involvbe here by the first of the coming ed in the transaction. week in which event the committee having charge of the matter will conducted by Miss Mary Warner years old, and why he went under hold a meeting for the purpose of making any changes that may be desired. The committee have been given authority to take full charge Overton this morning to visit her of the plans and it is likely that ere father, C. F. Brown. many weeks Sayre will see the start of a new municipal building.

PUMP HANDLE ORDERED

Borough Clerk Mercereau stated today that a new handle had been ordered for the town pump on the Desmond street park. The old one was broken a few days ago, since which time the thirsty ones

STEADY GROWTH BEATS A BOOM

Considerable Activity Among the Builders and Indications That Business Will Be Good Here This Summer

A number of dwellings are going up in various parts of the borough While building operations are not as brisk as summer before last, yet the activity in this direction is very noticeable. Real estate quotations firm and the transfers that have been made recently indicate that values are established on a solid basis. Property owners are making improvements that add to the value of their holdings. On every hand one sees new cement walks being laid and dwellings being repainted. Desirable houses are all occupied, there is but one vacant store room in the town, and the indications are that business will be good during the summer. Sayre is having the sort of growth now that makes for permanence.

NIGHT OFFICER

Chief Walsh This Morning

This morning Night Officer William Corner, who has been a member of the local police force since last fall, handed his resignathe teachers in the Sayre high tion to Chief of Police Walsh tendering his resignation at this time are unknown. His beat in West Sayre will probably be taken by Special Officer Jay Lewis until the next meeting of the borough council, when his successor will be duly appointed. The position only pays \$45 per month and it L. M. Osborne of the First Na. appears to be a difficult matter to
