AN INNOVATION The Best Bargain We Can Print

Instead of waiting until after July 4th (as is the custom) before sinking the knife into prices, we do it now. Our policy demands that all outer garments be sold within the season for which they were designed. That we are determined to accomplish our purpose is shown in the price deductions, which, needless to say, are bona fide. The original figures are on all wool garments, from which you figure one third off. That means:

GRADUATION AT ATHENS HIGH SCHOOL
Athens—The Commencement exercises of the graduating class at Athens high school last evening were witnessed by a crowded house and were of a very high order. As there were 23 graduates it is impossible for us to speak of them separately as they deserve, and so we will say that all were very meritorious. Superintendent Rogers has given full evidence that his qualifications as an instructor and disciplinarian are fully up to the requirements of the times, and that his systematic course of study brings out the best possible capabilities of the students. He is eminently practical and this quality seems to have been infused into the minds of the students. The able corps of teachers, too, deserve the commendation of our people.

D. W. Tripp was elected a representative of the Department of Pennsylvania to attend the National Encampment of the Grand Army in Minneapolis next August. This is a distinguishable honor, for the office is eagerly sought for by comrades all over the state of Pennsylvania.

DISTINGUISHED RECORD.
Athens—The Department of Pennsylvania Grand Army encampment held at Altoona this week closes the official term of Commander Andrew Wilt, and he has made a record of distinguished excellence. His visitations to posts all over the state have put him in close touch with all of the comrades, and have resulted in keeping up the numerical strength of the order notwithstanding the large losses by death. A committee will be appointed by the incoming department commander to procure a testimonial for him which will be presented at a meeting of his post in a short time, and C. T. Hull is to make the presentation. No doubt an open meeting will be held at the time, to which the public will be invited.

The Encampment was one of the most harmonious ever held; there was no strife for office, all of them having been elected by acclamation. The new officers are Milton A. Gherst of Reading, Commander; Major Geo. W. Merrick of Wellsboro, S. V. C., and Joseph E. Clark of Washington, J. V. C. Rev. Dr. John W. Sayre of Philadelphia was elected Chaplain for the thirty-fifth year; Chas. A. Snyder of Philadelphia was appointed Assistant Adjutant General and Lewis W. Moore, of Post 1, Philadelphia, is the new Assistant Quartermaster General.
There was considerable strife over fixing the place of next year's encampment. Gettysburg and Easton each invited the association to these cities. Easton was chosen by a large majority.

Political Announcements
I hereby announce myself as a candidate for Jury Commissioner on the Republican ticket, subject to the rules governing the Republican primaries to be held June 16th next. S. A. BLISH, Sayre, Pa., May 15, 1906.
The undersigned announces himself a candidate for the nomination of Jury Commissioner, subject to the rules of Democratic party of Bradford county. J. E. GRAHAM, Towanda, Pa., March 30, 1906.
To Bradford County Republicans: I herewith present my name as a candidate for Representative in the Pennsylvania Legislature, subject to Republican rules. I stand for the enactment of laws giving a straight, uniform two cent fare on all railroad lines. That trolley roads shall have the vested right to transport freight. A revision of our tax laws to the end that corporations shall contribute to relief of local taxation and be compelled to bear their just share of the burden of tax. The same to be used for free schools or such other purpose as our people may desire. All laws to be drawn plain, clear and distinct so there shall be no doubt as to intention and purpose.
Edmund M. Tuton, Bentley Creek, Pa.
14-td

To the Voters of Bradford County: I hereby announce myself a candidate for Representative subject to Republican rules. I have always stood for clean politics, a fair ballot and an honest count, and I believe in "a square deal for all." If elected I will vote and work for such laws as will further these ends. I favor the passage of laws making passenger rates two cents a mile, also for more liberal appropriations for schools to the end that local taxation for that purpose may be reduced to the lowest possible limit, and for such additional aid for road building and maintenance as the best interests of the people demand. I particularly favor the enactment of laws that will equalize taxation and compel corporations to bear their proper share of the burden, the granting of freight privileges to trolley companies, and a libel law that is just and equitable. Pledging myself to the interests of the people, I respectfully solicit their support at the coming primaries. GILES M. COONS, Canton, Pa., May 10, 1906.

I hereby announce myself a candidate for Jury Commissioner, subject to the Republican rules. CHARLES SCOTT, Liberty Corners, Monroe Twp., 4-3jun16*

To the Republican voters of Bradford County: I hereby announce myself a candidate for Representative, subject to Republican rules. I am in favor of reform legislation, to the end that corporations shall bear their just share of taxation. I favor the enactment of a law permitting trolley lines to carry freight; also law to enforce the provisions of the Constitution relating to railroads and other carrying companies (see Art. XVII of Constitution). I am also in favor of two cent fares on railroads.
George Moser, 288
Dr. C. L. Stevens, 2d Ward, Athens.

To the Republican Voters of Bradford County: I hereby announce myself as a candidate for Representative to the Pennsylvania Legislature from Bradford county, subject to the rules of the Republican party.
If elected I will work for and vote for the enactment of laws allowing trolley roads to carry freight, establishing two cents a mile fare on steam roads, compelling corporations to bear their proper share of taxation, providing for the entire expense of the public schools from the state funds and for such other measures as may be demanded by the people of this county.

Permanent Dentistry
A quarter of a century ago we placed some gold fillings in the teeth of a well known gentleman at present a resident of Sayre. These fillings today are just as bright, firm and useful as the day they were made. We will tell you the name of the party, if you wish to see him yourself.
There are variations in dental workmanship, just as there are differences in the various brands of flour. If you desire the highest degree of proficiency—the skill and knowledge that will make YOUR fillings serviceable twenty five years from today—come in or phone for an appointment. On the other hand, if you take pleasure in having your teeth filled over and over again every year or two, you should go elsewhere—we do not do that kind of work.

We Can Make You A Suit to Order NOW IN A REASONABLE TIME.
Our merchant tailoring department was so unusually rushed with orders up to this week that we could not promise suits before at least a month after measures were taken. In some instances we were compelled to disappoint several—to those we wish to apologize. Now that every measure is in work, we can promise suits from one to two weeks. The men who voluntarily held back their orders are asked to call and select their favorite suitings and we will immediately turn them out in the same snappy, stylish and satisfactory way as all our made to order suits are characterized. We wish to state that while our business in the "made-to-order suit" department was greater this season than ever before, we still show a large and varied variety of woolsens which are recent arrivals from the woolen looms. The patterns are new and sedate.
SUITS TO ORDER \$20.00 UP.
