COMMISSION HELD ANOTHER MEETING

Resumed-Taking Evidence in the Eighmey Lunacy Proceedings Yesterday

The commission appointed by Judge Fanning to inquire into the sanity of Lewis Eighmey held an adjourned meeting yesterday afternoon at the office of W. T. Carey, for the purpose of hearing the testimony of physicians who had been called to examine Mr. Eighmey. At the request of the petitioners, Dr. Johnson of Waverly, Dr. Stevens of Athens and Dr. M. C. Hunter of Sayre, yesterday went to Mr. Eighmey's home and gave him a thorough examination. Dr. Kline and Dr. Higgins, both of this place, performed a similar service at the request of Mr. Eighmey's attorneys, Messrs. Evans and Vocum.

At the hearing yesterday afternoon the evidence of the five physicians was presented to the commission, and Dr. A. K. Corbin, who was called to attend Mr. Eighmey professionally on Tuesday last, was also called and testified as to the mental and physical condition of his patient at that time. Dr. Cady of Owego was sworn for the petitioners and Drs. Kline and Higgins and T. P. Maney gave evidence in behalf of Mr. Eighmey.

The hearing began at 3:30 o'clock and as the evidence was not all in, an adjournment was taken shortly after 6 o'clock, until Monday afternoon next, when it is expected that the commission will have an opportunity to examine Mr. Eighmey personally. The latter sat through the proceedings yesterday afternoon, and with one exception when he spoke quietly to his attorneys, did not manifest any interest in the proceedings. Mr. Eighmey, however, has always been known as a man of quiet demeanor. Although there were only a few spectators present yesterday besides the witnesses the case is attracting unusual attention among the citizens of Sayre. A stenographic report of the proceedings and evidence is being taken and the testimony is voluminous. The commission hopes to close the evidence on Monday afternoon.

FAREWELL RECEPTION TO REV. M. B. WOOD

Church of Christ Was Filled to Its Capacity With Mr. Wood's Many Friends

The Church of Christ in West Sayre was taxed to its capacity last night to hold the friends of the Rev. M. B. Wood, who had gathered to tender him a farewell reception. Mr. Wood will retire as the pastor of the church on the 10th of next month to enter Hiram college, and his many friends planned a reception which will long be remembered by those who were present. The Rev. E. W. Petrie, pastor of the Presbyterian church, and the Rev. Ira Hotaling of the Baptist church, were present and made appropriate remarks, while on every hand there were expressions of the high esteem in which Mr. Wood has been held by his congregation and the citizens of Sayre generally.

During the evening Mr. Wood was presented a purse of money by Miss Anna Bush. Refreshments were served and the latter part of the evening was spent in bidding farewell to Mr. Wood and his estimable wife.

LINCOLN PARTY TO HOLD CONVENTION

Bradford County Reform Element to Issue a Call for a Meeting Soon

There was an informal meeting of the Lincoln Republicans held in Towanda on June 21st, and it was decided to put a full ticket into the field. A call for a county convention will be made at once. It is proposed to endorse the candidacy of Lewis Emery, Jr., for governor, and the balance of the Lincoln state ticket as finally agreed upon by the Lincoln Republicans in state convention. Stevens and Moscrip will also be endorsed, as will Scott for jury commissioner.

The nomination of a candidate for congress will be left for the convention to decide.

The Lincoln party was the first to adopt a state platform. The platform favors a square deal to every one, and will be carried out to the letter. The purpose of the Lincoln party is to select men who have been tried and found right at heart, and who by their past records have proved true to the people they represent. The Lincoln party believes that the time has come to cast the old crowd out. With Lewis Emery, Jr., at the head of the ticket, backed up by the reform element, one man will have as good a chance as another. In fact "a square deal for all" is the motto of the Lincoln party.

Beautiful Lake Keuka

Keuka is justly entitled to the reputation it bears, that of being the most beautiful lake in New York state. Its shores are lined with countless cozy cottages. Those who are unable to secure cottages, find excellent accommodations at the several large hotels at Grove Springs, Keuka and Gibsons. If you enjoy fishing, no other place offers greater attraction, the lake having been annually stocked for several years with various species of trout, black bass, pike and pickerel from the State Fish Hatchery, located but five miles from Hammondsport at the head of the lake. The season is now open and excellent catches are daily reported. Keuka Lake is reached via Erie Railroad, whose agents will gladly furnish information regarding train rates, etc. A beautiful illustrated booklet will be mailed on application to J. H. Webster, Div. Pass. Agt., Elmira, N. Y. 3841y-8-1.

HIS RIGHT LEG BADLY INJURED

Italian Laborer Attempted to Board Train and Missed His Footing

Jose Puglione, an Italian laborer, employed by the Lehigh Valley, was brought here last night suffering from a frightful injury to the left leg, received while attempting to board a work train at LeGrange early in the afternoon. The Italian was employed on the stone ballast, and it is customary among the men when the train starts out, for them to jump aboard quickly so as to secure seats along the outer edge of the trucks. Puglione attempted to climb on board, but missed his footing and fell under the train. The wheels on one of the trucks ran over the calf of his right leg, tearing and cutting out a great chunk of the flesh. He was hurried to the hospital at this place, and was at first feared that amputation would be necessary, but after consultation it was decided to dress the injury and try to save it.

TOWN HALL PROJECT

As soon as the sewer question is disposed of the council will be called upon to take action in the new town hall matter. The architects are now preparing plans but it will probably be at least three weeks before they are completed. In the meantime it is hoped to get the sewer matter out of the way, when the new town hall project can be taken up. The demand for a municipal building becomes more of a necessity every day. The present quarters of the council are in reprehensible condition and the quicker the new hall is erected the better.

AMATEUR NIGHT

After the regular performance at the park last night the amateurs of Sayre, Athens and Waverly were given an opportunity to demonstrate their ability. There were several first class numbers including Stanley Stark, the clever young buck and wing dancer, Master Harold Masteller, a youthful musical artist, George Swartwood, and Thelma Fisher, a little miss of six years. The latter was awarded first prize. She gave a very clever recitation for one of her years, and was liberally applauded. Master Masteller captured the second prize and Stanley Stark walked away with the third. The contest was a success in every way and the park management is to be congratulated.

INCREASING FORCE

The Lehigh Valley Railroad Company has been increasing the force of mechanics and workmen at its North Wilkes-Barre shops during the past two months, and intends to make further increase until the shops will be operated at the former full capacity. A number of new machines have been installed and more are on the road. The company has found that it was not feasible to abandon the shops.

I. O. O. F. MEMORIAL DAY

At the meeting of the Odd Fellows held on Thursday evening last it was decided that all members of the order should meet at Odd Fellows hall in the Follett block tomorrow afternoon not later than 2:30 o'clock to participate in the memorial services. All the members are requested to bring flowers, and also to accompany their daughters, whose ages range from 5 to 12, to the hall, where the little ones will be given a place in line. All members are also requested to wear white gloves. In case of inclement weather the exercises will be held indoors.

THEIR FIFTH ANNIVERSARY

About fifty of the friends of Mr. and Mrs. A. J. Green of No. 325 Stevenson street, gathered at their pleasant home last night and tendered them a surprise, the occasion being Mr. and Mrs. Green's fifth wedding anniversary. They were presented a number of exceedingly handsome presents and the evening was spent in a most delightful manner with music, games and light refreshments.
