LOCAL BREVITIES

"The Pride of the Yukon" at the park this evening.

Cherries are getting ripe and the home grown product will soon be in the market.

The weather clerk furnished a fine day for the Odd Fellows' memorial exercises.

Mrs. E. Snell of Keystone avenue, fell and hurt herself severely yesterday morning.

The giant firecracker has made its appearance and has commenced business at the old stand.

Wanted—At once, a secondhand flat top desk. Must be in good condition. Enquire at The Record office.

The commission appointed to inquire into the sanity of Lewis Eighmey, Sayre's old and respected citizen, met again at 3:30 o'clock this afternoon to hear further evidence. This is the third session that the commission has held and it is expected that the attorneys for both sides will present all the evidence they have.

ODD FELLOWS HELD MEMORIAL SERVICES

They Were of an Impressive Nature and it is Estimated That 2,000 Persons Attended

The memorial services held in the hospital park yesterday afternoon under the auspices of the local lodge of Odd Fellows were attended by one of the largest crowds ever assembled in Sayre for a similar purpose. The weather conditions were perfect. Cloudless skies, and an atmosphere that was fresh and balmy brought the residents of the valley out by the hundreds. It is estimated that at least 2,000 people were in attendance and after they had gathered at the park that attractive spot presented a most beautiful and animated scene.

The line of march formed on Packer avenue in front of the Follet block as follows: Six guards, Packer band, Waverly Canton lodge, Encampments from Waverly, Sayre and Athens, flower girls carrying flags and flowers, subordinate lodges from Litchfield, Waverly and Athens, speakers in carriages.

Joe Ellers, the drill master of the local lodge, was the marshal of the day, and he handled the line of march in an excellent manner.

After formation the column proceeded over several of the principal streets of the borough ending at the park, where the services of the day took place.

M. H. Sawtelle, cashier of the National Bank of Sayre, officiated as president of the day and introduced the speakers. The services were opened by Noble Grand Bonfoey, of the local lodge, who read a short extract from the ritual, which was followed with a prayer by Chaplain Creighton. A chorus of twenty male voices and the Packer band rendered selections and the president then introduced the Hon. E. M. Dunham as the first speaker. Mr. Dunham's remarks were brief, but he spoke to the point, and his address was well received. He was followed by the Rev. Ira Hotaling, pastor of the Baptist church, who made the principal address of the day. He chose for the subject of his remarks that familiar text, "Am I My Brother's Keeper," and drew a lesson therefrom by which all can profit. The address was one of the best that has been delivered in Sayre for years and it was listened to with great attention. At the conclusion of the address the band played "Nearer My God to Thee," and the large congregation joined in the chorus. This feature of the services was particularly pleasing and the effect was marvelous.

During the services a committee from the local organization went to the cemetery and decorated the graves of departed Odd Fellows, the graves having been marked in the forenoon by flags.

DESERTER CAPTURED

Louis F. Burghart, a sergeant of the Fifth Infantry, stationed at Fort Porter, N. Y., came here on Saturday afternoon to take charge of Edward Nevill, a young man who deserted from the United States regular service about three months ago. The young man has been in Sayre for some time, and was apprehended and turned over to the officer by Chief Walsh. The soldier left with his prisoner late Saturday afternoon. Nevill had been in the service only a short time.

TRAIN RIDER CAPTURED

Harry Krautman, who says that his home is at Easton, was taken off the westbound Black Diamond at the local station on Saturday afternoon by Officer Bob DeGroff, charged with illegal train riding. Krautman said that he was on his way to a point in Ohio, and was endeavoring to get there without paying fare. He was given a hearing before Justice Nelson and discharged.

SAYRE TEAM LOST GAME AT SPENCER

Defeated by High School Bunch by a Score of 7 to 10

The ball game played at Spencer on Saturday afternoon between the High School team of that place and the Imperials of Sayre, resulted in a victory for the former team, the score standing 7 to 10. The game was hotly contested by both sides and was witnessed by a fair sized crowd. Eddy and Westbrook composed the battery for the Sayre players, and they did fine work. The Sayre team lined up as follows: D. Westbrook, catcher, Burt Eddy, pitcher, Garman, first base, B. Wilcox, second base, Gillis, short stop, Spencer, third base, Garsar, left field, Granger, center field, Gestina, right field.

TRAMPS HOLD UP FREIGHT TRAIN

Hoboes Set Brakes on Lackawanna Train and Then Robbed Freight Car

A D. L. & W. freight train east-bound was held up by a gang of men, probably tramps, between Waverly and Nichols last night. The men set the brakes on several box cars and when the train slowed down they proceeded to break open a car containing merchandise and threw several packages of goods out, with which they escaped. Detective Gorman of the D. L. & W. force, came to Sayre today and conferred with Chief Walsh. It is believed that the men belong to a party of tramps that have been camping near Milltown for several days. An effort will be made to locate them.

ANNUAL FOURTH OF JULY WARNING

State Health Commissioner Urges Immediate Action in Case of Wounds From Toy Pistols

State Health Commissioner Samuel G. Dixon has just issued his annual Fourth of July warning, and calls attention to the great danger of lockjaw (tetanus) from wounds caused by toy pistols and other explosives. He urges the necessity of immediate medical attendance in such cases, and sends out the following warning message in anticipation of the coming Fourth:

"The germ which produces tetanus grows best buried in the flesh away from the air, and this germ which is found in earth, in the dust and in horse stables, and sometimes suspended in windy localities, lodges easily in the small, clean cut wound, made for instance by the blank cartridge.

"What I wish to impress upon everyone, especially mothers, is the very great seriousness of these wounds if they are not promptly and properly treated by those with full knowledge of the subject. Early treatment by a physician will often prevent the development of tetanus. Therefore, a doctor should be called at once to treat a penetrating wound, even if slight, such as powder or other explosives are apt to make. In case of prolonged delay in obtaining the services of a physician a competent druggist or trained nurse might thoroughly wash the wound and apply hot antiseptics."

AN APOLOGY

We beg to apologize to the readers of The Record for its late appearance on Saturday evening. Just after the first forms had been placed on the press an accident occurred to the gearing which put the press out of commission. The Evening News kindly came to the rescue and we were able to get the paper into the hands of the readers though the hour was late. The expense of going out of town to print a daily newspaper is considerable, but The Record does not believe in disappointing its readers, and then the patrons of the advertising columns are entitled to consideration, too. It is the purpose of The Record to issue on every day of the week except Sundays and legal holidays.

EXTRA EXAMINATIONS

In addition to those examinations already advertised, two extra extra examinations for teachers' certificates will be held at the high school in Towanda, July 13 and 14 and August 11 and 12. The morning sessions of these examinations will begin at 8 o'clock.
