

# A Suit Is Right

Or it isn't right. There is no half way about tailoring. These Rochester Clothes will fit right, and they'll wear right, because they are made right.

The beauty of it all is that they're as well tailored beneath the surface as they look on the surface.

Our \$10 special is a wonder, a dozen styles to choose from, a dozen patterns of a style, a dozen reasons why you should look through our line before you buy a suit.

## CHURCH WEDDING THIS MORNING

Well Known Young Couple United in Matrimony's Holy Bonds at the Church of the Epiphany

Simon S. Kane of South Waverly and Miss Mary Cain of this place were united in marriage this morning at 9 o'clock at the Church of the Epiphany, the Rev. Father Hussie of Ashley, officiating as celebrant in a solemn nuptial mass, assisted by Rev. Father Shanley as deacon, Rev. Father Gorman of Bentley Creek, as sub-deacon, and Rev. Father Moffit of Taylor, and Rev. Father Morarity of Waverly in the sanctuary. The bride was attended by her sister, Miss Josephine Cain, while John Kane, a brother of the groom, acted as best man. The church was filled with guests, and immediately after the ceremony a wedding breakfast was served at the residence of the bride's parents, Mr. and Mrs. Dennis Cain of Desmond street.

The groom is one of South Waverly's well known and respected young men while his bride is a most estimable young woman. After the wedding breakfast the bride and groom left for a short wedding trip after which they will return to Sayre to reside.

The wedding was the most elaborate and impressive ever held in Sayre. Usually there have been three priests on the altar but this morning there were five who participated in the ceremony.

## POLICE RAIDED TRAMPS

Yesterday afternoon the police raided a camp of "Weary Willies" near the State line and placed three of the gang under arrest. It was thought that the men who were implicated in the holdup on the D. & W. Sunday night might be found among the hoboes, but the fellows placed under arrest gave a good account of themselves and were given their liberty. One of the men was a cripple, his leg being off above the knee, while the others were big, husky looking, well fed specimens, and all claimed to be seeking work.

## GONE TO ELMIRA

C. C. West, Miles Ellis and E. D. Ademy, the committee appointed by the borough council to prepare plans for a new town hall went to Elmira this morning to consult the architects, Messrs. Pierce & Bickford, who have the plans in course of preparation. The committee was accompanied by several members of the fire department who will probably ask that the plans be changed in some of the minor details in so far as they affect the firemen's quarters.

## FARMERS WILL PROTEST

The farmers in this section are up in arms over the Pure Food bill which passed the house on Saturday last. The bill prohibits the use of all coloring matter in butter, whether of a harmless nature or not. A big delegation of Bradford county farmers, nearly all members of the Grange, have gone to Washington to protest against the bill. They say that the bill will deal a crippling blow at the dairy interests throughout the nation, and that the farmers will therefore exert every influence they can command to defeat it.

## AT THE PARK

"The Pride of the Yukon," a melodrama which has never before been seen in this section, was given a presentation by the Summer Stock Company last night. The drama tells a story of life in the Alaska gold fields, and pleased a big audience. It will be repeated tonight. Spaulding and Depue, a clever comedy team, has been engaged as a feature specialty this week. The team puts up a very funny act and are well worth seeing.

## INTOXICATED MAN LOSES BOTH LEGS

Lay on the Lehigh Tracks Asleep and Freight Train Ran Over Him

Elmer Hicks, an intoxicated young man, had both legs cut off by a Lehigh Valley freight train at Ithaca on Saturday night. Hicks, who worked for the Remington salt works, started for the works on Saturday evening, taking a route along the tracks. When near the works it is presumed that he could go no farther and lay down on the tracks and went to sleep. A freight train which passed about midnight struck him and both legs were so badly mangled that amputation was found necessary. He was semi-conscious and when taken to the hospital he recovered somewhat. His first words were: "Give me a drink"

## FIRE DEPARTMENT TO HAVE STREET FAIR

Fire Board Will Hold Meeting This Evening to Take Proper Action

There will be a special meeting of the fire board this evening to take action on the coming of the street fair to this place during the week of July 9th, for the benefit of the fire department. M. J. Farrell and W. J. Crans have been in Auburn this week investigating a fair which is exhibiting at that place and today a telegram was received from them stating that they had made arrangements for the fair to come to Sayre. All members of the fire board are requested to be present at the meeting to be held this evening.

## RUMORED RAILROAD DEAL

The Binghamton Press is responsible for a story that the Pennsylvania Railroad company has purchased the interests of the New York, Pennsylvania & South Western railroad and will build the line from Williamsport to the Parlor City, connecting with the Delaware & Hudson and making a through line to Boston. The air of mystery which has surrounded the purchase of land at Binghamton by the representatives of a railway syndicate is being gradually dissolved, and it is said on the best of authority that this week those interested in the purchase will be ready to declare their intentions regarding the improvement.

## HOSPITAL NOTES

Miss Kathryn Simon of Owego, was discharged this forenoon. Thomas Bolan, a Hungarian, was admitted to the hospital today. He is believed to be suffering from cerebral spinal meningitis. Leon W. Utter, a machinist's helper, was struck on the hand by a hammer today, and sustained a laceration of the middle and little fingers of the right hand. The nail on the little finger was torn off completely.

## LOCAL NEWS

The stockholders of the Reeser, Kessler, Wieland Company held their annual meeting last night and reelected the following officers: President, J. D. Reeser; vice president, H. W. Kessler; treasurer, R. Kessler, Jr.; secretary and manager, A. P. Wieland; assistant manager, L. M. Rice.

Despite the vigilance of the officers the men who held up the D. L. & W. freight train between Waverly and Nichols on Sunday night have not been apprehended. The officers believe that the work was done by tramps, and yesterday a gang of hoboes was rounded up near the state line. Three men were arrested but they were not the ones wanted.

## COMMISSION HELD ANOTHER MEETING

Slow Progress Being Made in the Lewis Eighmey Lunacy Case

Another meeting of the commission appointed by Judge Fanning to inquire into the sanity of Lewis Eighmey was held yesterday afternoon. Only two witnesses testified and then adjournment was taken to give the attorneys for Mr. Eighmey an opportunity to secure the attendance of an important witness who had been subpoenaed but was suffering from a severe nervous headache. Immediately after the adjournment the commission examined Mr. Eighmey personally. There was no one present at this examination except the committee and Mr. Eighmey, and it was held for the purpose of giving the commission the opportunity to ascertain for themselves the exact condition of Mr. Eighmey's mind. It is thought that one more sitting will finish the taking of evidence. The evidence thus far taken will fill a fair sized volume, and there are still several witnesses to be sworn.

## Just Think Of It

We have the reputation of sending the LARGEST PLUMBING BILLS of any firm in the valley. Awful, isn't it?

A number of our all-pleased customers have explained it this way: "We gave you a small job that required immediate attention and you attended to that so promptly, and did your work so well that we decided to have a lot of other work attended to at the same time." We please others, and we know that we can please you if you'll give us a chance. Try us on anything in Plumbing, Heating, Gas-Fitting and Tinwork.
