#### BOY WILL RULE ISLAND.

M. E. Shearer of Indianapolis, Age 26, Appointed Governor of Midway in the Pacific Ocean.

Indianapolis, Ind.—Lieut. Maurice E. Shearer, of this city, is soon to be governor of one of the island possessions of the United States. It is not a large possession, and not densely populated, but it is rather important as it contains the United States mid-way cable station between Honolulu and the Philippines. The place is known as Midway Island.

Shearer, who is only 26 years old, is a second lieutenant in the marine corps, having worked his way up to

MAURICE E. SHEARER (Young Lieutenant Appointed Governor of Midway Island)

that position since 1901, when he enlisted as a private. He was a Shortridge high school pupil when war was declared between this country and Spain, and although he was ready to graduate from the school, he quit and became a member of battery A. of this city.

After his service with the battery, Maurice Shearer went to Ohio and there served as manager for a contracting company. The martial spirit had seized on him, however, and one day his father received a letter to the effect that Maurice had enlisted as a private in the marine corps, at Buffalo in the hope of working up to a commission. In the examination through which he obtained his commission as second lieutenant, he stood fourth in a large class, and he stood equally high in an examination he has recently taken at the end of a postgraduate course at Annapolis.

A few days ago he was ordered to report at Washington and was there informed that he was to have charge of Midway Island. He was placed in charge of a detail consisting of 35 marines and several officers, and left San Francisco for Honolulu, where, with his detail, he will spend a month. He will then go to Midway Island. Five days' sail from Honolulu, and take possession.

#### Neckties on Reels.

Haberderschers now keep plain ribbon ties on reels, the way tape is sold, but instead of having to take the whole roll a length of the is shipped off for each customer. The advantage of the reel is that a tie will fit the size collar worn by the buyer. Formerly different lengths had to be kept in stock, but now this necktie or fat ones, small or large, may each be fitted accurately by cutting a piece off the reel.

Italian Lad Arrested This Afternoon Charged With Breaking in Solomon's Store

On Wednesday night last the store of Solomon Brothers on Desmond street was broken into, probably by tramps, and a quantity of clothing to the value of one hundred and fifty dollars, was taken. The police went to work upon the case but no clues developed until today, when Jacob Solomon, one of the members of the firm, saw a young Italian wearing a suit of clothes of the same make and pattern as the stolen ones. Mr. Solomon notified Chief Walsh and the latter took the young man in tow. Justice Carey issued a warrant, charging larceny, and the young man was held in the sum of \$100 bail to insure his appearance, pending an investigation. The Italian gave his name as Dominic Musa and said that he bought three coats and several pairs of pants from a tramp, for which he gave fifty cents. Immediately after his release the lad went with Mr. Solomon to the box cars at East Waverly to get the remainder of the clothing. It is doubtful if he can be held on the larceny charge.

#### AN APOLOGY

Our Waverly letter which should have reached this office at noontime is missing up to the hour of going to press and all efforts to find it have proved unavailing. The letter was given to a street car conductor by our Waverly representative and the conductor says that it was thrown off at Sayre, but attaches of this office have been unsuccessful in locating it. We are sorry to disappoint our readers, and trust that they will overlook the omission of the regular Waverly news letter.

#### LOCAL NEWS

Given away a rifle with every child's suit from \$2.50 up at H. Sattler's.

Farmers in this section are now busy making hay. The crop is somewhat late on account of the frequent rains, but it will be a heavy one, and a larger quantity than usual will be cut.

The Country Tavern, a decidedly interesting comedy drama, is the attraction at the park this evening. The Williams Duo, a musical team, has been engaged as the feature specialty. This is one of the best on the road, and is making a big hit wherever they appear.

The season for catching frogs opened today, or to be exact July 1, is the date fixed by law. But as the first day of July fell on Sunday, no one with the fear of divine law or the laws of the commonwealth in his heart would have dared to have gone to the frog pond yesterday.

"Billy" Wild will open a week's engagement at Athens this evening under a tent. "Billy" is at the head of a first-class company of repertoire people who will present a series of standard plays. "Broken Hearts" will be the attraction this evening, with several up-to-date specialties between the acts.

#### Beautiful Lake Keuka

Keuka is justly entitled to the reputation it bears, that of being the most beautiful lake in New York state. Its shores are lined with countless cozy cottages. Those who are unable to get outages, find excellent accommodations at the several large hotels at Grove Springs, Keuka and Gibsona. For an enjoyable fishing, no other place offers greater attraction, the lake having been annually stocked for several years with various species of trout, black bass, pike and pickerel from the State Fish Hatchery, located but five miles from Hammondport at the head of the lake. The season is now open and excellent catches are daily reported. Keuka Lake is reached via Erie Railroad, whose agents will gladly furnish information regarding trains, rates, etc. A beautiful illustrated booklet will be mailed on application to J. H. Webster, Div. Pass. Agt., Elmira, N. Y. 38-dly-8-1

#### ENTERTAINED CARRIERS

Athens—The Athens letter carriers entertained the Waverly and Sayre carriers at the home of Postmaster Sairs Saturday evening at a banquet. There were 15 present and the Aeolian orchestra enlivened the hours with some splendid music. After the banquet E. S. Johnson presided as toastmaster and toasts and speeches were the order for the rest of the evening. It was greatly enjoyed by all present.

"Billy" Wild and his excellent company will appear at Athens this evening, under a waterproof canvas, and his many friends in the valley are preparing to give him a royal reception. He has a first class theatre equipment and will stage his plays with all the attention to detail that is usually seen in an opera house.
