

"THE BIG STORE WITH LITTLE PRICES"

REESER, KESSLER, WIELAND CO., SAYRE, PA.,

Inaugurate Their

BIG ANNUAL SUMMER SALE

Clearing Up a Big Lot of

SeasonableGoods, Prices Almost too Little to Mention

But they will interest you from start to finish of this sale, all prices becoming effective

Our Reason for Turning So Much in Your Favor is:

In a business as vast as this, immense stocks must be carried in every line throughout the active season, in order to carry full assortments of kinds, styles and sizes when they are most wanted. This necessity makes it inevitable that in many lines overstocks will appear as the end of the season appears. The old-time system would say, "Carry them over." But in a big store like this, where modern merchandising methods prevail, there is but one thing to do. Close out the overstocks and clear the decks for the next season. That's

e Reason for the

We shall clear our stocks in July instead of August. You shall have our overstocks in summer goods now-when you need them. "First loss is least loss." That's a good business axiom. Come to the Summer Comfort Store now and watch what's doing.
