**Permanent Dentistry**

A quarter of a century ago we placed some gold fillings in the teeth to a well known gentleman at present a resident of Sayre. These fillings today are just as bright, firm and useful as the day they were made. We will tell you the name of the party, if you wish to see him yourself.

There are variations in dental workmanship, just as there are differences in the various brands of flour. If you desire the highest degree of proficiency—the skill and knowledge that will make YOUR fillings serviceable twenty five years from today—come in or phone for an appointment. On the other hand, if you take pleasure in having your teeth filled over and over again every year or two, you should go elsewhere—we do not do that kind of work.

There were several Athens ladies took a drive over to East Athens last evening intending to spend the evening in a visit with a friend. It took two of them to drive, each one holding one line. When they reached the watering trough one of them mounted the horse to ride, and the animal at once took fright and ran. It was some distance before they were able to get him under control and then there was a general mixup. The ladies had a rough time of it, and the mail carrier this morning brought in a whole lot of hairpins and combs that he picked up along the route.

**ROBBERY IN EAST ATHENS**

Athens—Thieves entered the home of Joseph H. Snell of East Athens last night and carried off Mr. Snell's gold watch, two gold rings, and a lot of plated ware. They also made way with a lot of bread and butter. The watch is an oped case one, No. 447,222, and the two rings are gold, one being marked J. H. S. and the other H. A. S. The thieves evidently entered the house through a window a window as it was open when the got up in the morning. Mr. Snell would be willing to forgive them if they would return the watch and rings.

**BIT BROKE AND RUNAWAY FOLLOWS**

Occupants of Rig Were Injured and the Horse Was Badly Crippled

Athens—Yesterday afternoon at about 4 o'clock Warren Mott of Waverly was driving down Main street above the railroad crossing. No. 1 had just stopped at the station and the gates were down across the street. A trolley car came down and stopped, waiting for the track to be cleared, when the horse became frightened and started to run. Mr. Mott attempted to hold him but the bit broke and the horse dashed up against the gate, breaking through and throwing Mr. Mott out, together with Miss Edith Allen, who was in the carriage with him. As soon as the horse got inside the gates he ran up the switch tracks on the north side of the signal tower and made his way across the main tracks. As he struck the switch crossing his left hind foot caught in a frog so firmly that he was held as in a vice. A half dozen men who were looking on at once went to the animal's rescue. The foot was so tightly wedged in that they were obliged to unclinch the nails and remove the shoe before the horse could be released.

The train was delayed several minutes and in the meantime Miss Allen, who had sustained several bruises, was taken to the Campbell House. Mr. Mott's left hand and side were severely injured.

The horse was taken to the Campbell House barn and Dr. E. M. Crawford was summoned to attend to the animal's injuries. The horse's leg was badly crippled in the ankle, besides receiving several scratches, so that he could not step on the injured member. Fortunately no bones were broken.

The carriage had one front wheel smashed and the dash board was warped out of place. The rig belonged to Boney Thompson of South Waverly.

Mr. Mott and Miss Allen returned to Waverly last evening but the horse remains at the Campbell House barn.

W. L. Billings Is in Trouble Over a Phonograph for Which He Neglected to Pay

Athens—W. F. Billings formerly worked in the Kellogg shops but lost his position and left town. He left some unpaid bills, among them a claim of A. J. Taylor for \$65 for a phonograph and 24 records. He went to Ithaca and as he did not remit to Mr. Taylor a warrant was issued by Justice Johnson and placed in the hands of Constable McGovern, who went to Ithaca yesterday and placed Billings under arrest. Billings was locked up in jail pending a trial.
