SILK WAS SHIPPED WITHOUT AUTHORITY

Attachment Issued at Sayre Leads to Discovery of Crooked Business. Some time ago I. S. Hart secured an attachment from Justice Nelson against the Loyalsock Silk Company of Dushore and levied upon a quantity of silk belonging to the silk company which was located in a house on Tioga street in Sayre borough. Last night a man named Rosenfield, who claims to be an official of the company, came to Sayre, and in an interview with Justice Nelson stated that the silk which was sent to Sayre was sent without the authority or knowledge of the company, and the facts had become known to the company when the attachment was issued. He said that an employe of the company had been sending the silk to a lady here who sold it here as the agent of the company. He stated, however, that the party who acted as agent at this place was entirely innocent of any wrong doing, and was acting in good faith.

VISITED BARACA CAMP

Waverly—A party consisting of Leona Schoonmaker, Mabel Terry, Clemma Hart, Veva Baldwin, Lee Thompson, Herbert Northrup, Percy Thompson and Emery Northrup drove to Camp Swartwood last night where the Baraca class is in camp. They drove up in the Wells Fargo express wagon, and the boys in camp were a little doubtful at first as to just what was coming for the old wagon resembles a covered patrol wagon, but were not at all disappointed when they discovered what was in it. The party together with those in camp numbered 15, and they made the welkin ring with the noise of fun and jollity. They won't tell when they got back.

SOLD DECAYED MELONS

Waverly—A man appeared on the street yesterday with a load of water melons that he was selling at a remarkably low price. Officers of the board of health inspected the load and found that nearly all the melons were in a bad state of decay. He was ordered to stop business and to dispose of his load. At first he refused, but was told that he would be arrested if he did not and ordered out of town which he did. Section 8 of the sanitary regulations impose a fine of \$10 upon any person offering decayed fruit for sale within the village.
