Permanent Dentistry

A quarter of a century ago we placed some gold fillings in the teeth fo a well known gentleman at present a resident of Sayre. These fillings today are just as bright, firm and useful as the day they were made. We will tell you the name of the party, if you wish to see him

vourself. There are variations in dental workmanship, just as there are difserences in the various brands of flour. If you desire the highest degree of proficiency—the skill and all kinds. Simeon Davis, Olive St., knowledge that will make YOUR Sayre. fillings serviceable twenty-five years from today-come in or phone for an appointment. On the other hand, if you take pleasure in having your teeth filled over and over again every teeth filled over and over again every
year or two, you should go elsewhere
—we do not do that kind of work.
