BOARD OF TRUSTEES GRANT FRANCHISE

Allow the Street Car Company to Build Tracks Under Restriction.

The expected scrap between the W. S. & A. representatives and the village trustees did not materialize last night, much to the disappointment of the spectators who thronged the trustees' room and the hall. Each trustee held in his hand a typewritten paper and a broad side of resolutions effecting the company was fired off one after another.

President Rogers did not come in till late and merely offered at proceedings and when granted a copy of the resolutions granting the franchise on Broad street under certain conditions, he refused trustee Farley, saying he had heard enough.

The first resolution offered was "That said company is hereby requested to employ some safety device in the nature of a tender upon their cars operated in Waverly."

The next was offered by Mr. Lang and was as follows: Resolved, that a proposition be submitted to the qualified voters of Waverly at a special election to be held Sept. 11 from 6 a. m. to 6 p. m.:

1. Shall the sum of \$8,000 or as much as is necessary be raised on bonds of the village bearing four per cent interest and payable 20 years after date and the same be sold to the highest bidder at not less than par for the purpose of paying the village share for a permanent pavement on Ithaca street and Chemung street. Said pavement to be 31 feet wide, the W. S. & A. traction Co. pave 9 feet thereof, 40 per cent to be paid by abutting property owners on each side and 20 per cent by the village.

2. Shall Ithaca and Chemung streets be paved with vitrified brick?

3. "Shall Ithaca street and Chemung street be macadamized?" The following resolution was offered by Mr. Farley. The W. S. & A. company be requested and directed to repair the pavement from Pennsylvania avenue to Loder on Broad street by replacing their ties under such portion of their tracks at any and all places where such pavement is depressed, within 30 days.

The matter of the petition of the traction company was taken up, and after a lengthy discussion the board agreed to grant the franchise but the permission had too many strings to it and the petitioners were given ten days' to fix their acceptance, and in case of their failure to do so, the franchise would be void. The board agreed to grant that the company extend their tracks on West Broad street from Chemung street to the end of the street.

That they be given permission to double track Broad street from Fulton to Pine street. That they should be allowed to take up their track in Chemung street from Pine to Broad.

The above is subject to the following provisions: That they pave Broad street from Loder to the west side of Chemung street, between their tracks and two feet on each side. That they pave the village share of the above, which would be 20 per cent. of the remainder. That in case a new sewer system is installed in west Broad street that they pay the extra expense which would be necessary by reason of the double tracks. That they give a bond satisfactory to the board indemnify-

ing the village from any costs of litigation of harm to the village by reason of the laying of the tracks.

The Inauguration of

An Entirely New Bookselling System

Saving Immense Profits to Book Buyers.

By placing an order with the Authors and Newspapers association of New York for a very large edition of each of twelve famous works, we control the sale in this valley and vicinity, and we will sell a new novel every month by a world-famous author at only 50c a copy for the regular \$1.50 style. The bargains where it ought to be—with our customers. The reader benefits by this extraordinary purchasing arrangement, and the quality of the book in no way suffers.

50c Instead of \$1.50

Twelve of the foremost fiction writers of two continents have been engaged at an expense of \$150,000 to write a new novel for the Authors association, and each month one of these new books will be issued. Weber's Book Store has been selected as the distributing point for this valley; the books will not be on sale at any other store in this region, nor can they be purchased direct from the publishers for less than \$1.50. The novels are copyrighted and will not be republished. We cannot obtain more than our allotment. Buy at once if you wish to own these greatest of novels by modern authors. Three of the series are now in stock at Weber's, viz:

"A ROCK IN THE BALTIC" By Robert Barr "Like a refreshing breeze on a sultry day."—Boston Herald.

"THE MAN BETWEEN" By Amelia Barr "No more startling story has ever been written."—New York World.

"LADY EVELYN" By Max Pemberton "Will be read, re-read and discussed."—Baltimore American.

Bear In Mind that these famous books can only be had through Weber's at 50c a copy, and only while the limited edition lasts. Next month a new novel by one of the nine remaining famous authors above referred to will be issued. Watch The Record for announcement.
