The Inauguration of
An Entirely New Bookselling System
 Saving Immense Profits to Book Buyers.

By placing an order with the Authors and Newspapers association of New York for a very large edition of each of twelve famous works, we control the sale in this valley and vicinity, and we will sell a new novel every month by a world-famous author at only 50c a copy for the regular \$1.50 style. The bargain is where it ought to be - with our customers. The reader benefits by this extraordinary purchasing arrangement, and the quality of the book in no way suffers.

50c
 Instead of \$1.50

Twelve of the foremost fiction writers of two continents have been engaged at an expense of \$150,000 to write a new novel for the Authors association, and each month one of these new books will be issued. Weber's Book Store has been selected as the distributing point for this valley; the books will not be on sale at any other store in this region, nor can they be purchased direct from the publishers for less than \$1.50. The novels are copyrighted and will not be republished. We cannot obtain more than our allotment. Buy at once if you wish to own these greatest of novels by modern authors. Three of the series are now in stock at Weber's, viz:

- "A ROCK IN THE BALTIC"**
 By Robert Barr
 "Like a refreshing breeze on a sultry day." - Boston Herald.
- "THE MAN BETWEEN"**
 By Amelia Barr
 "No more startling story has ever been written." - New York World.
- "LADY EVELYN"**
 By Max Pemberton
 "Will be read, re-read and discussed." - Baltimore American.
 Bear in Mind that these famous books can only be had through Weber's at 50c a copy, and only while the limited edition lasts. Next month a new novel by one of the nine remaining famous authors above referred to will be issued; watch The Record for announcement.

FISH WARDEN CAUGHT

Athens—The tables were turned this morning when Constable McGovern arrested Fish Warden Percy Nichols at Ulster and brought him before E. Quire Johnson on a charge of violating the fish laws on July 10 by taking yellow bass, commonly called walleyed pike, and other game fish on an outline. The complaint was made by J. L. Springer, father of the boy who was arrested and acquitted last week. When Constable McGovern arrested Nichols this morning he found him taking up an outline after daylight, which was the same offense for which Nichols caused the arrest of the Sayre boys and collected a fine of \$25. Nichols gave bail for his appearance next Saturday.
