\$75,000.00 HOT CONVENTION IN ILLINOIS.

William J. Bryan Indorsed For Pres idential Nomination After His Demand For Sultivan's Setirement to Refected.

PEORIA, Ill., Aug. 22.-By a vote o 1,088 to 570 the Democratic convention placed upon the table the request of Roger Sullivan from the national committee. Despite the fact that Mr. Bryan had declared that he did not wish to be indorsed unless Sullivan was repudiated, the convention declared bim to be the one and only man capable of leading the Democratic party to victory in 1908. The indersement of Bryan and the tabling of the motion calling for the resignation of Sullivan came at the close of a most exciting session of he convention, in which there were several fights and throughout which onfusion reigned supreme.

The committee on resolutions de clined to report a plank calling for the esignation of Sullivan and the debate llowed upon a motion made in the convention by Judge Owen Thompson of Jacksonville, calling for Sullivan's resignation. It had been agreed that sach side should have forty-five minutes in which to present its side of the ase, and Judge Thompson was the first advocate of the cause of Mr. Bryan. He aroused the hostility of Sulli van's friends by the unsparing manner in which he dwelt upon the last Democratic convention at Springfield. He strede up and down the platform, his face white with wrath and his form shaking with the intensity of his feelngs. His caustic eriticisms finally lost im the ear of the convention, and be might never have been able to conclude his speech if Sullivan had not person-

ally requested quiet. Sullivan, who followed Thompson and who was the first speaker in his own behalf, declared that the ear of Mr. Bryan had been poisoned against alm and the demand for his resignation sprang from his personal enemies. Great feeling was displayed on both ides during the debate, and at various times personalifies of a disagreeable

The end came on a motion made by x Congressman Kern of Belleville that the request for the resignation of Sullivan be laid on the table.

Feeling during the roll call on this ition ran very high. The Bryan resolution was worded as

"For president of the United States the Democrats of Illinois, first and last, have but one choice, and that ture, unattended, arrived at a local ho-

man is William Jennings Bryan,
"In this period of official hypogrisy, political corruption and cowardly surrender of principles to expediency whenever Republicanism holds sway all Americans fitted to lead in the fight this city, saying: "I am going to Omato rescue our government from the ha, but I don't want my identity to rescue our government from the hands of special interests and restore t to all the people. The Democracy of llinois eagerly looks forward to 1908 for the opportunity to join with her sister states in nominating and triumphantly electing him president of the United States.

"The time calls for a president of Bryan's honesty, sincerity and political

MURPHY OUT FOR HEARST.

colores There Is No Sentiment In Tammany For Jorome NEW YORK, Aug. 22.—Charles F Murphy is out for Hearst for governor. Stirred by the manner in which the friends of Mayor McClellan have osoused the cause of District Attorney me, and particularly by Fire Com-sioner John H. O'Brien's prediction that Tammany would be for Jerome whether Murphy wasted him or not, the Tammany leader said;
"I have found no sentiment in Tam-

many for Jerome. I have found plenty of sentiment in Tammany for Hearst. Tammany always supports the candidate for whom sentiment exists in the organization. Mr. John H. O'Brien and his friends will not be able to de-

liver the Tammany delegation."

If Murphy wins at the primaries on Sept. 18, Tammany, beyond question, impartial observers say, will go to Buffalo committed to Hearst's candi

Ilineis Republicans Boom Cannon SPRINGFIELD, III., Aug. 22.-The presidential boom of Joseph G. Can-ion for 1908 which was lauuched last week by his own congressional district was given an entirusiastic indorsement by the Republican state convention. The mention of Cannon's name brought the convention to its feet and there was enthusiastic cheering. The convention carried out the will of the people of the state expressed at the primaries a few weeks ago by a unanimous indorsement of Sanator Shelby M. Cullom for re-election. Outside of the indorsement of Speaker Cannon for president and nator Cullom for re-election there was little of general interest in the conthe convention, but Mr. Smulski won easily on the second ballot.
