## OLD NEIGHBORS TO HOLD REUNION

Similar Event Was Held at the Park Last Year and It Was an Enjoyable Affair

On Labor Day an "Old Neighbors Reunion" will be held at Oak Grove Park. Many people from the towns of Smithfield, the two Burlingtons, LeRoy, Granville Franklin, the two Monroes and the Albanys have moved into Sayre and it is the purpose of the reunion to bring them all together. A similar event was held at the park last year and it was a most enjoyable affair. A literary program will be prepared and a speaker will be provided for the occasion. The following have been appointed as a table committee: Mrs. T. S. Selleck, Mrs. J. L. Plumstead, Mrs. M. H. Crayton, Mrs. W. L. Fleming, Mrs. Ralph Littleman, Mrs. H. E. Crayton, Mrs. Mert Allen and Mrs. Frank Haight. J. A. Shedden has charge of the musical program.

### OAK GROVE PARK

The "Minister's Sweethearts" proved a pleasing comedy drama at the park last night and brought out theatergoers in large numbers. The play is full of quaint hoosier characters to be found in the small towns of Indiana, and the narrow-mindedness of the old mossbacks was well brought out. Miss Kennedy, in a Sis Hopkins comedy part, was very funny and spoke the bright lines with telling effect, scoring every point. The balance of the company acquitted themselves with credit. The bill will be repeated tonight, and tomorrow night "The College Girl" will be repeated by request. The engagement will close Saturday evening with a production of "The Admiral's Will."

### PROTECT YOUR HOMES

Sayre housekeepers are warned not to leave their homes without proper protection tomorrow, circus day, as thieves generally follow in the path of all big shows. Another excellent idea is not to wear jewelry out in the crowd or make a useless display of money or valuables, as clever pickpockets are always to be found where there are likely to be large crowds of people. The circus detectives will cooperate with the Sayre police tomorrow in locating crooks.

### HE WAS FRESH

Yesterday afternoon complaint was made to Chief Walsh that a young fellow who was taking orders for stereopticon views was annoying women upon whom he called. In fact it was said that he was altogether too fresh. The chief looked the fellow up and he denied that he had offended anyone. As no warrants were issued he was not molested.

### TOO LONG TO PUBLISH

The medical department of the W. C. T. U. is sending out circulars calling attention to the evils growing out of alcoholic and narcotic patent medicines. While The Record is inclined to agree with the statements set forth therein, the circular is too long for publication.

### WATSON-BURK

Fred H. Watson of Waverly, and Miss Edna Burk of Sayre, were quietly married this morning by the Rev. Cook, pastor of the M. E. church of Waverly. After a brief wedding trip in the east, Mr. and Mrs. Watson will reside in their newly furnished home in Waverly.

All Sayre dealers in groceries, clothing, and hardware will close their places of business tomorrow from 1 to 5 p. m., in order to allow their employes to attend the Barnum & Bailey show.

## THEY WILL GET THE EXTENT OF THE LAW

Petty Thieves Are Giving Officials of the Hospital No End of Trouble

A bunch of petty thieves and unidentified miscreants have recently been persistently annoying the officials of the hospital by stealing apples, corn, melons and other produce that grow on the grounds in the rear of the institution. The contemptible wretches are not content with taking apples that are lying on the ground, but they shake the trees of their fruit and destroy more than they take away. The thieving has been going on for some time. Part of it is done in the night, when honest people are asleep, while the broad daylight is chosen by those who appear to be blessed with colossal nerve. The thieving is not the work of children, but full grown men and boys are known to have entered the grounds and carried away fruit and vegetables which had been intended for the sick and suffering. Chief Walsh has been notified and if the despicable vultures are caught they will get the extent of the law.

## DESMOND STREET CLEANED TODAY

Board of Health Takes Immediate Action After Proper Complaint Was Made

Bright and early this morning two men with hoes and shovels began cleaning up the gutter on the west side of Desmond street. Yesterday's Record told of the fact that the insanitary condition of the street had been brought to the board of health and that body ordered that the street be cleaned at once. So today the street has been thoroughly cleaned and all the decayed matter and refuse removed.

## THE BIG SHOW WILL ARRIVE HERE EARLY

Large Crowd Will Probably Greet the Barnum & Bailey Circus

The Barnum & Bailey Greatest Show on Earth will arrive in Sayre early tomorrow and it goes without saying that a large contingent of local enthusiasts will be on hand to welcome it. There is nothing in the amusement line that interests the general public quite so much as a big circus. From the time the first of the five long trains used to transport the paraphernalia of the show arrives until the canvass city is erected and ready for tomorrow's free show and exhibitions there will be something interesting to see. The "runs" where the cars are unloaded will be the first scene of activity, but interest will quickly shift to the grounds, which will be the home of the show for the next eighteen hours. The first wagons to arrive on the lot will be those carrying the camp paraphernalia. These will be unloaded as rapidly as possible, and in less than an hour the cook and dining tents will be up and preparations under way for breakfast. There are over one thousand employes of the big show who board at this "traveling hotel," and the commissary department is one of the most interesting adjuncts of the institution.

It requires a considerable outlay of money to feed the circus army, and this money is distributed among the business men where the show exhibits. Very little is carried over from day to day, except possibly canned goods. The big refrigerator on wheels which is a necessary part of the commissary paraphernalia rarely contains at night more than sufficient meat for the next day's breakfast. The daily requirements of the cook tent average about as follows: From 1200 to 1500 pounds of meat, 15 barrels of potatoes, 8 barrels of beets, carrots and turnips for soup, etc. 75 pounds of coffee, from 35 to 40 pounds of tea, and 2 barrels of sugar. In addition to these generous supplies the daily requisition of the chef calls for 4 cases of canned goods, 600 loaves of bread, an immense amount of butter and from 80 to 100 gallons of milk when it can be secured. All of these supplies have been contracted for in advance, and they will be delivered on the show lot immediately after the circus arrives.

The opening performance will be given at 2 o'clock and the final one at 8 p. m. The doors will be open an hour prior to the show to enable the public to visit the menagerie and see the giant and the Scandina-vian Gypsy dancers and musicians and other special features. The performance in the hippodrome pavilion will open with the new and elaborate military and allegorical spectacle, "Peace."

Those who wish to avoid the crowds at the regular ticket wagons at the opening hours, may reserve grand stand chairs and box seats all day tomorrow, without any advance in price, at Andrus & Co's piano warerooms, 128 Desmond street. The show will exhibit at Wilbur and Mohawk streets.
