GEORGE WILSON LOSES A LEG

Met With a Serious Misfortune in the Sayre Yards Yesterday Afternoon

George Wilson, the well known special officer and airbrake inspector of the Auburn Division of the Lehigh Valley, suffered a terrible injury to the lower half of his right leg in the Sayre yards yesterday afternoon, and later the member was amputated at the Packer hospital.

Several versions of the story of the accident have been told, and none of them agree as to the manner in which Wilson was injured. One story is to the effect that he was inspecting a brake when a string of cars was pushed against the one he was under and that the wheels passed over the leg below the knee, crushing it to a pulp. Another one states that a train was backed from the Auburn Division into the yards, and that Wilson was seated on the pilot of the engine with his right leg hanging between the bumper beams. When the train had backed into the yards engine No. 50 backed down on the same tracks to assist the freight train and as it struck the pilot beam of the engine on the pilot of which Wilson was seated his leg was caught and crushed.

He was hurried to the hospital at once and the leg was taken off just below the knee.

Wilson has been in the employ of the Lehigh for some years. He has a family and many friends who will extend heartfelt sympathy.

MRS. JERUSA G. FITLER

Mrs. Jerusa G. Fitler died yesterday morning at about 7 o'clock at the home of his daughter, Mrs. J. D. Munn, at 105 Center street. She was 75 years of age; had lived in Sayre and vicinity since early girlhood, and was well known to all the older residents of the town.

She had been in poor health for some time, but last week was feeling fairly well and on Thursday night she was taken violently ill, and gradually became worse, and was unconscious from Saturday about 5 o'clock until she died.

Her husband, Henry Fitler, died about 14 years ago. She is survived by three sons Burton, Louis, and Charles, and one daughter, Mrs. J. D. Munn, all of Sayre. Three sisters, Mrs. A. McCloud of North Dakota, Mrs. Francis Cole of Nebraska, and Mrs. George Peters of Sayre, and one brother, Mr. Amos Burbank of Alma, Pa., also survive her.

The funeral will be in charge of Rogers & Miller and will take place tomorrow at 3 p. m. from the home of J. D. Munn at 105 Center street. Interment at Tioga Point.

PATRICK H. LYNCH

Patrick H. Lynch, age 32 years, died last night at 8 o'clock at the home of his parents, Mr. and Mrs. Martin Lynch, No. 250 Pennsylvania avenue, Sayre, after a brief illness. Death was due to convulsions and the deceased had been ill only since Friday. He is survived by his father and mother, two brothers, J. T. of New York city, M. J. of Sayre; and four sisters, Mary, Susie, Hannah and Catherine, all of this place.

The funeral will be held tomorrow morning at the Catholic church in South Waverly, interment in the Catholic cemetery, Sayre.

KILLED TWO

Lehigh Valley train No. 6, due to arrive in Sayre shortly after 12 o'clock at night, struck a carriage containing several occupants near LeRoy, N.Y., Saturday night. Two of the people and the horse were killed outright, while the others were more or less injured. The wrecked wagon in some unknown manner got under one of the cars and derailed it, causing a delay of several hours.

WELL LIKED

James H. Maurer, Socialist candidate for governor, gave an address in hospital park Saturday evening to an audience of about 200 persons. The people listened attentively and remained until the speaker had concluded his remarks. The address was well liked by those who were present. Mr. Maurer speaks at Waverly tonight.

APPROVED BY STATE ROAD COMMISSIONER

Bids For Its Construction Have Been Received and Opened

The new improved state road in Athens township from Morley's crossing to Milan has been approved by the state road commissioner and bids were received for its construction. These bids have just been opened and the following firms were represented: Booth & Flinn, Ltd., Pittsburgh; R. A. Malone, Lancaster; The Maryland Company, Philadelphia; Macafee Concrete Company, Athens; Berghaus & Moffit, Harrisburg; John McMenamy, Philadelphia. Of the above bids that of the Macafee company is the lowest: \$32,924.49 for Macafee pit gravel for bottom and North Leroy limestone for the two upper courses and \$32,471.94 for Macafee gravel bottom and Wilkes-Barre quartzite for two top courses. They also have a bid for \$44,549.99 for native stone bottom, North Leroy limestone or quartzite for two top courses. The highest bid is John McMenamy of Philadelphia, at \$48,845.00 for native stone bottom and Pittston limestone for the top course. The only bid approaching the Macafee Concrete Company is Booth & Flinn, at \$34,076.76. This road will be one of the greatest improvements we have had in this vicinity and it will eliminate one of the worst traveled highways that lays in the line of continuous travel. As the state is to pay the greater proportion of the expense there will be no heavy burdens for the citizens to bear. We are assured by those having it in charge that work will soon be commenced upon it.

LEHIGH'S NEW TOWANDA STATION

Work Will Begin on the Structure This Week—Will Be a Fine Building

Work will begin this week on the new Lehigh Valley station at Towanda. Contractor Charles Kisner will build the station, and when completed it will cost in the neighborhood of \$18,000. The new station is to be a decidedly handsome and convenient structure and will be located about 100 feet north of the engine house. The body of the building will be buff brick while the trimmings will be of bluestone. The ticket office in the new building will be exactly 800 feet north of the one in the present station.

DEMOCRATIC PRIMARIES

Democratic primaries were held throughout the county on Saturday to select a candidate for jury commissioner. There were two candidates, John E. Graham of Towanda and W. B. Packard of Granville. The indications are that Graham has been chosen. The vote polled was light, members of the party probably thinking it not worth while to go to the polls. The county convention will be held in Towanda tomorrow.

CARD OF THANKS

I desire to express my heartfelt thanks for the kind manner in which my friends and neighbors assisted me during the recent illness and death of my wife, John Walt.

LOCAL DEMOCRATS DID NOT ENTHUSE

Cheers of the Bryan Delegation at Sayre Station Met With a Painful Silence

A special train composed of seven Pullman coaches, a dining car, a combination and observation car, passed through Sayre yesterday afternoon. On board the train was a large delegation of prominent Nebraska Democrats who were going to New York to welcome the distinguished Nebraskan upon his return from his extended trip abroad.

When the train came to a stop in Sayre the delegation descended from the coaches to the station platform and gave three cheers for the twice defeated candidate for the presidency. The cheers were given with a will, and the crowd which had gathered at the station met them with silence. The delegation waited for a response on the part of those on the platform, but suddenly it seemed to dawn on the Nebraskans that they were in Pennsylvania, the state of phenomenal Republican majorities, and where Democrats are as scarce as flies in the winter time.

Bryan is expected to arrive in New York on the 30th of this month and his friends and admirers have planned a rousing reception, a reception which will go down in history as a record breaker.
