A man whose name could not be learned was slightly injured last night while in the manhole at the Lehigh station. A heavy casting struck him on the shoulder, causing a slight contusion.

"Now," says an advertisement, "there are 6,000,000 wage-earners in England. If all will hang together..." It is not quite how we should have put it ourselves.

To cultivate a desirable, elevating and charming social set is as much the province of parents as to feed and clothe their progeny.

The sawdust of fine hardwood brings good prices. There are about 12 varieties of it, and each has its appropriate use.

Herr Jakob Poljak, manufacturer of hoodenware, went to a concert, where he heard Sarasate playing.

The photograph of a young man, with the following inscription, is exhibited in a photographer's window at Bishops Stamford, England:

In Egypt, in Asia Minor and other parts of the world where the earliest human life was known, explorations at times unearth long-buried cities upon plains not supposed to have been subject to volcanic eruptions or earthquakes leveling.

The royal palace at Madrid is one of the most beautiful structures in the world. It was built at a cost of \$5,000,000, and was intended to rival the famous palace at Versailles.

The fact that proceedings have been taken against a native of Westmeath for living under the same roof with his calves has caused a certain amount of consolatory satisfaction to persons with wooden legs.

Rivers return to the sea only a comparatively small part of the water which the oceans lose by evaporation. Rain falling directly into the sea goes far toward keeping the balance even, from year to year.

A westerner once wrote a letter to the late Mayor Prince stating that he was about to visit Boston, and asking the mayor to tell him a good place to stop at. The mayor replied: "Just before the 'at'."

Society is a combination of men and women who overdrives themselves at the expense of their tradesmen that they may overeat themselves at the expense of their friends.

The New York clearing house, with about \$2,000,000,000 in annual clearings, does more than twice as much business as all the other clearing houses in the United States.

I will be at 124 Diamond street evenings from Sept. 13 to 15 to receive taxes. Taxes can be paid any time during the day from 8 a. m. till 8 p. m.

MOB VIOLENCE

Mob violence is a disgrace to civilization, and those who participate in it disgrace themselves. Mobs act without reason. In capable of reasoning from a logical standpoint, mobs cause the innocent to suffer as well as the guilty.

The mob which ruled Athens last night, and later tried to take possession of Sayre, disgraced themselves and the country in which they live.

Notice to Contractors. Notice is hereby given that the undersigned will receive bids for the construction of a hose house on Mile Hill, Athens.

The Barbarian in Art. Herr Jakob Poljak, manufacturer of hoodenware, went to a concert, where he heard Sarasate playing.
