fending their property against soldiers who wound up a carouse with attempts to pillage. Thereupon promisnous rioting and slaughter began.

Four batteries opened fire down Plenkna, Warsaw and Allena streets, which were inhabited by thousands of lews. The destruction was horrible. A special Warsaw dispatch says that bomb was thrown in the market square of Rudgusowska, killing one oliceman and woundlug another. Later another bomb was thrown at the entrance of the Zirardow Spinning works in Warsaw, severely wounding a poiceman and a janitor. The troops thereupon fired in all directions and killed or wounded forty persons.

At Riga two revolutionists who fired on a patrol were tried by a drumbend court martial and executed. This is the first application of the "extraordinary ecurity" rule provided by the ukase of Sept. 5.

At Odessa a court martial has sentenced to hanging a Jewish girl named Shakerman, who threw a bomb at Poiceman Poltavchenko without injuring him. Miss Shakerman admitted belonging to the terrorists and said it had been determined to kill Poltavhenko because he took part in Jewish massacres. There was a revolt here in the cen-

tral detention prison in consequence of he death of Mile. Semenova, a girl of was nothing in it calling for a reply. wenty-two, a young and enthusiastic Social Democrat, who was shot and killed instantly by a sentry when she showed herself at the window of her cell overlooking the courtyard.

The furious prisoners expelled the warders, barricaded the prison and laid he corpse of Mile. Semenova upfit an mpromptu bler in the central cell, reusing to deliver it to the authorities ind swearing they would die rather han surrender it. Troops were sum moned, but the authorities, (caring bloadshed, temporized and seut for the brother of Mile, Semenovs, to whom

the insurgents delivered the body. Grand Duke Nicholas, after an in

vestigation of the affair, personally ordered the dismissal of the officer of the guard, which was drawn from the un opular Seminovsky regiment.

Young Rossevelt Home Again, OYNTER BAY, N. Y., Sept. 11.-Theodore Roosevelt, Jr., eldest son of President Roosevelt, has reached home from the west, where he had been op a hunting trip. He returned earlier than his original plans contemplated persuse of as injury to his hand.

cent fireproof door and window casing factory belonging to Blanchard & Co nt Hunter's Point, Queens borough Pratt & Lambert's loss is estimated at \$65,000 and that of the other firm \$45,000. The fire was an unusually Brooklyn and even the east side of New York being lighted up by the glare.

Engineer's Blunder Fatal. SPRINGFIELD, III., Sept. 11.-A mistake of the engineer in the coal mine of Mount Pulaski cost two miners their lives. He turned the controlling lever of the elevator the wrong way, and the cage, containing seven men who were about to descend into the mine, shot up toward the tipple. All the men jumped. Five of them alighted in safety, but Charles Cox

and Charles Fultz fell down the shaft, Spanish-American war. a distance of 300 feet, and were killed. Called Higgins a Behemoth. NEW YORK, Sept. 11.-Republican

State Chairman Odell's characterization of Governor Higgins in a published interview here as a "political behemoth" brought no reply from the governor when the interview was shown him upon his return from Oyster Bay, where he had lunched with President Roosevelt. The governor read the interview very carefully and after a moment's reflection said he thought there

Ten Polsoned by Dried Beef.

KALAMAZOO, Mich., Sept. 11 .- Ten persons in three different families of this city have been lying at the point of death for over twelve hours suffering from the effects of oating dried beef delivered to their homes Saturday by a man who cannot be located. The meat came originally from one of the large packing houses. Some sort of

embalming fluid used as a preservative was the cause of the poisoning.

Three Killed When Garage Fell.

NEW YORK, Sept. 11 .- By the collapse of a garage in course of construction at Mineola, N. Y., for Robert Graves three workmen were killed and seven seriously injured. The dead are John Drewry, a decorator, and Albert Potter and George Burnham, carpen ters. It is not known what caused the structure to fall to pieces. The bodies of the dead were found by workmen buried in the debris.

Prominent Physician Dead,

OSWEGO, N. Y., Sept. 11, -Dr. M. E. Page, a prominent eyes and ear special-ist, died here. He was a member of the American Medical association and of the State Medical society.

ed that the government never would consent to such terms, but that it would fight to the end.

Reports from the interior say that were destroyed by fire last night. Alfred Laborde and a hundred men deserted to the insurgents; that Pino Guerrn, leader of the insurgents, sent Laborde back to the authorities, sayspectacular one, all Long Island City, ing he did not want such men, but adding that he was grateful for the men Eastern Yacht club to inaugurate and munitions that came with the leader

Laborde was charged recently with murder and was placed in jall near T. L. Park of the American Yacht club Havana. He offered the government that if he should be paroled he would organize a hundred men and fight for the government, agreeing to return for trial after the conclusion of hostilities. His offer was accepted, with the result that he deserted with his command to the rebels. Laborde was prominent as Cuban fill'dister previous to the

Four more batteries of machine guns from Havana arrived safely in the region east of Consolacion del Sur and

near the point where the rebels destroyed bridges and disabled the first armored rapid fire train sent out. The second train was fired upon several times.

A sweeping victory over the rebels officially proclaimed. The government announces that the armored milltary train was rescued from the insurgents after a fight by Colonel' Avalos score of 6-3, 6-3, 6-4. between Herradura and Consolacion. the rebels having 300 killed and the loyalists only one killed and six wound-

ed. This result, it is said, was due to the rapid fire guns. The official proclamation of the victory ends thus: "Our forces repaired the railway line and are proceeding in triumphal march

to Pinar del Rio." Sixty more residents of Havana and its immediate vicinity have been indicted for complicity with the rebels. They have been refused the privilege of ball.

Small bands of insurgents entered Paso Real at 11 o'clock s. m. They created no trouble and later proceeded in the direction of the Santa Clara river. The battalion under Major Clows, to protect the men repairing the railroad, also is moving to the westward. It will co-operate with Colonel Avalos and give the detachment under Captain Webster a fresh supply of ammunition,

A Speedy Cure for

A Speedy Cure for Constipation, Billouances, Drynepala, Indigention, Liver Complaints, Tirred Feeling, Rad Tunto in the Mouth, Bad Complexion, Nervouwness and all disasses of the Stomach, Liver and Bowels, "Bloodine Liver Pills." At gently, yet thoroughly upon the bowels, liver, stomach and digestive organs. The pills, in all and chronic cases of constipation and indigention, at a ence, without griping, nor do they leave any unpleasant after-effects, nor form a constant halfer of purging, produced by other cathartic remedies. "Bloodine Liver Pills." restore the deranged and torpid liver to its normal condition and healthful action. Remove and pro-vent constipations by securing a natural and regre-har operations of the lowerk, and relivers those un-pleasant symptoms which attend a diseased or morbid condition of the liver, stomach and bownla. To asist in attaining this end, the following mu-gestions are offered.

REMARKS. Kveryose who uses pills for their action on the liver, should know that large doses rarely prove as satializatory as small over Large doses simply purge and pass out of the sys-tem, usually leaving the bowels considerated, and satisfies the second basis. On the other hand, multiple structure to the structure effect of the medicine, do not irritate or constipute the bowels but greatly stimulate the liver and prevent the accumulation of bile by directing its flow into the proper thannels. Therefore it is advisable to rem-nance by taking not over one or two pills as been une and lacrease does as accuraty. MRS. AMADA RICHARDBON,
