## PIANOS, ORGANS, SEWING MACHINES BARGAINS

Cannot be secured from house to house canvassers, or from any store which employs them, as their salaries and commissions will add from fifty to one hundred dollars to the cost of the piano, and not one cent to its actual value. See how much better Piano we can sell you for \$200 up than you can buy from any canvasser for one hundred dollars more. We have no canvassers and no commissions to pay, and save our customers these unnecessary expenses. ### LOCAL BREVITIES

The upper story of the building occupied by W. S. Wright as a grocery store is being remodeled and materially improved.

Don't get a sore face and then feel "sore" about it; go to the Utopian barber shop. Mechanical massage and compressed air; try it. 98-1m

For sale—A small building, suitable for a shop or an office. Ceiled and in good condition. Enquire of Paul E. Maynard, M. P. A. block, Sayre. 84 11

"Devil's Island" is the attraction at the park tomorrow night.

The largest and best selection of clothing in the valley now on sale at H. Sattler's store. 104 6

The National League of Barbers will meet next week and it is said that the price of a shave will be advanced from 10 to 15 cents.

Arrangements will be made for a big banquet to the visiting firemen on the 20th. It will probably take place immediately after parade.

The preparations for the firemen's parade are nearly complete. The firemen say that it promises to be the biggest event yet held by the association.

The firemen are busy today arranging the route for the parade one week from Thursday, the occasion of the big convention of the Valley Firemen's Association.

The Exempt firemen who will be the guests of the Sayre fire department on the occasion of the annual parade will be accompanied by the famous Northern Central band.

Mitchell's All-Star Players will present "Dora Thorne" at the park this evening. The company presented "The Two Orphans" last night to a crowded house and gave excellent satisfaction.

## TROLLEY CARS TO HAVE FENDERS

They Are Expected to Arrive Here in a Few Days

At the meeting of the board of trustees held at Waverly last night a communication was received from Superintendent Case of the W. S. & A. Traction Company stating that orders had been placed for enough fenders to equip all the cars in the service. Some time ago the Sayre borough council and the board of trustees at Waverly appointed committees to confer with the officials of the Traction company concerning the advisability of placing fenders on the cars. At the conclusion of the conference the committees were given to understand that fenders would be forthcoming, and Superintendent Case last night announced that they are expected here in a few days and would be placed on the cars as soon as they arrived.

## BAND MAY NOT GO TO BINGHAMTON

The members of the Packer band may not go to Binghamton next week to play at the Broome County Centennial celebration. The band had been engaged to play as an organization on Wednesday, Thursday and Friday, but now it appears that the centennial managers want the members of the band to come to the city and play with other organizations. The band men do not take kindly to this proposition and it is quite likely that they will decide to remain at home.

## EVIDENCE WAS LACKING

Joe McCloskey, Will McMahon, Bert Fisher, William Gorman, Henry Johnson and Charles Corbin, the young men who were arrested charged with engaging in a riot, were arraigned last night before Justice Carey, and as there was no evidence that they had actually participated in the work of the mob which operated here several days ago, they were discharged.

## SERIES OF DANCES

The first of a series of winter dances will be given by Harvey Gray in Eighmey's hall on Saturday evening next. First class music will be in attendance and the prospects for a big crowd are excellent. Mr. Gray conducted dances on Saturday evening all last winter and they were exceedingly popular. The same popularity, if not greater, will be manifested again this winter.

## WERE DRIVING FAST

Yesterday afternoon two young men, who came from Athens, were driving a horse through the streets of Sayre at a breakneck pace. Chief Walsh stopped them on Desmond street, took possession of the horse, but upon their promising to arrive within the speed the limit the animal was returned to them and they drove toward home.

## OAK GROVE PARK

Mitchell's All Star Players opened their engagement last evening at Oak Grove park and were greeted a full house. Every member is certainly a star as was shown to a good advantage in last night's play, "The Two Orphans." Tonight's bill will be "Dora Thorne," and tomorrow night "Devil's Island" will be presented.

## CAUGHT BIG FISH

Lew Stevens returned yesterday afternoon from North Fair Haven and he brought with him an eleven pound fish, which he says he caught on a hook. Henry Price, who has also been enjoying an outing at the same place, succeeded in hooking one that weighed nine pounds.

## LOCAL NEWS

Local coal dealers have been notified that the price of coal will remain stationary until the first of April.

Fred Smith, who a month ago was transferred from the division freight office at Wilkes-Barre to freight agent at this place, will probably begin the duties of his position tomorrow.

Local fishermen are taking courage. Since the dry weather began both rivers have fallen considerably below the normal line and the bass are beginning to take the hook. Several good catches have been reported and the banks of both rivers are lined every day.

The Record desires to acknowledge receipt of a copy of the proceedings of the Canadian press association presented by D. E. O'Neill of this place. Mr. O'Neill obtained the book at Toronto, and it contains a vast amount of information regarding the newspaper business in Canada.

## CASE CONTINUED

The case of Wm. Croll has been further adjourned until Monday, September 24. Yesterday afternoon L. T. Hoyt, attorney for Mr. Croll, stated that he had several important witnesses whose attendance he was unable to secure, and for this reason an adjournment was taken. Croll is charged with aggravated assault by Marto Pingiaro, an Italian.

## HOSPITAL NOTES

George N. Johnson of Newark Valley was admitted and operated upon today.

Mr. Hikok of Rush was discharged today.

There is no nook nor corner where The Valley Record does not circulate

## SEVERE HAIL STORM THIS AFTERNOON

Hail Fell Thick and Fast and Has Probably Done Considerable Damage

Hail stones as large as marbles fell in the electrical storm which struck this section this afternoon, just previous to the time when The Record went to press. The stones fell thick and fast. In some instances the stones had cemented together, making one big stone as large as a hen's egg. It is probable that considerable damage has been done to the tobacco crop in this section.

## AT THE LOOMIS ALL NEXT WEEK

The attraction for the week of September 17 at the Loomis opera house will be the New York Standard Stock Company, the value of which can be but poorly described in words. The plays are excellent, the scenery plentiful and the players good. In "An Orphan's Prayer," a pastoral drama the theme of which is surprisingly beautiful, the scenery is so true to nature that tears of tender recollection fill the eyes of each beholder. In "White Slaves of Egypt," a story of the slaves of the orient, the palace of the Khedive with its gorgeous eastern coloring, the oriental costumes, the great desert scene, the battleship Brooklyn during a storm at sea, are admirably set forth. Queen of the secret service has for its setting the plains of Arizona and the picturesque wildness of the mountains of Colorado. In the third act of this great play a robbers' camp is shown and the enchanting loveliness of a Colorado night is exquisitely pictured in moonlight effects. This is a grand scene. Some of the scenes in "Young King Brady Detective" take one into the busiest portion of New York city. This play has an intricate plot and is one of the greatest detective plays ever written. "A Drunkard's Daughter" has magnificent scenic equipment, as have "A Woman's Worst Enemy" and "The Wayward Child." "While Frisco Was Burning" is a spectacular treat. The earthquake scene is very thrilling. The falling buildings, the lurid fire licking about the ruins, the sight of the homeless fleeing for safety, making a scene long remembered. There is a pathetic story to this play and one follows the fortunes of the unfortunate characters with human heart interest. There is a splendid vaudeville program and a change of specialties nightly. Ladies Monday night 15 cents.
