# Simplified Storekeeping

What simplified spelling does for our language, simplified store-keeping does for merchandizing. The unnecessary, the expense-making features are dropped. In our business simplified storekeeping means, when you simmer it down,

**Buying for Cash, Selling for Cash, One Price to All  
No Special Concessions for Anyone  
You Pay No Less Nor No More Than Others  
That All May Share Alike  
Simply the Shortest Cut from the Producer of  
Goods to the Consumer**

No switches, no expensive credit accounts, no bad debts, no fuss or frills to swell our selling prices. We have one cashier and one manager over The Big Store, which is the equivalent of three to five ordinary separate stores. But how does that save? We know. That's why we are leaders in universally low prices, and make a new chapter in the history of merchandizing in this section of Pennsylvania and New York: It's all done under one roof. Simplified storekeeping must be a popular proposition; at least through it we find our records show a healthy gain in sales. As seasons come and seasons go we are always ready with the right merchandise at the right prices.

**NOW IN PROGRESS** Nobby Styles at Tag-End-of-the-Season Prices. Extraordinary values in Wash Suits for Boys up to 8, Girls, Misses, and Womens. Rare Bargains on all Small Odd Lots of Merchandise. Special to close on All Classes of Merchandise throughout the store.

You will not know what you are missing if you fail to keep in touch with the Price Regulating Merchandise Center.

The Athens quoit club played a series of six games with the Touhey quoit club at Sayre yesterday, winning each game. Athens scored 33 points each game against 12, 19, 19, 22, 28 and 28 respectively by the Sayre team.

The annual party given in honor of Miss Elizabeth Brink's birthday, was held at her residence in Ulster yesterday. Guests were present from Waverly, Milan, Monroeton, Sheshequin and Towanda. The occasion was much enjoyed by all, who wish for many returns of the same.

Athens fishermen are largely represented on the river today. Among them are Messrs. N. V. Weller, Wm. Ingraham, E. M. Crawford, John Heaveney, W. Schrier, Chas. Mills, Hugh Stimson, Harry Wolcott, C. F. Rogers, Editor Curtiss, and Lehigh Conductor Louis Woodward and son.

Speaking of Mrs. L. S. Kingsbury who died in Sheshequin Sunday, we are informed that she was one of the best women in sickness that ever lived. Valentine Gregory says that he remembers when he was very sick and the doctors could not do anything to relieve him, and she came and nursed him and saved his life. She was kind and cheerful and bright sunlight wherever she went. Such a life has been a real blessing in the world.

## TOWNER FAMILY REUNION

Athens—The Towner reunion Saturday was at the grove on the "John Grif" Towner place. In early times this homestead was celebrated for the musical celebrities that were entertained from time to time there. John Grif Towner was a singing teacher of prominence that made his periodical visits all over the county and his singing schools contained all of the rudimentary advantages that the modern conservatory of music can boast of nowadays. One notable gathering took place in Rome village about the year 1855 when Prof. Wm. B. Bradbury, of New York, conducted a convention that brought the best singers from the different parts of the county together. This was the beginning of the musical career of the lamented gospel singer, P. P. Bliss, who was teaching school at the time in Rome and boarding at Papa Young's, where he afterward found his wife. At that time John Grif Towner stood at the head of the musical profession in Bradford county.

Twenty-seven were injured. SANTA BARBARA, Cal., Sept. 11.—The second section of a southbound train on the Southern Pacific Coast line from San Francisco was wrecked at Sea Cliff, a side track twenty miles south of Santa Barbara, and twenty-seven persons were injured, two of whom may die. The wreck occurred at a point where the roadbed runs near the Pacific ocean on an embankment. Some part of the locomotive broke and dropped on the ties, causing the locomotive to leave the rails. The baggage car and four coaches followed, and all toppled over and slid down the embankment.

Bad Habit.  
"So you lost your position?" we ask of our young friend who has demanded our sympathy.  
"Yes; the firm told me I would have to quit."  
"What reason was given?"  
"I smoked cigarettes."  
"Why, that seems hardly a sufficient reason for such drastic action."  
"Yes; but I was smoking the boss's cigarettes and he caught me at it."  
Judge.

## ATHENS BOROUGH COUNCIL MEETING.

Athens—The borough council held an adjourned meeting last evening. Weller, Nevins, Clark, Tripp and Weiss being present. After ordering several sidewalk rebate bills paid, the bids for building the Fourth ward hose house were opened and were as follows: Ashton & Carnos, \$3,250; A. J. Green, \$3,300; R. H. Drislane, \$3,173; J. J. Hummell, \$2,850. All of the bidders were from Sayre. On motion the contract was awarded to J. J. Hummell providing he furnish a sufficient bond for the satisfactory construction of the work.

President Weller stated that D. O'Brien has notified him that he consents to have his sidewalk raised as far as will be necessary in order to have the channel cut at the intersection of Main and Spruce streets to take care of the surface water. The street commissioner was instructed to have the work attended to at once.

On motion of Nevins the Borough secretary was authorized to advertise for bids on coal to be used in the borough buildings. Stuart Macafee presented a request to have the cobble stones and gravel removed from his lot on East Cherry street, and the street commissioner was instructed to see that it was done.

Bring Your Job Printing to

A quarter of a century ago we placed some gold fillings in the teeth of a well known gentleman at present a resident of Sayre. These fillings today are just as bright, firm and useful as the day they were made. We will tell you the name of the party, if you wish to see him yourself.

There are variations in dental workmanship, just as there are differences in the various brands of flour. If you desire the highest degree of proficiency—the skill and knowledge that will make YOUR fillings serviceable twenty-five years from today—come in or phone for an appointment. On the other hand, if you take pleasure in having your teeth filled over and over again every year or two, you should go elsewhere—we do not do that kind of work.
