A REMARKABLE REMEDY

Turner's Inflammacin Effective Cures That Are Little Short of Miraculous

Turner's Inflammacin, the new remedy that has been introduced in this valley within the last few months by E. LeRoy Burg Dorf, seems to have gained a strong hold on the popular favor as evidenced by the testimonials that follow. The remedy has been used by some of the employees of The Record, and gave good results. Inflammacin is a certain cure for piles, and Mr. Burg Dorf will be pleased to refer sufferers from piles to persons who have been cured by Inflammacin after years of doctoring in the usual way. Mrs. George Luther, 143 First street, Sayre, will be the local agent and will make a canvass of Sayre every two months. Mrs. Eliza Hoagland, 302 Desmond street, Sayre, is agent for Bradford county. The remedy can be obtained from either of these ladies at any time. It is made by the E. B. Turner Company, Bergen, N. Y. Read these testimonials:

Sayre, Pa., Sept. 6, 1906. Mr. E. B. Turner, Bergen, N. Y.

Dear Sir—I am 78 years old and I have had the hay fever for the last 35 or 40 years, every year. I have tried many doctors and remedies and found only temporary relief. Your agent left a box of Turner's Inflammacin at my house and the first application had the most soothing effect. From the second or third application it retarded the sneezing and discharge from my nose and eyes completely. After one week's treatment it did me more good than any remedy I ever tried. I now realize that I am perfectly free from hay fever. If I could not get another box of it, I would not take ten times the cost of the box for it. I would cheerfully recommend it to all sufferers with hay fever. J. H. Post, 114 Plummer St., Sayre, Pa.

I commenced using Inflammacin for gonitoe and in less than a month I could see a great change in my neck. I will gladly recommend Inflammacin to all that are afflicted with gonitoe. Mrs. E. A. Boggs, 469 Cayuta Ave., Waverly, N. Y.

So, Waverly, Sept. 4, 1906. Mr. E. B. Turner.

About 28 years ago, after giving birth to my 6th girl, I had a Milk Leg, was sick at that time for about 6 months. Then after 11 years ulcers broke out on both limbs and I have suffered from them ever since without finding any remedy to heal them. Your agent left a box of Turner's Inflammacin at my house on trial. I used it, found immediate relief, and bought up what of the remedy I could get of my neighbors. I have now used three boxes which have completely healed the ulcers and sores which I have been unable to heal for 19 years. I can cheerfully recommend your remedy to all women who are suffering from milk leg, and will be glad to answer any correspondence from anyone in regard to my miraculous cure. Mrs. Maggie Billing, 139 Pitney St., So. Waverly, Pa.

INCENDIARY ORIGIN

Athens—About 11 o'clock last night the central operator notified the fire department that there was a fire on Chestnut street. An investigation was made but as there were no signs of a fire it was thought to be a false alarm. In about 20 minutes another telephone message stated that the fire was in the Elsbree house, from which the Italians were driven a short time since. The department was called out, and found that a fire had been kindled among some excelsior at the inside stairway and it had communicated with the wardrobe. It was easily stamped out and a conflagration prevented. The building has the appearance of having been the object of many petty depredations of mischievous boys, all the doors and windows having been broken out. A lot of excelsior was scattered about the floor. It was whispered about town yesterday that some of the Italians had returned and this may account for the attempt to burn the building.
