A REMARKABLE REMEDY

Turner's Inflammacine Effecting Cures That Are Little Short of Miraculous

Turner's Inflammacine, the new remedy that has been introduced in this valley within the last few months by E. LeRoy Burg Dorff, seems to have gained a strong hold on the popular favor as evidenced by the testimonials that follow.

Sayre, Pa., Sept. 6, 1906. Mr. E. B. Turner, Bergen, N. Y.

Dear Sir:—I am 78 years old and I have had the hay fever for the last 35 or 40 years, every year. I have tried many doctors and remedies and found only temporary relief.

I commenced using Inflammacine for gonorrhoe and in less than a month I could see a great change in my neck.

So, Waverly, Sept. 4, 1906 Mr. E. B. Turner.

About 28 years ago, after giving birth to my oldest girl, I had a Milk Leg, was sick at that time for about 6 months.

FLAT DWELLERS

The Friendship of Two Very Different Families

The Uptons lived on one side of the hall, the Franklins on the other. They were genial neighbors; that is, the Uptons were. They seemed to possess to an unusual degree that indefinable quality known as the art of making friends.

The odd circumstance with regard to these people was that they took for their most intimate companions the Franklins across the hall, who had no interests in common with their own.

A rather unfortunate matter was always presenting itself whenever Mrs. Franklin happened to be visiting in the apartment of her friend—not that she cared on her own account, but simply that the situation would be an embarrassing one to her hostess.

Not to enter into the psychological workings of Mrs. Franklin's mind during these dialogues is a temptation. Certain it is that, if she regarded affairs as being "crooked," she still found enough of congenial qualities in the Uptons to warrant the continuance of their friendship.

So, Waverly, Sept. 4, 1906 Mr. E. B. Turner.
