Democrats at Buffalo Choosing a Candidate.

MURPHY SAYS HEARST CAN WIN.

Lewis Nixon Presides at Great Con vention as Temporary Chairman. Senator Grady Asks For Indorsement of W. J. Bryan.

BUFFALO, N. Y., Sept. 25. - The Democratic state convention was called to order in Convention hall here at noon. The big auditorium, which seats 6,000 persons, is elaborately decorated. ter from the Iroquois hotel, where all

The various candidates who are en the scene and the representatives of these who are not here have marshaled their ferces about them and are prepared for what is expected to be the liveliest and most interesting convention the Democratic party has ever held in this state. The party leaders were still trying to fathom the strength

Mr. Musphy was called upon at his ty of seven delegates from as many counties in the state who were headed with accordingly, but the fact of wearby John A. Dix of Washington and who speke in behalf of Mr. Dix as their choice for governor. He is a relative of the late Governor John A. Dix. and the delegates who called with him upon Mr. Murphy included representatives of Washington, Essex, Clinton, Baratega, Schenectady, Herkimer and Uister counties.

To these gentlemen Mr. Murphy nade the most positive statement of his position and that of Tammany Hall that he has uttered in public since his arrival bere.

"Tammany is not pledged to any candidate whatsoever," said he, "and I want that understood. We are here to and out who the upstate people want, and whoever they decide upon is good snough for us, no matter whether it is Mr. Adam, Mr. Dix or anybody else. fammany will follow, not lead."

Added significance was attached to this remark by the fact that it was uttered after Mr. Murphy had been in conference with a number of prominent men representing the various factions of the party.

At this conference with the Tammany leader were former Mayor Thomas M. Osborne of Auburn, a member of the Albany conference; William J. Connors of Buffalo, a Hearst leader in the Democratic ranks; Joseph Cassidy of Queens county, leader of the contesting delegation from that county which favors Hearst; State Senator Patrick H. McCarren of Brooklyn, who pledges that the sixty-nine votes of Kings county are to be east for Justice William J. Gayner; Patrick E. McCabe, Democratic leader of Albany county, who is a receptive candidate for state chairman; Congressman W. Bourke Cockran of New York, grand sachem of the Tammany society, and Lewis Nixon,

former leader of Tammany Hall. It was announced the conference had reached no conclusion. A conservative estimate gives Hearst

105 instructed delegates, with 239 uninstructed and Tammany's 105 in doubt. It takes 226 to nominate. Charles F. Murphy is said to hav lectared to an Erie delegate:

"We don't care for Hearst one way or the other, but we think he can win. If he does he will carry into office a lot of good Democrats.

"We will nominate Hearst for governor and Lewis S, Chanler for lieutenant governor, and we will get the rest

Many delegates are welcomed at the stations and escorted to their hotels by brass bands. "Tammany" is practically the only tune heard on the streets. The friends of Mayor J. N. Adam of Buffalo have appointed committees to onfer with the incoming delegates and leaders with reference to Mr. Adsm's candidacy for governor. Adam badges, banners and lithographs were abundantly displayed about the Iroqueis lebby and corridors.

DEFENDS THE UNIFORM.

President and Admiral Thomas Is Sallor's Lawsuit.

OYSTER BAY, N. Y., Sept. 25 .- Presdent Roosevelt made public the following letter, which he has sent to Rear Admiral Thomas:

"I inclose \$100 to be used in that suit which, thanks to you, has been so wisely undertaken to test the legality of excluding any man from any public place of entertainment because he wears the United States uniform. I feel that it is the duty of every good citizen to endeavor in every shape and way to make it plain that he regards the uniform of the United States army and navy, just as much when worn by an enlisted man as when worn by an officer, as a badge of honor and therefore entitling the wearer to honor so long as he behaves decently. There is no finer body of men in all our country than the enlisted men of the army and navy of the United States, and I cannot sufficiently express my indignation and contempt for any man who treats his uniform save with the respect to which it is entitled. If a man misbebeadquarters at the Iroquois by a par- haves himself, then, no matter what uniform he wears, he should be dealt g the United States uniform should be accepted as presumptive evidence that the man who wears it is all right, and any discrimination against the uniform as such is more than presumptive evidence that the man thus discriminating is all wrong."

Rear Admiral Thomas is reported to be paying half the expenses of a suit for \$500 damages brought by Chief Yeoman F. J. Buenzle against the Newport Amusement company of Newport, on the ground that he was excluded from a dance hall while in uniform. Buengle is on duty at the naval training station at Newport. The suit will not be tried until Oct. 2 or later.

STENSLAND OFF FOR CHICAGO.

Bank Embessier From Tangier De nies Suicide Story.

NEW YORK, Sept. 25. - Paul O. Stensland, the Chicago bank embezsler, who arrived from Tangier, Morocco, on the steamer Prince Adalbert, was brought to this city last night from quarantine and locked up at police headquarters. He left for Chicago this morning.

Harry Olsen, assistant state attorney of Illinois, who accompanies Stensland. stated that the prisoner had made a confession to him while en route from Tangler.

Theodore Stensland, the banker's son mmediately afterward issued a statement, in which he said that his father would plead guilty to certain of the indictments charging violation of the Illinois state banking laws after he had examined the indictments.

He would not plead guilty to forgery, but would reveal everything leading up to the wrecking of the Milwaukee Avenue State bank and in so doing would implicate other men prominent in the financial circles of Chicago. He added that if there was a shortage of more than \$400,000 in the accounts of the bank his father would prove that Cashier Hering was responsible for every-

thing above that amount. Stensland said he would not resist extradition and denied that he had at tempted suicide, but said that he fell out of bed while at Tangier, and this was exaggerated into a report of his attempted suicide.

ATLANTA, Ga., Sept. 25 .- A serious will offer in the committee on resoluthe city. The troops have been patrolling the entire city, and all the saloons have been closed by order of Mayor Woodward and will remain closed until further orders. Some white pupils of the State street school were stoned while on their way to school, but a squad of police gave protection. Police have been stationed at each of the schools. Orders also were issued prohibiting the sale of firearms and ammunition. The lynching of Zeb Long, a negro,

south of the city, has furnished the most exciting event of the last twentyfour hours. Long was arrested Sunday evening charged with disorderly conduct. He was heavily armed and made a strong resistance to arrest. He had threatened the marshal of the town and appeared to be prepared to carry out his threats. He was taken from the East Point jail, a flimsy structure, after midnight and was hanged in the

woods half a mile from the town. The courts have taken a hand in connection with the riot of Saturday night. In the city police court Judge Broyles. inflicted the extreme sentence of the law on six young white men charged with luciting riot, giving each thirty days in jail and binding them over to the higher courts under \$1,000 bonds. The grand jury brought in true bills against two negroes charged with assault with intent to commit criminal assault on two young white women Both assaults occurred within the last two weeks, one on Courtland street and the other at Copeland hill.

In anticipation of possible further trouble Mayor Woodward has issued an order that all boys under twentyone years must keep off the streets after 8 o'clock at night. He says this order is to be enforced strictly. He has also asked all citizens to remain in their homes at night until the present troubles have passed. The number of dead as a result of

the riots thus far is still a matter of uncertainty. The police have the names of five negroes known to have been killed, and one unknown dead negro is held at an undertaker's office here. The known dead are:

Annie Shepard, shot Saturday night. Frank Smith, stabbed to death Satur-Milton Brown, shot; died in Grady

hospital. Henry Welsh, barber; shot at his shop Saturday night.

Zeb Long, hanged at East Point. The reports are that more than these have been killed, but their names and the times and places of their deaths are not known. No white persons have been killed, according to the most reliable reports. The list of wounded is a long one, and several of these are expected to die.

A number of disturbances have been reported and verified from the outlying districts. A squad of Macon militiamen assigned to guard duty in a negro settlement surprised and dispersed a company of negroes drilling on a back street. No arrests were made. A gang of negro boys fifteen to eighteen years old beat a young white boy here who took refuge in the bome of a prominent citizen on Piedmont avenue. A negro woman remonstrated with the young negroes, who said "they would get

Many citizens have expressed the feeling that the trouble is not passed. Some have believed that more trouble would come, but in view of the confidence of the authorities in their ability to control the situation it is believed that these fears are groundless.

The trouble has caused a scarcity of negro employees in various places in the city. A number of negro wagon drivers have been replaced by whites, telegraph companies have advertised for white delivery messengers, the postoffice has been somewhat delayed in sending out special delivery mail. many domestic servants are fright ened, and numerous negroes are report ed to have left the city.

A. J. Cassatt III. NEW YORK, Sept. 25.-President A. J. Cassatt of the Pennsylvania railroad, it is reported, is seriously ill at his country home near Philadelphia. It was said that Mr. Cassatt would not be able to attend a meeting of the sitrectors of the railroad tomorrow.
