With the approach of cold weather the bowling season will open in Sayre and vicinity. Last season a number of local followers of the game made high scores, and this season they expect to do even better.

Squirrels are said to be plentiful at this season. It is said, however, that some of the hunters are killing a greater number than is allowed by law. Better keep out of the clutches of the game wardens. The prices for squirrels are pretty high when you have to pay figures established by law.

John L. Plumstead, Sayre's well known tax collector, was taken suddenly ill at his home on Summit street yesterday afternoon, and for a time his condition was considered critical. A physician was called and succeeded in relieving Mr. Plumstead, and this morning while weak he is considerably better.

When The Record went to press the hearing in the case of the Commonwealth vs. John C. McCracken, charged with assault on complaint of Mrs. Jessie McCracken, his wife, was taking place before Justice Carey. District Attorney Mills represents the commonwealth, while William Maxwell, Esq., is looking after the interest of the defendant.

### BAIL IS FIXED AT TWO THOUSAND

Bryant and Ely, Unable to Secure That Amount, Remanded for a Hearing

Clarence Ely and Bert T. Bryant, who were arrested Tuesday charged with burglarizing the Lehigh Valley station at Ithaca and taking nearly \$1,200 from the money drawer, were arraigned yesterday afternoon in the Recorder's court of that city. District Attorney Kent asked that bail be fixed at \$2,000. This was a surprise to the attorneys who had appeared for the prisoners, as it was expected that the bail would not be placed above \$1,000. Neither of the defendants could procure bail. Bryant's father and uncle were in court prepared to produce a bond for the sum of \$1,000, and Ely's counsel also said that his client could give bail in that amount. Both attorneys demanded separate hearings and the young men were led away to the cells which they will occupy until October 11, when their hearings will occur.

Detectives Shaffer and Johnson of Sayre, who have been working diligently on the case ever since the robbery occurred, and who, in a great measure, were responsible for the arrest of Ely and Bryant, assert that they have additional information against the defendant, which, however, they are unwilling to give to the public at the present time. The case has attracted considerable more than ordinary interest at Ithaca on account of both prisoners being well known.

### INSTALLED OFFICERS

Sayre Judge, No. 1099, I. O. O. F., met last night and District Deputy Grand Master Molyneux of New Albany installed the following officers: Noble grand, William Cozine; vice grand, M. K. Hudson; financial secretary, W. B. Weeks; recording secretary, C. C. Walker. The newly installed noble grand appointed the following side officers: Right supporter, J. Fred Miller; left supporter, Chas. Hunsinger; warden, J. Fred Spies; chaplain, Horace Frank; right scene supporter, James P. Everetts; left scene supporter, Earl D. Hammond; inside guard, Fred Hakes; outside guard, Ralph Lockwood; conductor, C. W. Kunkle. The vice grand appointed for right supporter, W. L. Johnson, and for left supporter, Harry Cole. Following the installation the initiatory degree was worked with one candidate. Drillmaster Eilers, with his well drilled degree team, performed the work in the usual faultless manner.

### WITNESSES RETURN HOME

Chief Walsh, "Josh" White, A. B. Barner, Frank Doud, John Hanley, and William Brown have returned from Auburn, where they appeared as witnesses against Walter O'Dell, on a charge of circulating counterfeit coin. Chief Walsh says that the jury had not yet returned a verdict when the Sayre party left Auburn, but that the government had made out a strong case against the defendant and that the United States district attorney confidently looks for a verdict of guilty.

### AWFUL FATALITY AT PHILADELPHIA

Explosion of Gas in Subway Kills Score or More of Persons and Frightfully Injures Others

Just after 12 o'clock today a terrific explosion of gas occurred in the subway at Philadelphia, killing a score or more of people and badly injuring a number of others. The explosion occurred on Market street between Fifth and Seventh streets. The subway was filled with people going to their dinners, and it is regarded as a miracle that the loss of life was not greater. Fourteen badly injured have been taken to the hospitals, and it is presumed that there is about 20 dead in the subway, which workmen are endeavoring to reach. The business places in the vicinity were badly wrecked.

### "JOSHUA SIMPKINS"

The "Joshua Simpkins" company with a fine brass band and splendid orchestra, will be seen at the Loomis opera house next Saturday afternoon and evening. The play is made of fun and realism, combining the pleasing features of realistic melodrama and the ever popular rural play. The character sketches are said to be very clever while there is an abundance of good music, singing and dancing in it. Those lovable old country characters are introduced and their sayings and doings create much amusement. The company comes to us recommended as a good one throughout. The sawmill scene in the third act is said to be wonderfully effective and realistic, a genuine circular saw being in motion, with Uncle Josh's son lashed to a log by the villain and toward the glittering teeth of the rapidly revolving saw.

### SAYRE ITEMS

It is not surprising to learn that the farmers have organized to raise prices. However, organization so far as the farmer is concerned is useless. They have been raising prices right along without it.

Cyril Scott in "The Prince Chap" is coming. We shall get the original production and without doubt one of the best plays hailing from New York. All reports say it is a thoroughly legitimate success, interesting and new. This play is under the management of Walter N. Lawrence, who presented "The Man on the Box" here on Wednesday evening.

The election of Kipp in this congressional district is predicted by a handsome majority. Voters are becoming tired of bosses and bossism. They are becoming tired of machine rule and machine tactics. Therefore they purpose to see that the Fourteenth Congressional district sends a man to Congress who will represent the people and not a corrupt political organization.

Want ads inserted by persons not having a ledger account with The Record must be paid for when ordered printed. We positively cannot charge want ads indiscriminately—the expense of bookkeeping and collecting is entirely out of proportion to the amount involved in the transaction.

### CITIZENS' COLUMN. NO TOWN HALL AT PRESENT

Editor Valley Record:

The members of Sayre Borough Council have been criticised, more or less, for not hurrying up the town hall proposition. As a matter of fact, the council has done everything in its power to have this town hall proposition brought before the voters at this November election, and the citizens should not condemn the council for failing to do so.

Under laws of this State no borough can place before its voters a proposition to increase the indebtedness of the borough, until affidavits by the proper borough officers have been filed with the proper county officers, setting forth the fact that the indebtedness of the borough is already two per centum of the last assessed valuation. This, unfortunately for the town hall proposition, is not the case. The fact is that Sayre borough as far as the council is concerned is free from bonded indebtedness, while a few months since the council voted \$25,000 for a City Sewer Trunk Line. These bonds have not yet been floated, and therefore the town has not yet obligated itself to pay this amount. The only thing to do now is to wait until the bonds for Sayre Borough Sewer System have been sold, and as soon thereafter as possible, submit to the voters the Town Hall proposition. I do not know of any one councilman that is opposed to the City Hall, but the sentiment of all of them seems to be, "Be sure you are right, then go ahead." This article is intended to stop adverse criticism, as the council cannot wilfully violate these laws. Coleman Hassler.
