THE BEST MAN

Waverly—In choosing a candidate for whom he will vote on November 6 to represent the county of Tioga in the state legislature it seems that the man should be chosen who combines the largest measure of independence with a just regard for the interests of the people of the county and the state at large. That man who stands out independently of bosses and bossism, and who will use his own best judgment in spite of all influences of political rings, and special interests, is the man who is most deserving of the support of the people of the district that he stands ready to represent. In selecting a candidate to go to Albany and look after the interests of Tioga county it seems that Hon. Byram L. Winters combines the above qualities to a greater extent than any of his opponents. He is not dominated by any particular class and he has not placed himself under obligations to any ring or combination. He stands free and untrammelled, and if again elected to represent this county he will go to the state assembly free from the restraint of leading strings, exercise his own judgment on any measure that comes up for consideration, do what seems best for the interests of the people at large without regard to whether his action is approved or condemned by any particular class or faction.

FUNERAL HELD TODAY

STILL STEALING TICKETS

Milk tickets are being stolen so frequently from bottles left in front of residences on South Elmer avenue that it is becoming intolerable. Many have recently refused to place tickets in the bottles over night, and have been forced to make other arrangements with the man who furnishes the milk. Effectual means will be taken, however, to apprehend the parties who are causing the mischief.

Henry Evlin of Keystone avenue has been improving his property by installing city gas.

CLEMENCEAU FORMS CABINET.

General Piquart, Defender of Dreyfus, Named War Minister. PARIS, Oct. 23.—M. Clemenceau has begun the formation of a cabinet. He offered the foreign office portfolio to M. Poincare, minister of finance in the Sarrien administration, who declined. M. Caillaux, who was finance minister in the Waldeck-Rousseau cabinet, has accepted the portfolio of finance.

M. CLEMENCEAU. Doumergue, minister of commerce, will remain and that General Piquart will get the war portfolio. A new ministry of labor may be created with M. Viviani, the well known Socialist deputy, at its head. The selection of General Piquart, the defender of Dreyfus, for the position of war minister is regarded as an audacious stroke on the part of M. Clemenceau and naturally had aroused a storm of protest on the part of the reactionary press, but it has caused an equal amount of enthusiasm among the Radicals.

MRS. JOSEPHINE VAIL

Mrs. Josephine Vail, wife of James Vail of 215 Desmond street, died this morning at 7:10 o'clock after a few days' illness. Death was due to heart failure and was rather unexpected notwithstanding that her condition since Friday last had been considered somewhat alarming. Two weeks ago Mrs. Vail went to Lyons, N. Y., to attend the funeral of her father. She returned home and a day or two afterward was again called to Lyons to care for a sister who was ill. A week ago today she came back to Sayre worn out and on Friday last was taken worse. The deceased was formerly Mrs. Josephine Howley of Lyons, N. Y., and was married to Mr. Vail July 10, 1891. They came to Sayre in 1900, where they have since lived. She was 40 years old and was respected by a wide circle of friends and acquaintances. She is survived by her husband, one son, Alfred, three sisters, Mrs. George Naisz of Lyons, and Misses Anna and Mary Howley also of Lyons, and two brothers, John T. of Syracuse and Edward of Lyons. The arrangements for the funeral are in charge of P. H. O'Shea, but have not yet been completed.
