Where the Low Prices Prevail

That's the life of the Big Store. Most thrifty people shop here because of the many advantages enjoyed. 1st--prices, 2nd--selections, 3rd--service, 4th--disposition to be square, 5th--we thrive on comparison.

Do You Know We Furnish Homes Complete?

Women's Gloves

For fall and winter. The present large assortment (see Lockhart St. Window) deserves special mention on our part and special investigation on yours, for in all we have brought in over \$1,000.00 worth of kid gloves alone on import order which today we could resell at better than 20% over contract price to dealers, but they are here at old prices.

Newest and Best Dress Goods

You will pardon, we believe, the personal pride we take in our dress goods department. We save you money and the annoyance of shopping about looking for the wanted effects.
